Cut 2 pieces of fabric

Assembly:

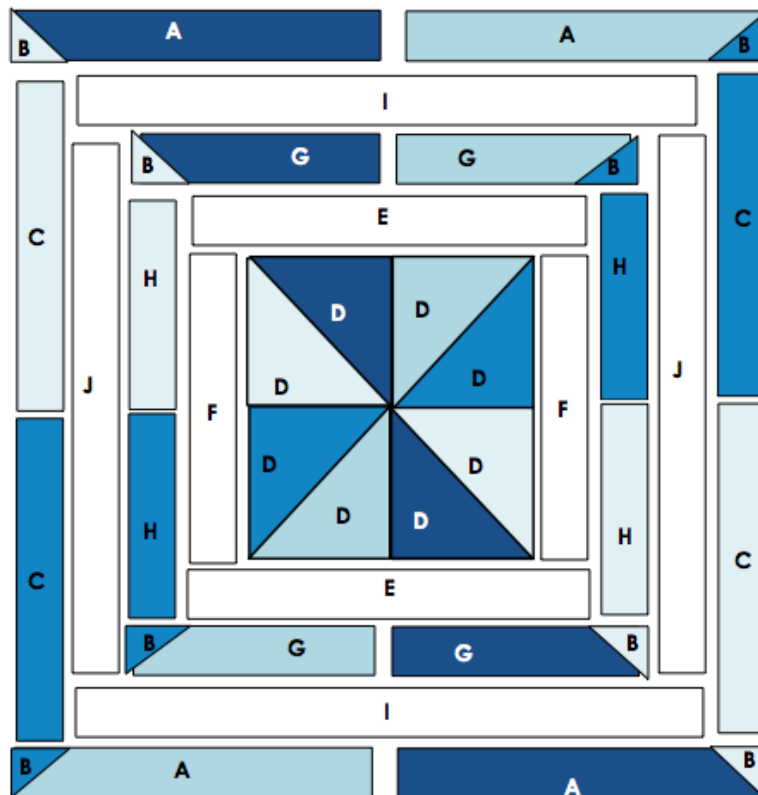

1. Draw a diagonal line, from corner to corner on 2 center (D) squares. Layer right sides together with remaining 2 center (D) squares. Sew $\frac{1}{4}$ " on either side of marked line. Cut on the line and press. Trim HST's to $2\frac{1}{2}$ " x $2\frac{1}{2}$ ". Make 4.

2. Layer corner squares and stitch corner to corner, to create HST. Trim away excess leaving $\frac{1}{4}$ " seam allowance, press seams. Use pieces A, B & G to make 4.

3. Lay out the block using the diagram below. Sew together using a $\frac{1}{4}$ " seam allowance, press seams. *Tip: Square up after attaching each block row.

Meet the Designer:

Heather Valentine is the creative behind the screen at [The Sewing Loft](http://thesewingloftblog.com/). Join her and the on-line community filled with sewing enthusiasts of all levels for weekly sewing tips, easy to sew patterns and scrap busting projects.

Her main goal is to promote awareness, provide education and above all, encourage the community to keep the needle moving.

Got Scraps? [Come join the party!](http://thesewingloftblog.com/)
