Cameo Snowball

Cutting

WOF = Width of Fabric

Fussy Cut = Carefully cut a selected or specific section from the fabric in the size given.

Fabric A, fussy-cut: 1 center square, approximately 15¼" x 15¼" (38.74cm x 38.74cm), trying to cut as much as is possible of the ring of roses that surrounds the center medallion at the outer edges. Make sure the design is centered and make note of the final cutting measurement of this square for step 1 in Sewing Instructions below.

Fabric B, cut:

1 strip 2" x WOF (5.08 cm x WOF) for the cameo frame
6 strips, 2½" x WOF (6.35cm x WOF) for the binding

Fabric C, cut:

13 strips 2¼" x WOF (5.40cm) x WOF), then sub-cut:
244 squares, 2¼" x 2¼" (5.40cm x 5.40cm) for the block corners

Fabrics D, cut:

2 strips, 6" x WOF (15.24cm x WOF), then sub-cut:
10 squares, 6" x 6" (15.24cm x 15.24cm)

Fabrics E-H, cut from EACH:

1 strip, 6" x WOF (15.24cm WOF), then sub-cut:
6 squares, 6" x 6" (15.24cm x 15.24cm)

Fabric I, cut:

1 strip, 6" x WOF (15.24cm WOF), then sub-cut:
5 squares, 6" x 6" (15.24cm x 15.24cm)

Fabric J-N, cut from EACH:

1 strip, 6" x WOF (15.24cm WOF), then sub-cut:
4 squares 6" x 6" (15.24cm x 15.24cm)

Fabric O, cut

1 strip, 6" x WOF (15.24cm x WOF), then sub-cut:
2 squares, 6" x 6" (15.24cm x 15.24cm)

Fabric P, cut

6 strips, 3" x WOF (7.62cm x WOF) for the borders

Sewing Instructions

Note: All seam allowances are ¼"-wide (.64cm). Sew all seams with right sides together (RST).

1. Using the actual cutting measurement of the **Fabric A** square, cut 2 strips from the 2" x WOF (5.08cm x WOF) strip of **Fabric B**. Sew to opposite sides of the **Fabric A** square. Press the seam allowances toward **Fabric B**. Measure the width of the resulting panel through the center and cut 2 strips from the remainder of the **Fabric B** strip. Sew to the top and bottom edges of the panel and press the seam allowances toward **Fabric B**.

Trim the panel to 17" x 17" (43.18 x 43.18cm), making sure the **Fabric B** borders that frame the square are the same width and the Cameo panel is centered (**Fig. 1**).

Trim to 17" (43.18cm) square.

2. Draw a diagonal line from corner to corner on the wrong side of each $2\frac{1}{4}" \times 2\frac{1}{4}"$ (5.72cm x 5.72cm) **Fabric C** square.
3. To make each Snowball Block, choose a $6" \times 6"$ (15.24cm x 15.24cm) print square and position a $2\frac{1}{4}" \times 2\frac{1}{4}"$ (5.72cm x 5.40cm) square with right sides together (RST) at each of the four corners as shown in **Fig. 2**. Stitch on each of the marked lines and then trim away each corner $\frac{1}{4}"$ (.64cm) from the stitching line. Press the triangles toward the seam allowances (**Fig. 2**).

4. You should have a total of (61) $6" \times 6"$ (15.24cm x 15.24cm) Snowball Blocks: 10 **Fabric D**; 6 each of **Fabrics E, F, G, and H**; 5 of **Fabric I**; 4 each of **Fabric J-N**; and 2 of **Fabric O**.

Section D

5. Arrange the Snowball blocks in horizontal rows around the **Fabric A/B** Cameo square.
6. Sew the blocks together in the rows shown. Press the seam allowances in opposite directions from row to row. Sew the rows together in each section and press the seam allowances toward the bottom edge of each completed section.
7. Sew Sections B and C to the edges of the framed cameo and press the seam allowances toward the cameo.
8. Add the Sections A and D to the top and bottom edges of the B/Cameo/C section and press the seam allowances toward the Cameo.
9. Refer to the **Quilt Top Assembly** illustration. Join the $3" \times \text{WOF}$ (7.62cm x WOF) **Fabric P** strips with diagonal seams to make one long strip. Press the seams open. Measure the quilt-top length through the center and cut 2 side border strips from the long strip to match. Sew to the long edges of the quilt top and press the seam allowances toward the borders.
10. Measure the panel width through the center and cut 2 border strips from the remainder of the long **Fabric P** strip. Sew to the top and bottom edges of the quilt top and press the seam allowances toward the borders.

Finishing

11. Prepare a 52" x 68" (132.08cm x 172.72cm) backing panel and press.
12. Layer the quilt top with the batting and backing. Baste the layers together, using your favorite basting method.
13. Quilt-in-the-ditch of the horizontal and vertical seamlines and then do additional quilting in the shapes and borders as desired.
14. Trim the batting and backing even with the quilt-top edges.
15. Join the **Fabric B** 2½" x WOF (6.35cm x WOF) strips with diagonal seams to make one long strip. Press the seam allowances open. Fold the strip in half lengthwise with wrong sides facing and press.
16. Sew the binding strip to the quilt top with right sides together and raw edges even. Miter the corners as you reach them. Turn the binding over and around the seam allowances and hand-stitch to the back of the quilt.
