Fabric L, cut:

(2) 3½" x WOF (8.89cm x WOF).

Cross-cut (11) Small Diamonds.

Sewing

- Following the **Quilt Layout** diagram, lay out the diamonds, triangles, and half-triangles in diagonal rows.
- Sew together the Small Diamonds and Small Triangles into larger diamonds first, and include the Half-triangles and Small Diamonds along the edge to create half-diamonds (**Fig. 1**); then sew the pieces together to form diagonal rows across the quilt. Press seams in alternating directions for adjacent rows.

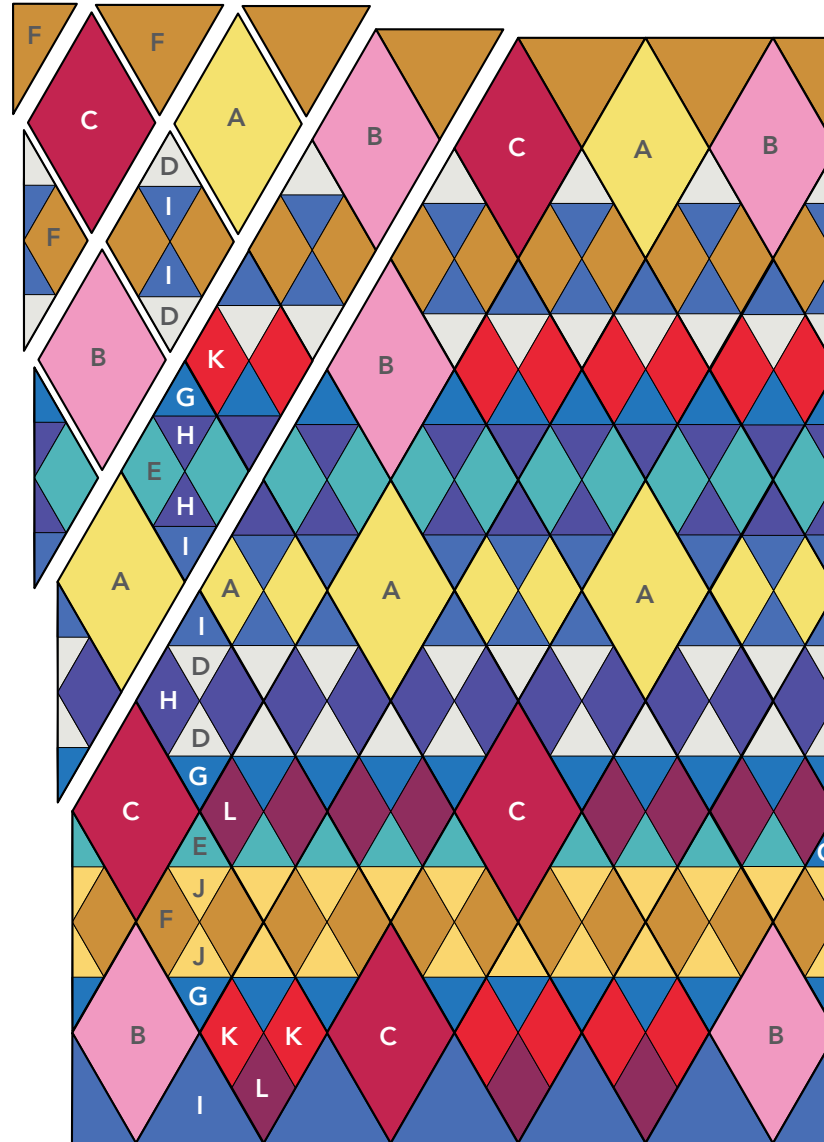

Quilt Top Assembly

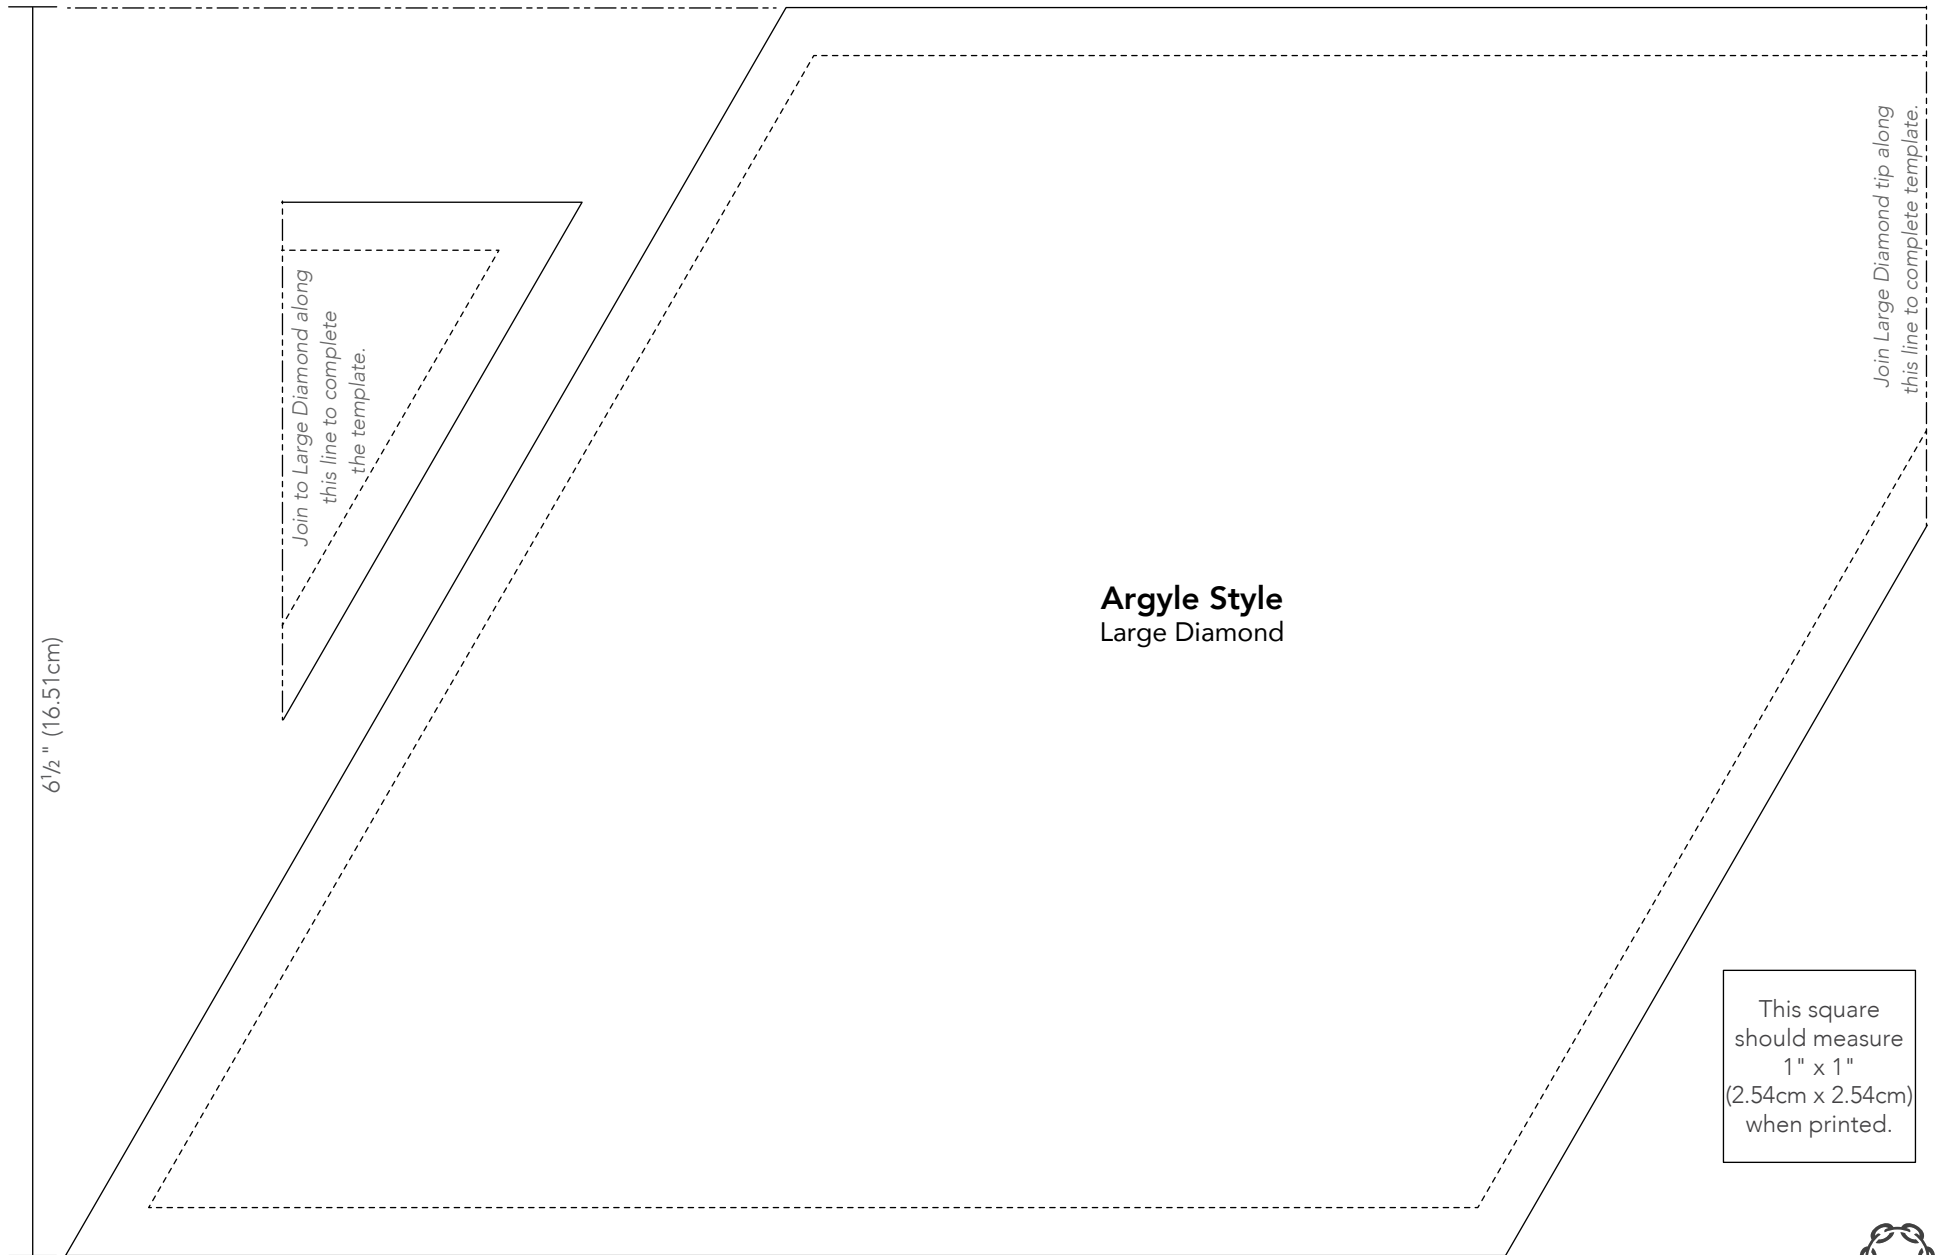

3. Start in the top left hand corner and sew all the diagonal rows together in order to complete the top, adding in the corner half-triangles. Be careful to avoid stretching the edges, and match adjacent seams.

Finishing

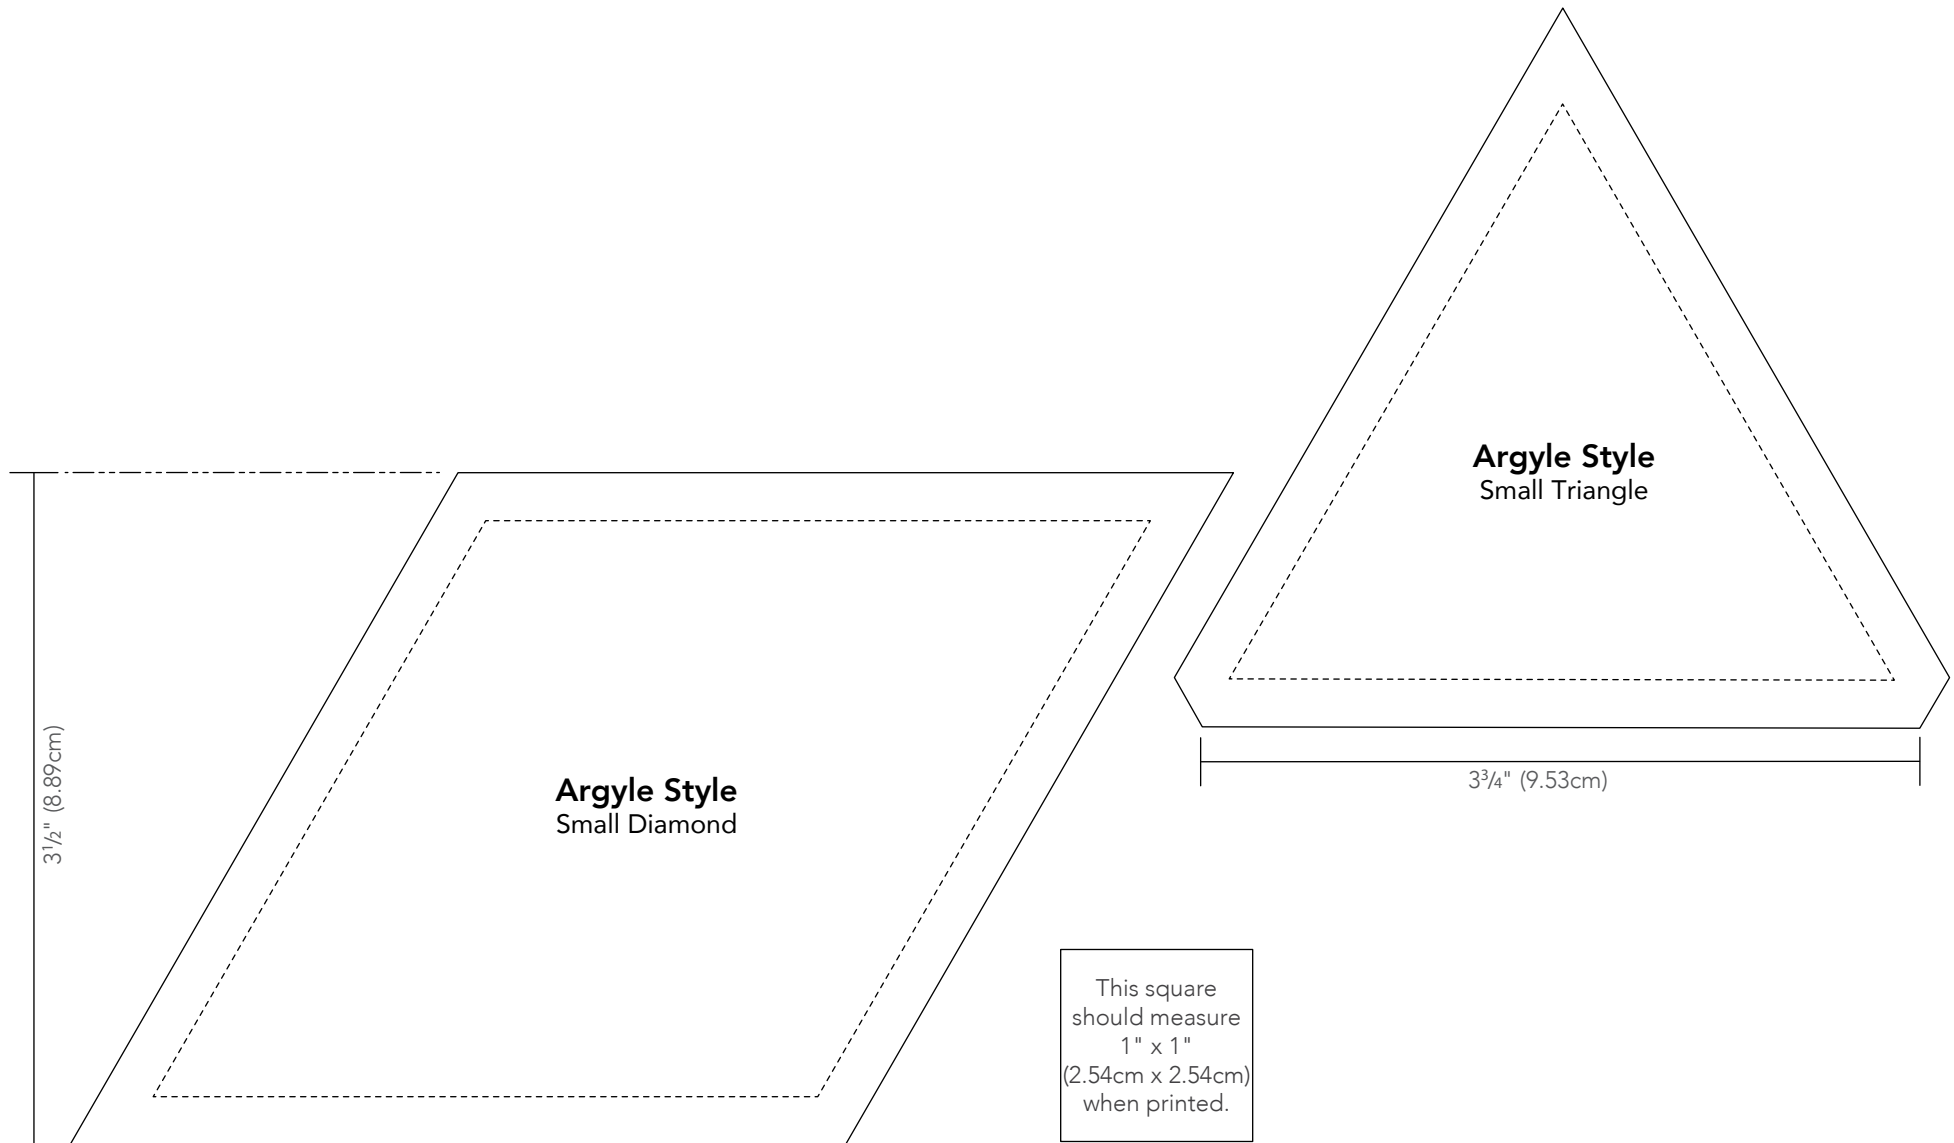

4. Sew together the (5) 2½" x WOF (6.35cm x WOF) **Fabric F** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.
5. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
6. Leaving an 8" (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to ¼" (.64cm) and press open. Finish sewing binding to quilt.
7. Turn the binding to the back of quilt and hand-stitch in place.
