Chomp!

quilt pattern

DESIGNED BY STACEY DAY
staceyinstitches.wordpress.com
Featured fabrics: Dark and Stormy

Curl up on the couch and watch a fun summer flick, or brave the beach with this hilarious quilt. Dear Stella's Dark and Stormy collection is a perfect companion for this toothy design. Choose from foundation pieced or dimensional teeth.

This pattern is owned and licensed by Dear Stella for personal use only and should not be reproduced for sale to any third party.

CHOMP! QUILT PATTERN

Materials and Cutting

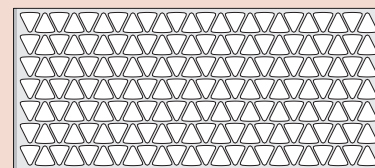

Fabric	Yardage	*Cutting
 Seagulls Stella-823 Aquamarine	2 yards	Cut: 1 and 1 reversed Template 4 for center block background 2 squares, 15" x 15". Sub-cut each square once diagonally to make 4 HST (Half-square Triangles). 1 square, 29 1/2" x 29 1/2". Sub-cut the square twice diagonally to make 4 QST (Quarter-square Triangles).
 Polka Dot Stella-187 Indigo	1 1/3 yards	Cut: 4 Template 2 for Shark Throat 4 Template 3 for Shark Head <i>For option 1, cut:</i> 16 squares, 2 1/2" x 2 1/2" <i>For option 2, cut:</i> 8 Template 8 for Mouth Corners
 Hook Line and Sinker Stella-821 White	1 1/3 yards	Cut: 4 and 4 reversed Template 4 for block backgrounds**
 Anchors Stella-825 Indigo	1 yard	Cut: 6 strips, 2 1/4" x WOF (width of fabric) for binding 1 Template 2 for Shark Throat 1 Template 3 for Shark Head <i>For option 1, cut:</i> 4 squares, 2 1/2" x 2 1/2" <i>For option 2, cut:</i> 2 Template 8 for Mouth Corners
 Net Stella-370 Marmalade	5/8 yard	<i>For option 1, cut:</i> 5 Template 1 for Shark Mouth 80 rectangles, 2" x 2 1/2", for Shark Teeth <i>For option 2, cut:</i> 5 Template 5 for Shark Mouth 5 Template 6 for Shark Teeth
 Perfect Catch Stella-822 White	1/2 yard	<i>For option 1, cut:</i> 80 rectangles, 2 1/4" x 3", for Shark Teeth <i>For option 2, cut:</i> 160 Template 7 for Shark Teeth**
 Dark and Stormy Stella-824 Indigo	3 7/8 yards	Backing
Other		
Batting	65" x 65"	

* Before cutting, choose either foundation pieced (option 1) or dimensional teeth (option 2) to make your shark blocks. Print and tape together the templates on pages 5–13. For foundation pieced option 1, also print and tape together 5 copies of the foundation patterns on pages 14–15. When cutting template pieces, place templates right side up on a single layer of fabric and carefully cut each shape. Transfer the pattern markings on Templates 3 and 4 to the cut pattern pieces.

**CUTTING DIAGRAMS

Follow these cutting diagrams for best use of fabric when cutting block backgrounds and Template 7 Shark Teeth.

CHOMP! QUILT PATTERN

Note: All seam allowances are $\frac{1}{4}$ " unless otherwise specified. Press seam allowances open unless otherwise indicated.

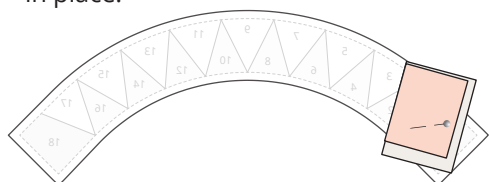

Option 1 - Foundation Pieced Teeth

1 Each Upper and Lower Teeth pattern is pieced in the same manner. Section numbers indicate the piecing sequence, and the foundation pattern shading indicates fabric placement. To make one Upper Teeth section, you'll need 9 white $2\frac{1}{4}$ " x 3" rectangles, 8 marmalade 2 " x $2\frac{1}{2}$ " rectangles, and 2 matching dark blue $2\frac{1}{2}$ " x $2\frac{1}{2}$ " squares.

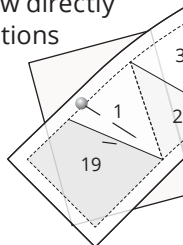

2 Place one white rectangle against the unprinted side of the foundation pattern, with the wrong side of the fabric against the pattern. Center the fabric over the section marked '1'. Hold the pattern and fabric up to a light source to be sure the fabric overlaps section 1 and pin it in place.

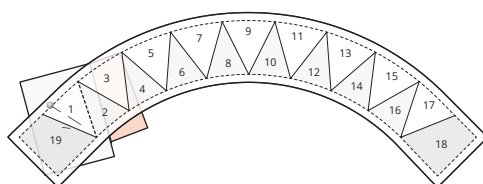

3 Place a marmalade rectangle right sides together against the white rectangle, with one long edge of the marmalade rectangle extending $\frac{1}{4}$ " past and parallel to the line between sections 1 and 2. Pin the rectangle in place.

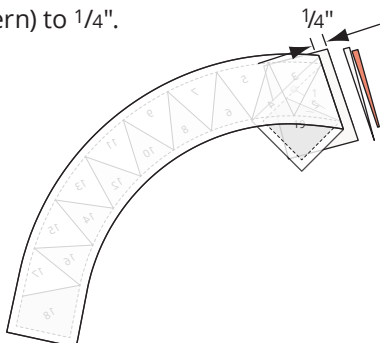

Turn the pattern printed side up. Use a short stitch length to sew directly on the line between sections 1 and 2. (The short stitch length perforates the paper and makes it easier to remove the paper later.)

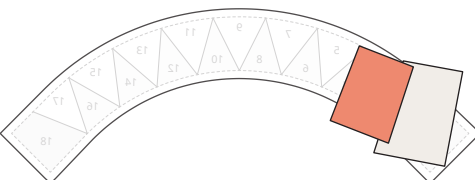

4 Fold the marmalade fabric to the right side, and hold the pattern up to a light source to make sure the marmalade fabric overlaps section 2.

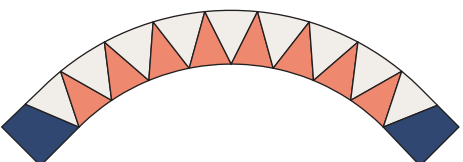

Fold both the fabric and paper away from the seam allowance, and trim the sewn seam allowance (NOT the pattern) to $\frac{1}{4}$ ".

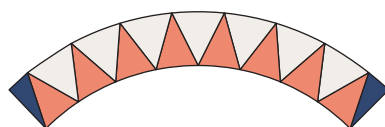

Unfold the fabric and pattern, and press the pieced sections.

5 Repeat steps 2-4 to add fabric to the remaining white and light grey pattern sections. Use a blue square to complete the last two darker sections on the pattern. Press the completed Teeth section and trim the excess fabric along the outer solid line. Make 5 Upper and 5 Lower Teeth sections. Carefully remove the paper from the back of each section.

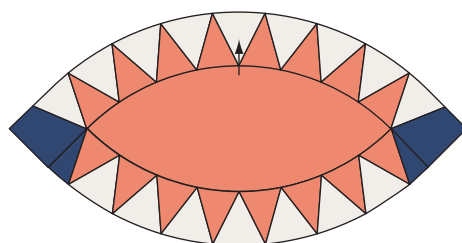

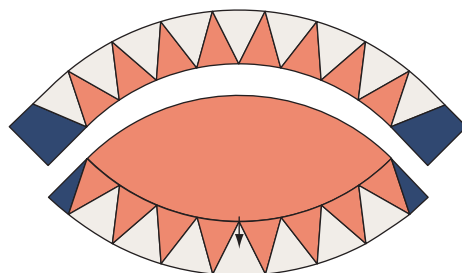

Upper Teeth
Make 5.

Lower Teeth
Make 5.

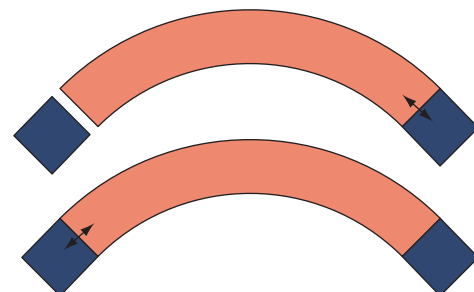

6 Join one Lower Teeth section to one side of a Template 1 Mouth. Press the seam allowance toward the Teeth section. Sew a matching Upper Teeth section to the opposite side of the Mouth. Repeat to make a total of 5 Mouth units.

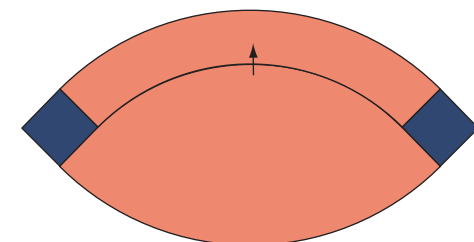

Mouth Unit
Make 5.

Option 2 - Dimensional Teeth

1 Join one matching dark blue Template 8 Mouth Corner to each short end of a Template 6 Upper Teeth. Press the seams open.

2 Sew each unit from step 1 to one side of a Template 5 Mouth. Press the seams to one side.

CHOMP! QUILT PATTERN

③ Place two Template 7 Teeth right sides together. Sew along the angled edges, leaving the base unsewn. Trim the seam allowance at the point and base of the tooth, and turn the tooth right side out. Press. Make a total of 80 Teeth.

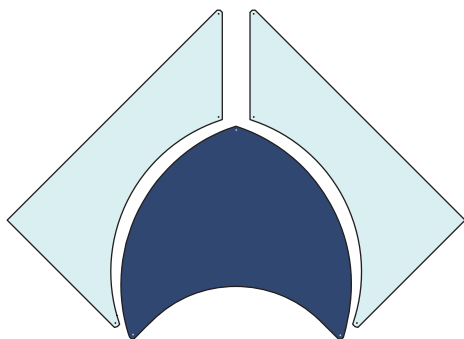

④ With the Mouth unit oriented as shown, arrange 9 Teeth along the upper edge of one Mouth unit from step 2. Pin, and then baste the Teeth in place. Arrange 7 Teeth along the lower edge of the mouth, overlapping the seam allowances as needed. Pin, then baste the teeth in place. Make a total of 5 Mouth units.

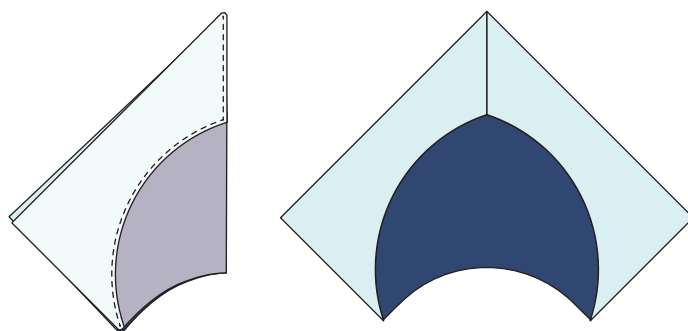

Make the Blocks

① Referring to the quilt photo for fabric placement, arrange two matching block backgrounds and one Shark Head as shown.

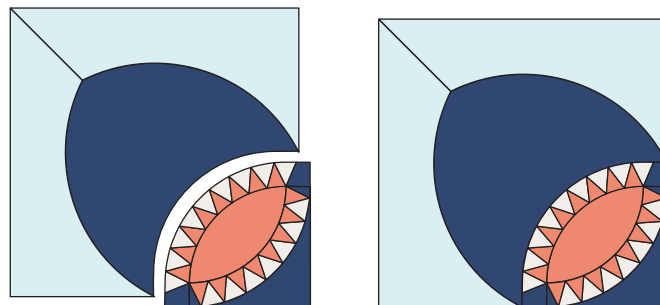

Join the Shark Head to one block background along an adjacent curved edge, starting and stopping at the marked dots at each end of the seam. Join the second block background to the opposite side of the Shark Head

in the same way. Fold the Shark Head in half, right sides together, and align the two block backgrounds along the shortest straight edge. Pin, then sew the block backgrounds together. Press the short straight seam to one side, then press the curved seams away from the Shark Head.

② Arrange one Mouth unit and one matching Shark Throat as shown. Join the Shark Throat to the Mouth unit along the curved edge of the Lower Teeth. Press the seam to one side.

Shark Block
Make 5.

③ Select one unit from step 1 and 1 unit from step 2, making sure the dark blue fabrics match. Join the two units along the curved edge to complete the block. Press the seam to one side. Make a total of 5 Shark Blocks.

Assemble the Quilt

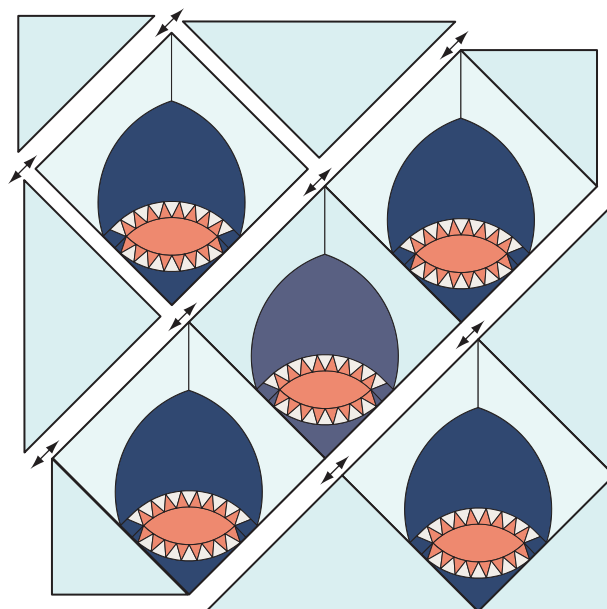

① Referring to the assembly diagram, arrange 5 Shark blocks, 4 QST and 4 HST in five diagonal rows as shown.

② Join the blocks, QST and HST in the middle three rows together along adjacent edges. Press the seams open. Join the rows together along adjacent edges, matching seam lines.

Finishing

① Remove the selvages from the backing fabric, then cut the fabric into two equal lengths. Join the two pieces along one long edge, and press the seam open.

② Layer the quilt top, backing and batting, centering the seam in the backing. Quilt as desired. Stitch around the perimeter of the quilt, a scant 1/4" from the outer edge. Trim the excess fabric and batting. Use your favorite method to bind the quilt.

PATTERN KEY

The pattern pages are designed to print on US Letter-sized paper. Before printing, make sure printer is set to print at 100% and scaling is turned off. Print page 5 and measure the 1" x 1" test square to confirm pattern is printing at the correct size before printing the remaining pages.

Trim pattern pages as needed, and assemble pattern as shown in the pattern key at right, matching and taping sections together along the dot-dash lines.
