Additional Fabrics Needed:

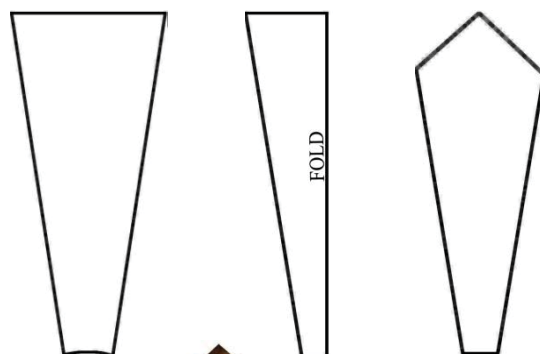

- Fusible Web—¾ yard
- Backing Fabric—two pieces: 24" x 18"
- Batting— two pieces: 24" x 18"

Sewing Directions:

1. Lay out one ecru 10" square and two green 4½" x 10" strips in a row as shown.
2. Pin and sew row unit. Press seams toward strips.
3. Pin and sew one light brown 1½" x 18" strip to both the top and the bottom of the row unit. Press seams toward strips. Make two block units. Set aside.

4. Prepare 22 pointed petals (11 per placemat):
 - Fold one pointed petal in half right sides together. Pin and stitch ¼" seam across folded end as shown, reinforcing stitching at both ends of seam. Trim corner at fold.
 - Lightly press fold (wrong sides together).
 - Press open seam allowance with tip of iron.
 - Turn point right side out with point turner tool or blunt knitting needle. Press so seam allowance is in line with lightly pressed foldline.

5. Lay out two light brown pointed petals, two orange pointed petals, two gold pointed petals, two green pointed petals, two medium brown pointed petals, and one dark brown pointed petal to form a half circle.

6. Sew pointed petals together using $\frac{1}{4}$ " seam allowance, matching notches. Press seams in one direction around the half circle of pointed petals.
7. Position pieced petal unit on block unit using the placemat image as a guide. Pin, fuse, or baste in place. Machine appliqué around perimeter to secure.
8. Position, fuse and machine appliqué one medium brown circle, two dark brown legs, one gold round plate, and one beak on block unit to complete the turkey.
9. Choose your favorite method for the turkey eyes:
 - Hand stitch French knots with dark brown floss
 - Machine specialty stitch with dark brown thread
 - Attach buttons
 - Fuse and machine appliqué tiny dark brown circles
10. Repeat steps 5-9 for second placemat.

Quilting & Finishing:

1. Layer batting between placemat top and backing.
2. Pin or baste layers together.
3. Quilt as desired.
4. Add dark brown fabric binding, mitering corners.
5. Repeat steps 1 - 4 for the second placemat.

Sewing Directions

Windmill Variation Block

1. Pin and sew one pink and one light orange 3" finished half square triangle (HST) together as shown. Press seams toward orange triangle. Make four HST units.
2. Pin and sew one HST unit and two white 3" finished HSTs together as shown. Press seams toward white triangles. Make four combined units.
3. Pin and sew one orange and one green 6" finished quarter square triangle (QST) together as shown. Make four QST units.
4. Pin and sew one HST unit and one QST unit together as shown. Press seams toward QST unit. Make four quarter blocks.
5. Pin and sew quarter blocks into half blocks. Press seams open. Make two half blocks.
6. Pin and sew half blocks together to complete block. Press seams open.
7. Make a total of four Windmill Variation blocks.

Flying Geese Border

1. Pin and sew one pink 6" finished QST and two light orange 3" finished HSTs together as shown to form a flying geese unit as shown. Make 22 flying geese units.
2. Pin and sew nine flying geese units together following table runner diagram. Press seams open. Make two flying geese border units.
3. Pin and sew two flying geese units together as shown. Press seams open. Make two flying geese pair border units.

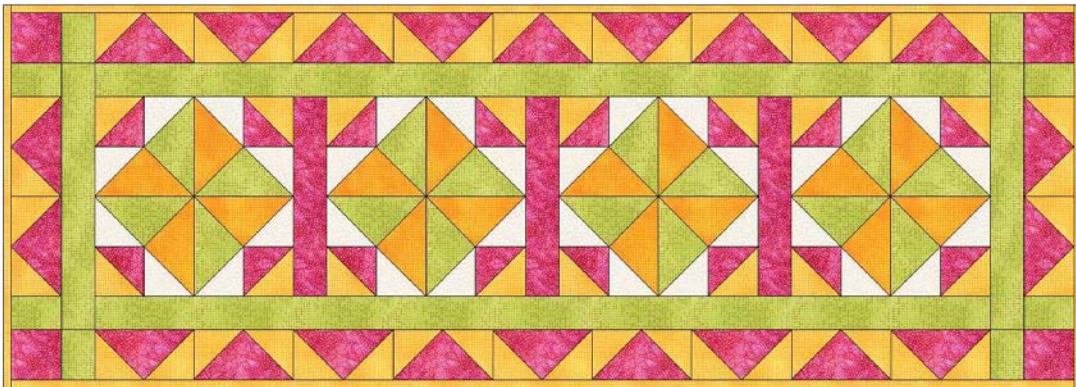

Table Runner Assembly

1. Pin and sew three pink 2½" x 12½" sashing strips between four Windmill Variation blocks following table runner diagram. Press seams toward sashing strips.
2. Pin and sew three green 2½" strips together end to end. Press seams open. Sub cut into two 2½" x 54½" lengths.
3. Pin and sew one green 2½" x 54½" inner border strip to each side of combined table runner center. Press seams toward inner borders.

4. Pin and sew one flying geese border unit to each side of combined table runner center following orientation of flying geese in table runner diagram. Press seams toward inner borders.
5. Pin and sew one green $2\frac{1}{2}$ " x $22\frac{1}{2}$ " inner border strip to each end of combined table runner center. Press seams toward inner borders.
6. Pin and sew one green $2\frac{1}{2}$ " x $3\frac{1}{2}$ " rectangle and one pink $3\frac{1}{2}$ " square to each end of one flying geese pair border unit as shown. Press seams toward green rectangles. Make two combined border end units.
7. Pin and sew one combined border end unit to each end of combined table runner center following orientation of flying geese in table runner diagram. Press seams toward inner border.

Quilting & Finishing

1. Layer batting between quilt top and backing.
2. Pin or baste layers together.
3. Model was custom machine quilted.
4. Add light orange binding strips, mitering corners.

Die-Cutting Instructions

1. Cut 1-8" x width of fabric (WOF) strip of brown batik and fan-fold 4 1/2" wide. Die-cut 16 B squares using GO! Square-3 1/2" (55006).

2. Cut 1-8" x WOF strip orange batik and fan-fold 4 1/2" wide. Die-cut four B squares using GO! Square-3 1/2" (55006).

3. Cut 1-8" x 23" strip tan batik and fan-fold 4 1/2" wide. Die-cut eight B squares using GO! Square-3 1/2" (55006).

4. Cut 1-7 1/2" x WOF strip brown batik and fan-fold 7 1/2" wide. Die-cut eight C triangles using GO! Half Square-6" Finished Square (55001).

5. Cut 1-7 1/2" x WOF strip turquoise batik and fan-fold 7 1/2" wide. Die-cut four C triangles using GO! Half Square-6" Finished Square (55001).

6. Cut 1-9 1/2" x 18" strip brown batik and fan-fold 4 1/2" wide. Die-cut 16 E triangles using GO! Half Square-3" Finished Square (55009).

7. Cut 1-9 1/2" x 9" strip orange batik and fan-fold 4 1/2" wide. Die-cut eight E triangles using GO! Half Square-3" Finished Square (55009).

8. Cut 1-9 1/2" x 9" strip tan batik and fan-fold 4 1/2" wide. Die-cut eight E triangles using GO! Half Square-3" Finished Square (55009).

9. Cut 1-10 1/2" x 9" strip orange batik and fan-fold 5 3/4" wide. Die-cut four F squares using GO! Square on Point-4 3/4" (55019).

10. Cut 1-10 1/2" x 9" strip turquoise batik and fan-fold 5 3/4" wide. Die-cut four F squares using GO! Square on Point-4 3/4" (55019).

Additional Cutting Instructions

1. From brown batik cut a 28" x 28" square for backing.

Making Small Prairie Points

1. Fold and press orange and tan B squares in half on both diagonals, referring to Figure 1. Make four orange and eight tan prairie points.

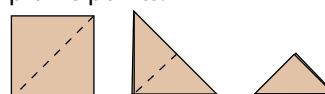

Figure 1

2. Lay an orange prairie point between two tan points, overlapping edges as shown in Figure 2. Adjust positioning so that there is 1½" between triangle points as shown in Figure 2. Pin and baste through all points.

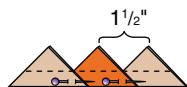

Figure 2

3. Trim excess ¼" below basting (Figure 3).

Figure 3

Repeat steps 1 and 2 to make four sets of small prairie points. Set aside. **Note:** Pay close attention to the direction of the folded triangles, it looks nice to have all folded edges going in the same direction in each set. To do this, keep prairie points organized and aligned in sets as you fold and press.

Making the Blocks

1. Sew a brown E triangle to a tan E triangle along long edge (Figure 4). Press seam toward brown E. Repeat with a brown E triangle and an orange E triangle. Make eight of each color E/E squares (Figure 4).

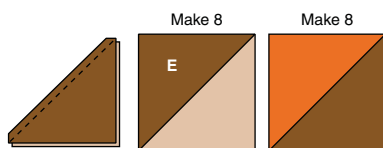

Figure 4

2. Sew an E/E square to a brown B square. Repeat with all E/E squares, making eight B/E tan and B/E orange units (Figure 5).

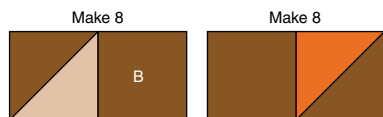

Figure 5

3. Sew a B/E tan unit to a B/E orange unit, referring to Block 1 diagram, to make eight Block 1 blocks. Referring to Figure 6, sew blocks together in (four) two-block units.

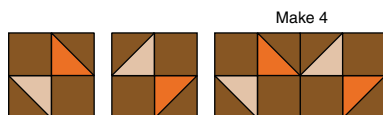

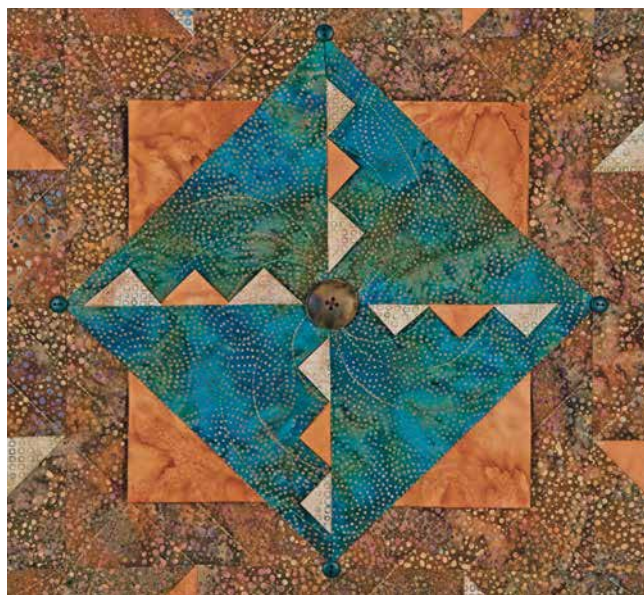

Figure 6

4. Using four each turquoise and orange F squares, fold squares in half on both diagonals and press to make a large prairie point, referring to Figure 1. Make four each orange and turquoise large prairie points.

5. Center and baste a large prairie point on each brown C triangle (Figure 7). **Note:** Turquoise points will lie flat on C triangles until project is turned right side out before quilting, when they will extend out from project corners.

Figure 7

6. Sew turquoise C triangles to brown C triangles with orange prairie points, referring to Figure 8. Press seam toward brown C triangles. Repeat to make four C units.

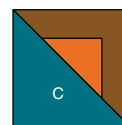

Figure 8

7. Center and baste a set of small prairie points on the turquoise side of C units, as shown in Figure 9, to complete a Block 2. Repeat to make four Block 2 blocks.

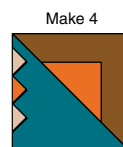

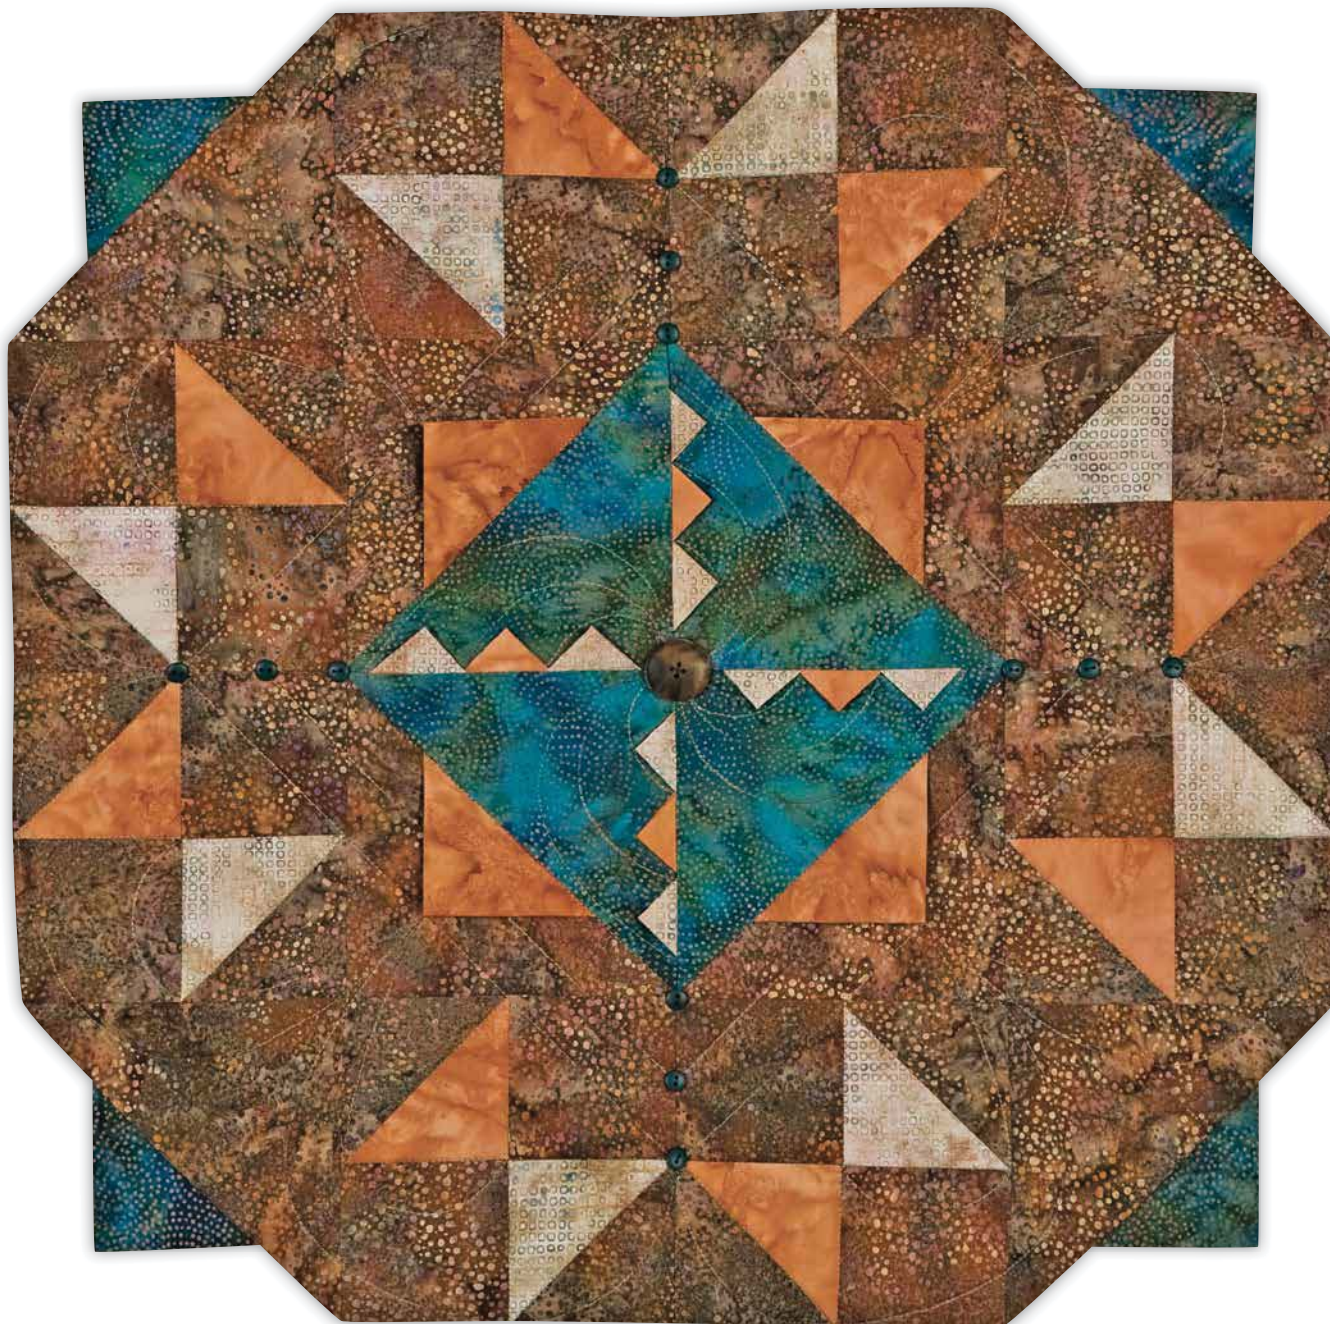

Figure 9

8. Referring to Figure 10 for orientation, sew four completed Block 2 blocks together to make the center unit.

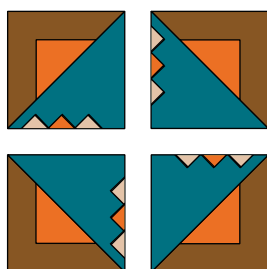

Figure 10

Completing the Quilt

1. Sew a turquoise prairie point C triangle to either side of a Block 1 unit (Figure 11). Press seams toward C triangles. Repeat to make a top and bottom row. Sew a Block 1 unit to either side of the center unit to make

Tip

Press the fabric before positioning it on the die to eliminate any wrinkles that could show up in the finished cuts.

center row, referring to Figure 11. Press seams toward center unit.

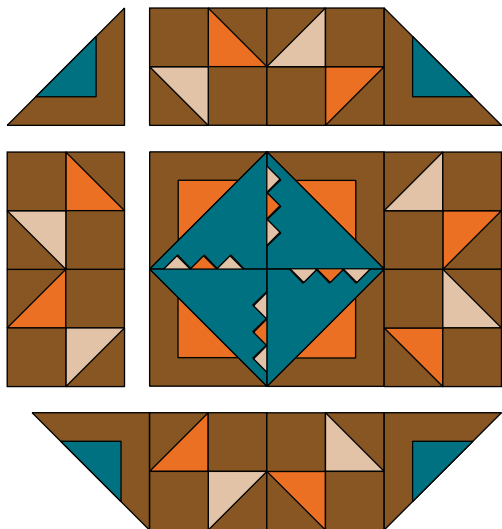

Figure 11

2. Sew top and bottom rows to the center row, again referring to Figure 11 for placement and orientation. Press seams in one direction.

3. Layer 28" x 28" batting, 28" x 28" backing piece, right side up; and the completed quilt top, right side down, on a flat surface and pin or baste around outside edge of quilt sandwich through all layers. **Note:** Make sure turquoise triangles are folded toward quilt center.

Tip

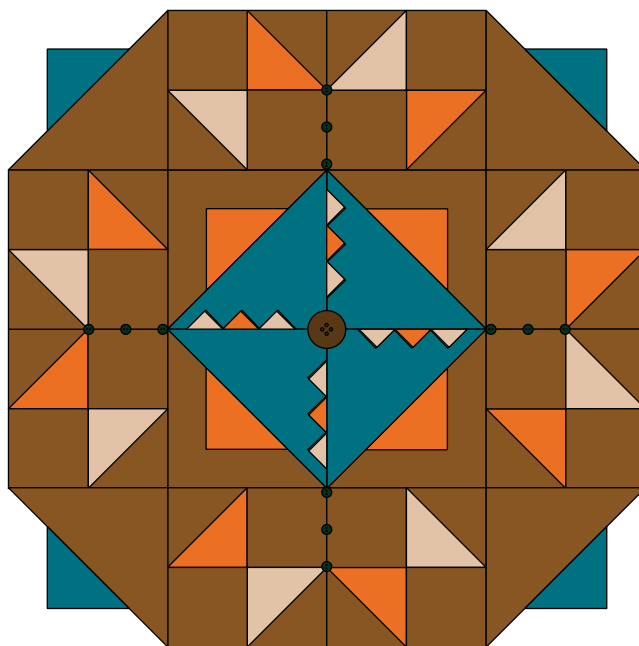

Don't waste that fabric! For easy scrap quilts, take all your project scraps and cut them into individual shapes before putting away your GO! cutter. Store the shapes in shoe boxes labeled with the type of shape in the box. The next time you need a scrap quilt, pull out the appropriate boxes and start stitching.

4. Sew $\frac{1}{4}$ " around quilt sandwich outside edges, leaving a 4" opening for turning.

5. Trim batting and backing to match quilt top and turn right side out through opening.

6. Press edges, turning opening seam allowance to inside. Press turquoise points away from quilt center. Hand-stitch opening closed. Quilt as desired.

7. Finish quilt by sewing large button at quilt center and 3 small buttons on each side, extending out from turquoise center corners as seen in Placement Diagram and project photo. ❖

Die-Cutting Instructions

1. Cut 1–9" x width of fabric (WOF) strip dark purple and fan-fold 4½" wide. Die-cut 16 E squares using GO! Half Square Triangle-3" Finished Square (55009).
2. Cut 1–8" x 22" strip from each medium and light purple fat quarter. Die-cut four B squares from each strip using GO! Square-3½" (55006).
3. Cut 1–8" x 22" strip from each medium and light purple fat quarter. Die-cut four B squares from each strip using GO! Square-3½" (55006).
4. Cut 2–4½" x 22" strips from each medium and light purple fat quarter. Die-cut four D triangles from each strip using GO! Quarter Square Triangle-6" Finished Square (55002).

Additional Cutting Instructions

TIP: Use GO! Strip Cutter dies 1½", and 2½" to cut borders and binding.

1. Cut one 6½" by fabric width strip dark purple. Subcut into two I rectangles 6½" x 12½".
2. Cut two 18" x 24" rectangles dark purple for place mat backing.
3. Cut four 1½" by fabric width strips from green print for borders. Subcut four 1½" x 12½" J borders and four 1½" x 20½" K borders.
4. Cut four 2½" x 22" strips from light and medium purple for binding.

Completing the Place Mats

1. Sew a dark purple E triangle to both sides of a light D triangle (Figure 1). Press seams toward E. Repeat to make four light purple flying geese units.

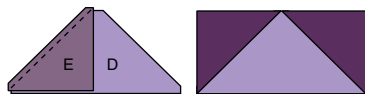

Figure 1

2. Repeat step 1 with medium purple D triangles and dark purple E triangles to make four medium purple flying geese units.

3. Use a ruler to draw a diagonal line on the wrong side of each B square. Sew a B square to the left corner of each H rectangle stitching on diagonal line, referring to Figure 2. Trim seam to $\frac{1}{4}$ " and press toward B (Figure 2). Repeat to make four light purple B/H units and 4 medium B/H units.

Figure 2

4. Sew a light flying geese unit and light B/H unit together along one long edge, referring to Figure 3. Press seams toward B/H unit. Using light and medium purple units, make four Light blocks and four Medium blocks.

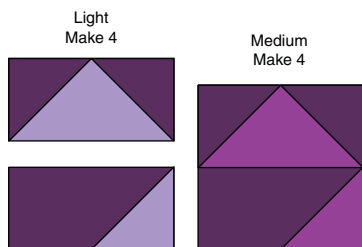

Figure 3

5. Sew a Light and Medium block together, referring to Figure 4 for orientation. Repeat to make four rows, two for each place mat.

6. Sew two rows together for each place mat, again referring to Figure 4 for orientation of rows, to make two block units.

7. Sew I to the right side of each block unit, again referring to Figure 4. Press seams toward I.

8. Sew J borders to sides and K borders to top and bottom of place mat. Press seams toward borders. Repeat for second place mat.

9. Layer, quilt and bind, using the light and medium purple $2\frac{1}{2}$ " strips. **Note:** Use medium purple strips for one place mat and light purple strips for second place mat. ❖

- Batting—65" x 24"

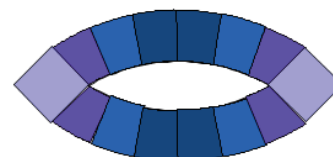

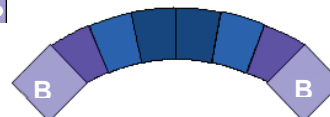

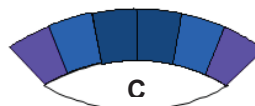

Sewing Directions

1. Lay out shapes for one Arc Unit #1. Two medium dark blue Shape E, two medium blue Shape D and two light blue Shape D as shown.
2. Pin and sew together with an accurate $\frac{1}{4}$ " seam allowance. Press seams in one direction. (It does not matter which direction, but be consistent). Press carefully to avoid distortion of shapes. Repeat steps 1 and 2 to make a total of two combined Arc Unit #1.
3. Mark $\frac{1}{4}$ " points on one white Shape C as shown.
4. Pin and sew one white Shape C to one combined Arc Unit #1 matching $\frac{1}{4}$ " points and notches, starting and stopping at the $\frac{1}{4}$ " points. Press seams towards Shape C.
5. Mark $\frac{1}{4}$ " points on two dark blue Shape B squares as shown.
6. Pin and sew one dark blue Shape B to each end of the remaining combined arc unit starting and stopping at the $\frac{1}{4}$ " markings.
7. Pin and sew one combined arc unit with corner squares to combined arc shape with Shape C starting and stopping at the $\frac{1}{4}$ " point of Shape B. Press seam toward Shape C.
8. Repeat steps 1 through 8 to make a total of eight Arc Unit #1's.
9. Lay out shapes for one Arc Unit #2. Two medium blue Shape E, two medium dark blue Shape D and two dark Blue Shape D as shown.
10. Pin and sew together with an accurate $\frac{1}{4}$ " seam allowance. Press seams in one direction. Repeat steps 9 and 10 to make a total of two combined Arc Unit #2.
11. Mark $\frac{1}{4}$ " points on one white Shape C as shown.
12. Pin and sew one white Shape C to one combined Arc Unit #2 matching $\frac{1}{4}$ " points and notches, starting and stopping at the $\frac{1}{4}$ " points. Press seams towards Shape C.
13. Mark $\frac{1}{4}$ " points on two light blue Shape B squares as shown.
14. Pin and sew one light blue Shape B to each end of the remaining combined arc unit starting and stopping at the $\frac{1}{4}$ " markings.
15. Pin and sew one combined arc unit with corner squares to combined arc with Shape C starting and stopping at the $\frac{1}{4}$ " point of Shape B. Press seam toward Shape C.
16. Repeat steps 9 through 15 to make a total of five Arc Unit #2.

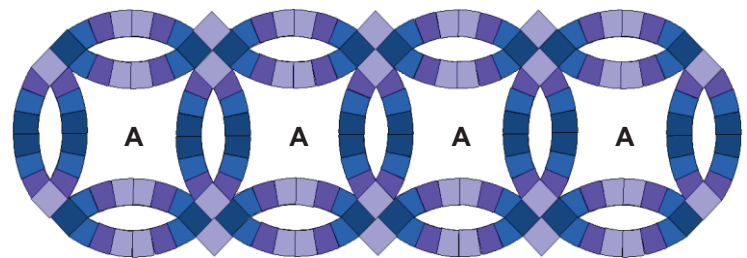

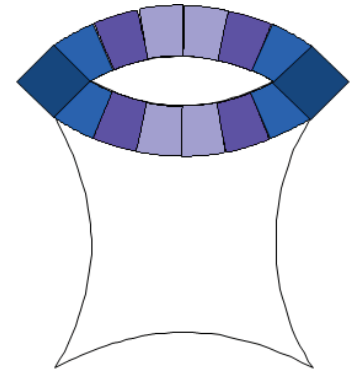

Arc Unit #1

Arc Unit #2

17. Lay out the eight Arc Unit #1's, five Arc Unit #2's, four white Shape A and remaining six light blue Shape B as shown.
18. Pin and sew one combined arc unit to one Shape A matching notches and $\frac{1}{4}$ " points. Press seams towards Shape A or in the direction that makes the least bulk at the intersections.
19. Pin and sew another combined arc unit to another side of Shape A starting and stopping at the $\frac{1}{4}$ " marks. Pin and sew edges of square Shape B together raw edge to $\frac{1}{4}$ " point.
20. Continue to add combined arc units and Shape A in this manner to complete the runner.

Quilting & Finishing

1. Layer quilt top with batting and backing.
2. Pin or baste layers together.
3. Model was custom machine quilted.
4. Attach bias binding, mitering the corners.

Stretched Star

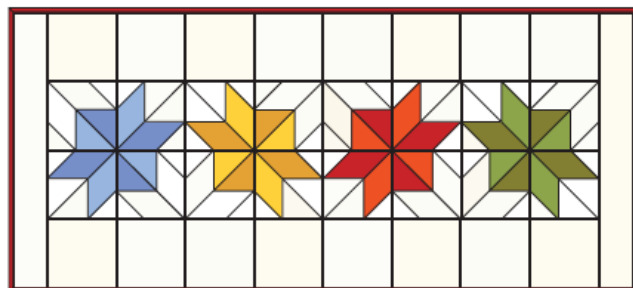

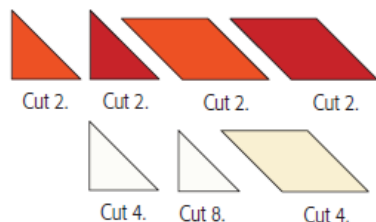

wide table runner

Light and dark tones alternate in this design variation of AccuQuilt's 55453 Le Moyne Star block (9" finished). Construct quarter blocks "Le Moyne Star style", using a variety of whites and off-whites for the block backgrounds.

Quick Cut Guide

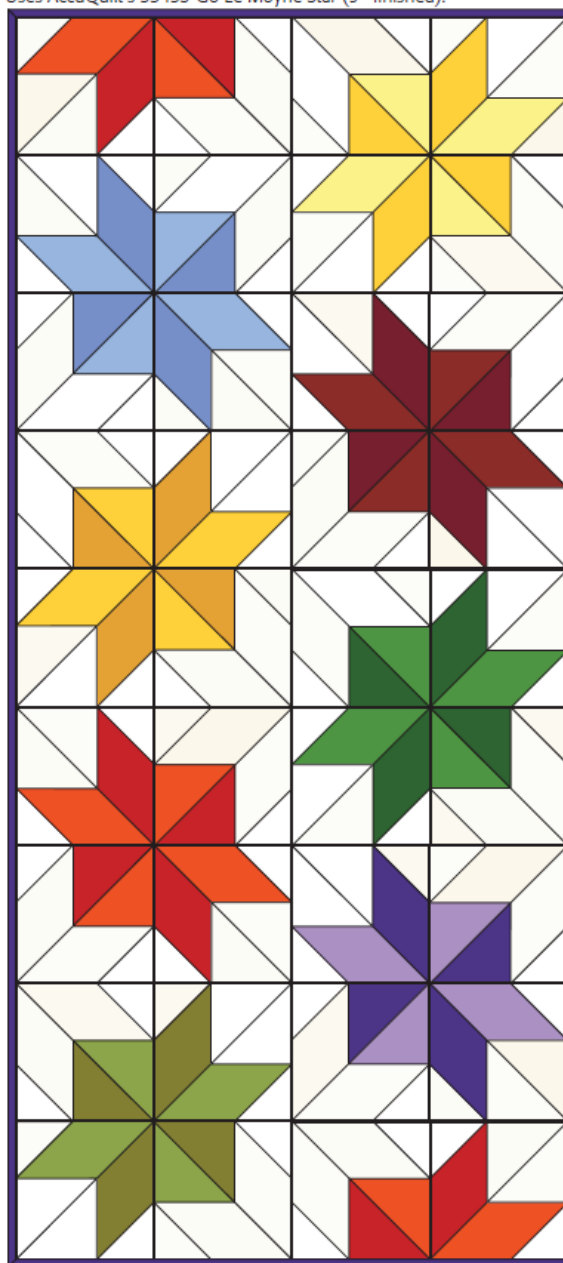

For each star:

Quick-stitch version, above, reduces number of pieced blocks.

Shown in a variety of Timeless Treasures' Soho Solids.
Uses AccuQuilt's 55453 Go Le Moyne Star (9" finished).

Approximately 18 1/2" x 40 1/2"

Great for scraps! Choose 7" x 10" rectangles (one light, one dark) for the color portion of each star block.

Additional Fabrics Needed

- Binding and Backing—7/8 yard
 - Use GO! Strip Cutter-2¼" (1¾" Finished) (55053) for binding. Cut 3—2¼" x WOF strips for binding. Use remaining yardage for backing.
- Batting—24" x 46"

Quick Cut Guide

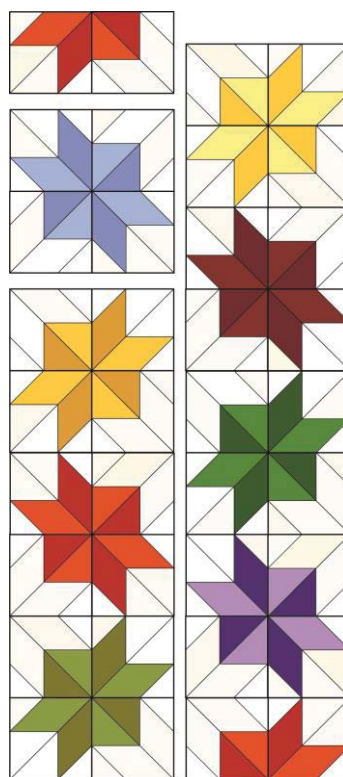

For each star:

Sewing Directions

Note: Press all seams open, unless otherwise indicated.

1. Referring to the Assembly Diagram for color placement, organize the cut pieces for nine Stretched Star blocks. Each block requires two light and two dark color B triangles, two light and two dark color C diamonds, four white, milk, or cream B triangles, four white, milk, or cream C diamonds, and 8 white, milk or cream A triangles.
2. Lay out each block, making sure the edges of the dog-eared corners are facing as shown in Diagram 1.
3. Sew each A Triangle to its corresponding C Diamond as shown in Diagram 2.
4. Align each B Triangle to the edge of the adjacent A/C unit. Start sewing from the outside edge to make the A/B/C units as shown in Diagram 3.
5. Sew two A/B/C units together along the long diagonal edge to complete each quarter unit as shown in Diagram 4.
6. Sew four quarter units together to make one complete Stretched Star block as shown in Diagram 5. Make 8 complete blocks.
7. Sew two quarter units together to make one half-Stretched Star block as shown in Diagram 6. Make 2 half-blocks.
8. Referring to the Assembly Diagram, arrange the 8 blocks and two half blocks into two vertical rows. Sew the blocks in each vertical row together, matching seams, then sew the two rows together.

Quilting & Finishing

1. Layer the batting between the table runner top and backing, with the wrong sides facing the batting. Pin or baste the layers together.
2. Quilt as desired. Trim excess batting and backing even with the quilt top.
3. Sew the binding strips together along the short ends, using either straight or diagonal seams. Press the strip in half lengthwise, with wrong sides together. Stitch the binding to the quilt front, matching raw edges and mitering corners. Fold the binding to the quilt back, encasing the raw edges. Hand stitch the binding to the quilt back.

GO! Bloom Table Runner

Finished Size 18½" x 45½"

Fabrics are Soho Solids
provided by Timeless Treasures

Extra Orange Peel patches add dimension to this table runner made with GO! Orange Peel-4½" (55455) and GO! Square-5" (4½" Finished) (55010).

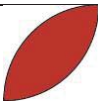

To make, appliqué 20 green and 16 red orange peel shapes onto mixed white and off white squares. Create a background from the appliqué blocks, placing 4 plain white/off white squares in the corners. Make each dimensional petal by placing two orange peel patches right side together, and stitching around the outer edges, leaving a 1½" opening for turning. Turn right side out, stitch the opening closed, and sew the petal in place on the runner, sewing a short seam through the center of the petal.

Options:

- Echo the appliqué background by fusing the dimensional petals together instead of turning, then stitch edges.
- Add extra dimension by adding batting to turned petals.
- Quilt turned and stuffed petals before stitching them to the background.

Additional Fabrics Needed

- Binding and Backing—1 3/8 yard
 - Use GO! Strip Cutter-2 1/4" (1 3/4" Finished) (55053) for binding.
 - Cut 3—2 1/4" x LOF strips for binding.
 - Use remaining yardage for backing.
- Batting—24" x 51"
- Fusible Web—3 yards (based on 17" width)

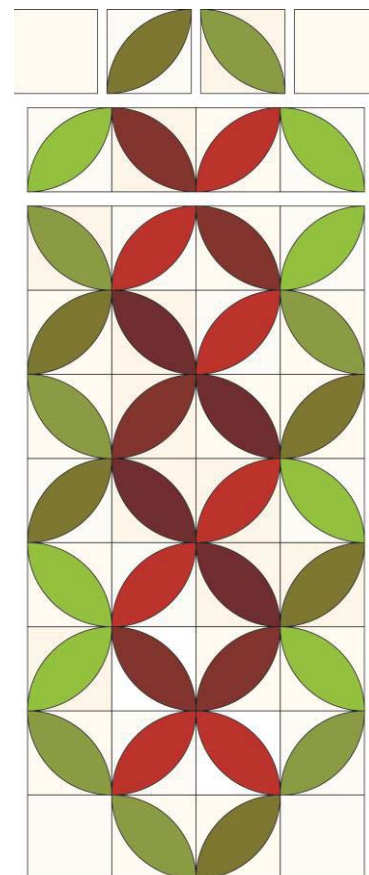

Sewing Directions

Note: Press all seams open and use a 1/4" seam allowance unless otherwise indicated.

1. Place each fusible-backed orange peel shape diagonally on one milk, cream, or white square, with each orange peel point 1/4" from the square's corners. Fuse the orange peel shapes in place according to manufacturer's instructions. Make 20 lime, spring or avocado leaf blocks, and 16 wine, scarlet, or cherry petal blocks.
2. Straight or decorative stitch around the edges of each orange peel shape, securing the fused shapes to the block.
3. Referring to the Bloom Assembly Diagram, arrange the four remaining milk, cream, or white squares and the fused leaf and petal blocks into ten rows of four blocks each.
4. Sew the blocks in each row together along adjacent edges.
5. Sew the rows together, matching seams.
6. To make the dimensional petals, place two of the red, orange, punch, coral or hibiscus orange peel shapes right sides together, matching outer edges. Using a 1/4" seam allowance, stitch around the outer edge of the petal, leaving a 2" opening on one edge for turning as shown in Diagram 1.

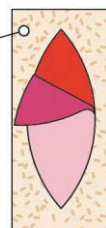

Note: For more dimensional petals, place a layer of batting beneath petals before sewing around the outer edge. Trim excess batting very close to stitching before turning.

7. Trim the seam allowance at each petal point, then turn the petal right side out. Smooth the curved seams and points. Press, tucking the seam allowances inside at the opening. Topstitch around the petal perimeter, close to

the outer edge, or hand stitch the opening closed. Add extra stitching to the petals, if desired. Make 16 dimensional petals.

Quilting & Finishing

1. Layer the batting between the table runner top and backing, with the wrong sides facing the batting. Pin or baste the layers together.
2. Quilt as desired. Trim excess batting and backing even with the quilt top.
3. Sew the binding strips together along the short ends, using either straight or diagonal seams. Press the strip in half lengthwise, with wrong sides together. Stitch the binding to the quilt front, matching raw edges and mitering corners. Fold the binding to the quilt back, encasing the raw edges. Handstitch the binding to the quilt back.
4. Position the dimensional petals on the table runner, aligning the points of the dimensional petals with the seams between the runner's petal blocks, as shown in Diagram 2. Hand or machine stitch one end of each dimensional petal to the runner to secure the petals in place.
