3cm hem

The diagram shows a rectangular piece of fabric. At the top, there is a horizontal line with a small vertical tick mark on the left side, labeled "3cm hem". Below this, there are three parallel lines: a black line, a red line, and a blue line, all running horizontally. These lines are positioned at the top of the fabric piece, with the black line being the innermost and the blue line being the outermost. The lines extend across the width of the fabric and then turn vertically down the left side.
