- 50cm medium-weight interfacing
- 16" concealed zip
- fabric marker
- free template from www.sewnowmag.co.uk

FABRIC TYPES:

Lightweight cotton, Tana lawn, chambray, linen, shirting

NOTES:

Use a 1cm seam allowance throughout

HOW TO MAKE:

1 Iron on interfacing to WRONG side of facing pieces and RST join the front and back neck facings at the shoulders. Press seams open and zigzag or overlock bottom edge of facings. (See Pic A.)

2 Sew a line of gathering stitches along sleeve head curve between the notches and pull threads to gather sleeve until it will fit the armhole. (See Pic B.)

3 Sew darts in on the wrong side of the dress front and press upwards. (See Pic C.)

4 RST join front and back bodices together at the shoulder seams. (See Pic D.)

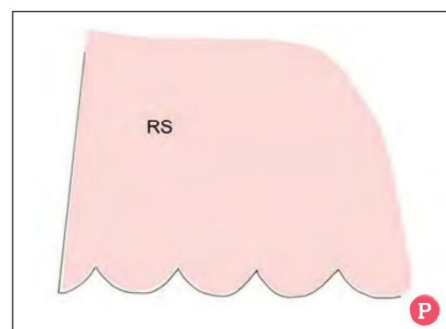

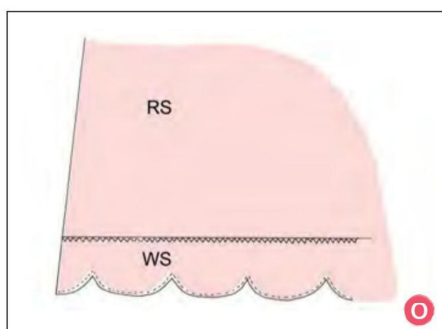

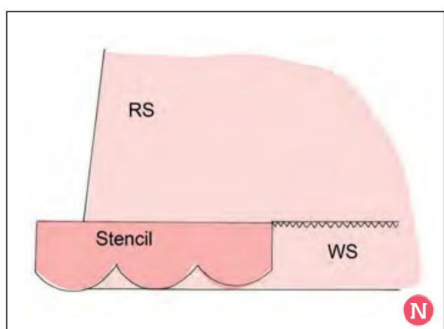

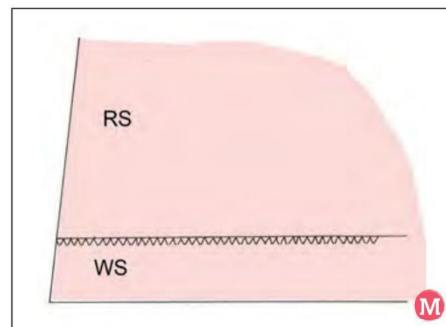

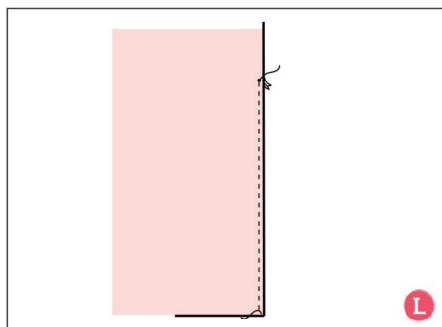

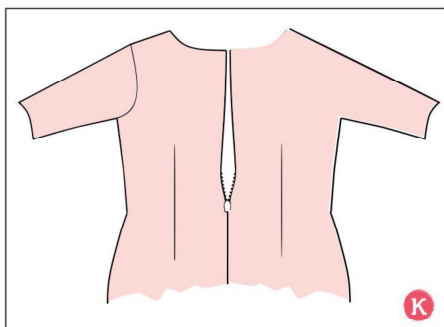

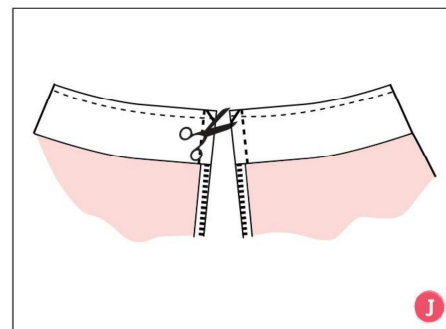

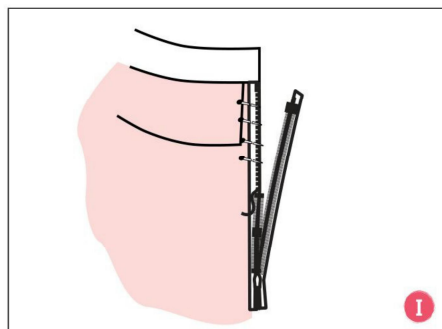

5 Press seams open. (See Pic E.)

6 Align and pin neck facing in place RST with the front and back bodice. Stitch slowly using a 1cm seam allowance and take pins out as you sew. (See Pic F.)

7 Trim seams and notch around curves. (See Pic G.)

8 Turn facing through to the inside of the bodice and press flat. (See Pic H.)

Use your handy template to add a scalloped edge to any top or dress

9 Flip facing up and, on the right side of the bodice, pin the zip in place RST. Use the zipper foot on your machine and sew a line of basting stitches along the zip tape removing pins as you sew. Now sew a line of stitches as close to the zip teeth as possible as far down as your foot will allow. Repeat on the other side. **(See Pic I.)**

10 Fold the facing over the top of the zip so that the facing is RST with the back bodice. Keep the zip foot on and stitch along the side of the zip tape through the facing and the bodice, but not through the collar. Snip the top corners. **(See Pic J.)**

11 Turn facing through back to the inside of the dress and press flat. **(See Pic K.)**

12 Turn the dress RST and, from the last stitch you made on

the zip, sew down to the beginning of the split. Open out the CB seam and press. **(See Pic L.)**

13 Neaten the raw edge of the hem. Press hem allowance to the RS. **(See Pic M.)**

14 Use the scallop hem stencil and a fabric pen to mark the scallops at the hem. (You may want to paste your stencil onto card to make this easier. Remember to make your scallops even. **(See Pic N.)**

15 Stitch over the scallop marks you have made with the fabric pen. Trim close to the stitching between each scallop. **(See Pic O.)**

16 Turn each scallop carefully and press into position. Gentle rolling between wet fingertips will help to get each scallop pressed evenly. **(See Pic P.)** If necessary, stitch down the top of the hem facing with a single row of stitching.

17 Now turn up skirt hem, press and stitch. Repeat for sleeve hems. **+**
