

Snohomish Cooperative Preschool Baby Doll Diaper Sewing Pattern

Snohomish Cooperative Preschool Baby Doll Diaper Sewing Pattern

Supplies

Less than one fat quarter of quilting cotton or cotton flannel

Similar amount of cotton batting

Several inches of 1/2" wide sew-on hook and loop fastener

Thread

Tips

Prewash and dry fabrics

Avoid hook and loop with adhesive backing as these will be laundered often

Instructions

1. Print pattern.
2. Cut out one outer piece, one lining piece and one batting piece.
3. Sandwich outer and lining right sides together, and batting to wrong side of outer piece.
4. Pin and sew with 1/4" seam allowance, starting and stopping at dots to leave opening to turn.
5. Trim seams as necessary and clips curves.
6. Turn diaper right-side out, slipstitch opening closed.
7. Edgestitch 1/4" around entire diaper.
8. Cut one (approximately) 3 3/4" strip of fuzzy Velcro (the loop side). Apply to outside front of diaper, centering and aligning top edge of Velcro to previous edgestitching. Stitch Velcro to diaper, sewing down all four edges.
9. Cut two pieces of (approximately) 1 1/4" rough Velcro (the hook side). Apply to inside back tabs of diaper, sewing down all four edges.
10. Dress your baby.
