Детали бокового кармана из ткани верха брюк

rudenko-anna.ru

Technical drawing of a pocket pattern piece. The pattern is a trapezoid with a curved bottom edge. It features a central rectangular pocket opening. The pattern is divided into three distinct sections by dashed lines: a top section, a central pocket section, and a bottom section. The bottom section is wider than the top and pocket sections. The text labels are positioned in the center of the pattern, identifying the different fabric layers: mesh fabric (top), pocket (middle), and lining fabric (bottom). The pattern includes several construction lines: a vertical line at the top center, a vertical line on the left side, and a horizontal line at the bottom left corner. There are also small tick marks and a small 'A' symbol at the top center.
