Crushed Velvet Dress

A crushed velvet dress is all the rage this fall. This style usually means dressing in layers. Stockings, light coats, long vests, short dresses worn as coats --the possibilities are endless. The short dress for autumn is an essential piece of clothing that can take us from morning to night time. It is easy to add to if the temperature drops and easy to wear during the warm hours of the day.

Autumn and Spring really is when Northern and Southern hemispheres actually have similar temperatures so this should work for everyone. This particular dress is one of my favorites because of the flexibility that it provides --worn with high boots, stocking and ankle boots, over skinny jeans, legging or just a scarf. It is the perfect piece of clothing for your wardrobe. Layer it any way you want and you'll have a super outfit.

This dress is incredibly easy to make. I hope it will make a great addition to your fall or spring wardrobe.

Your pattern pieces come at the end of these instructions. For accurate printing, please make sure you are using the latest version of Adobe Reader. You can [download the latest version here](#) if you need to.

Select File → Print and the print dialogue box opens. Under Page Sizing and Handling, select ACTUAL SIZE . Check the preview in the right hand side illustration. Select the page numbers you want to print. You can print the whole document, or just the pattern pieces.

On the edge of the top left page is a box you can use to test your printing. This box should measure 2 inches square. If yours is wildly different you will need to check your printer options to make sure the pages are not being resized.

Use the grey guides on the overlap of the sheets to match up the pattern pieces, folding under or cutting off any overlaps, tape together and cut out your pattern pieces.

Also note that you will need to cut two straps at 4 inches by 22 inches, for which no pattern piece is supplied – it's just a rectangle! You can draw the straps on
