MATERIALS & TOOLS:

- 1.4m 115cm-wide or 1.15m 150cm-wide lightweight woven fabric like cotton lawn or viscose
- 80cm 6mm elastic for arms
- 80cm 6mm elastic for neckline
- templates downloaded from www.lovesewingmag.co.uk

NOTES:

Use a 1.5cm seam allowance throughout
Mark your back bodice with a small piece of masking tape to avoid getting the pieces mixed up

HOW TO MAKE:

- 1 Pin and stitch the front to the back at the sides, stopping stitching at the dot. Press the seams open.
- 2 Stitch the sleeve underarm seams. (See Pic A.)
- 3 With RST, pin the sleeve into the armhole, matching notches and seams. Stitch. Trim the seam and press towards the sleeve. (See Pic B.)
- 4 To make the neck casing for the elastic, turn 1.5cm to

the inside on the top edge. Turn under 6mm on the raw edge. Press. Stitch and leave an opening to insert the elastic. (See Pic C.)

- 5 Cut a piece of elastic using the guide. Attach the elastic to a safety pin and insert through the casing.
- 6 Lap the ends and stitch together. Stitch the opening closed.
- 7 Make the casing at the bottom of the sleeves in the same way.

- 8 Cut two pieces of elastic the measurement of your upper arm plus 1.5cm.
- 9 Insert the elastic in the same way as for the neckline and finish in the same way.
- 10 Finish the lower edge with a 1.5cm narrow hem. Turn up 1.5cm, press, open out and turn in the raw edge to meet the crease. Turn up, pin and stitch. (See Pic D.)
- 11 Finish the side openings in the same way.
