A diagram illustrating the relationship between different seam allowance measurements. It shows a cross-section of a seam with a 3/8 inch allowance. The diagram labels the following components from top to bottom: XYS (the top layer), SXX (the middle layer), S (the seam allowance), and L (the bottom layer). The text '3/8 IN. SEAM ALLOWANCE' is written across the middle section. The diagram also shows the relationship between these layers: XYS is above SXX, SXX is above S, and S is above L. The diagram is labeled with 'XYS', 'SXX', 'S', and 'L' at various points, and a '3/8 IN. SEAM ALLOWANCE' label.
