The diagram consists of a large, irregular, closed curve on the left side. To the right of this curve is a rectangular area. The text 'КАРМАН 1' is centered within the rectangular area. Above the curve, there is a series of overlapping lines in black, red, green, and blue, which appear to be a boundary or a path. A vertical line segment is located on the right side of the rectangular area, extending from the top to the bottom. The entire diagram is enclosed within a thin black border.
