A diagram showing a curved line within a rectangular frame. The line starts at the top right corner, curves downwards and to the left, then curves back up and to the right, ending near the bottom right corner. Three points on the line are marked with arrows and ratios: an upward arrow at the top center labeled '3:3', a leftward arrow on the left side labeled '4:2', and a rightward arrow on the right side labeled '4:4'. A faint watermark is visible across the center of the diagram.
