PREPARING PATTERN

Indicates the Bustline, Waistline and/or Biceps. Measurements refer to circumference of Finished Garment (Body Measurement + Wearing Ease + Design Ease). Adjust pattern if necessary.

Lengthen or Shorten at adjustment lines () or where indicated on pattern. If substantial length is added, you may need to purchase additional fabric.

- To Lengthen - Slash between adjustment lines. Spread amount as needed, keeping edges parallel.
- To Shorten - Crease along adjustment line. Make a fold half the amount needed.

Transfer all tissue markings to fabric before removing pattern. Markings needed on right side of fabric should be thread traced.

Seamlines - 5/8" (15mm) from cut edge unless otherwise indicated. 

Button Marking - Indicates button placement. 

Buttonhole Marking - Indicates exact length and placement of buttonholes. 

Symbols - For matching seams and construction details. 

Centers, Foldlines, Placement lines, etc., are clearly marked; thread trace if desired.

PREPARATION DU PATRON

Indique: pointe de poitrine, lignes de taille, de hanches et/ou avant-bras. Ces mesures sont basees sur la circonference du vetement fini (Mesures du corps + Aisance confort + Aisance mode). Ajuster le patron si necessaire.

Rallonger ou raccourcir aux lignes de rectification () ou a l'endroit indique sur le patron. Si le rallongement est important, un excès de tissu peut s'avérer necessaire.

- Rallonger - Couper entre les lignes de rectification. Espacer les bords (parallement) pour obtenir la longueur desiree.
- Raccourcir - Former un pli a une des lignes de rectification. Exemple: pli de 1cm pour raccourcir de 2cm.

Reporter tous les reperes sur l'envers du tissu avant d'enlever le patron. Les reperes a reporter

Row C, Column 11

McCalls 6914 Size:6-8 Part:1 www.printsew.com

sur l'endroit seront marques au fil.

Reperes de couture - a 15mm des

Repere-bouton - indique emplacement exact.

Repere-boutonniere - indique frandeur et emplacement.

Reperes - utilises pour faire correspondre coutures et details de construction.

Lignes des pliures, emplacements, et milieux, sont imprimees clairement; si desire, les marquer au fil.
