2

Draw a new contour line, beginning at the bust of the larger size and tapering into the hip contour of the smaller size. From this point, follow the contour line of the smaller size.

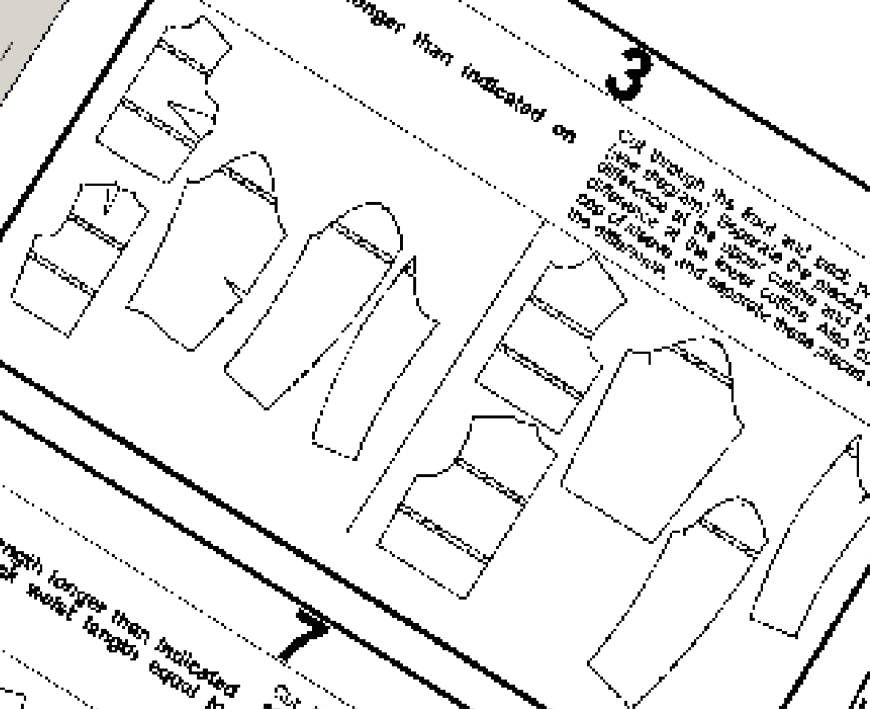

larger size - hip equal to

Waist length longer than indicated on table

3

Cut through the front and back pattern 2, grade the diagram. Separate the pieces by 1/4" of the difference at the upper cutting and by 2/8" of the difference at the lower cutting. Also cut through the side pieces and separate these pieces by 1/4" of the difference.

7

Front waist length longer than indicated on table - back waist length equal to

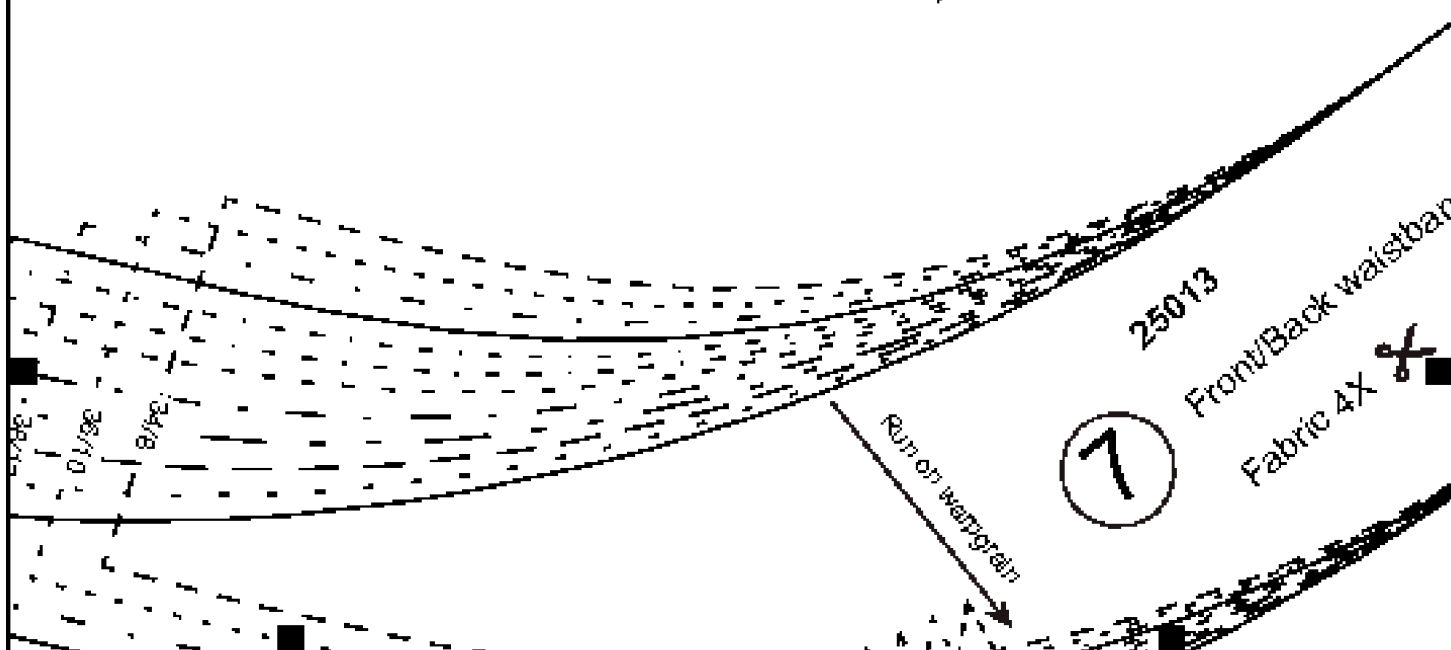

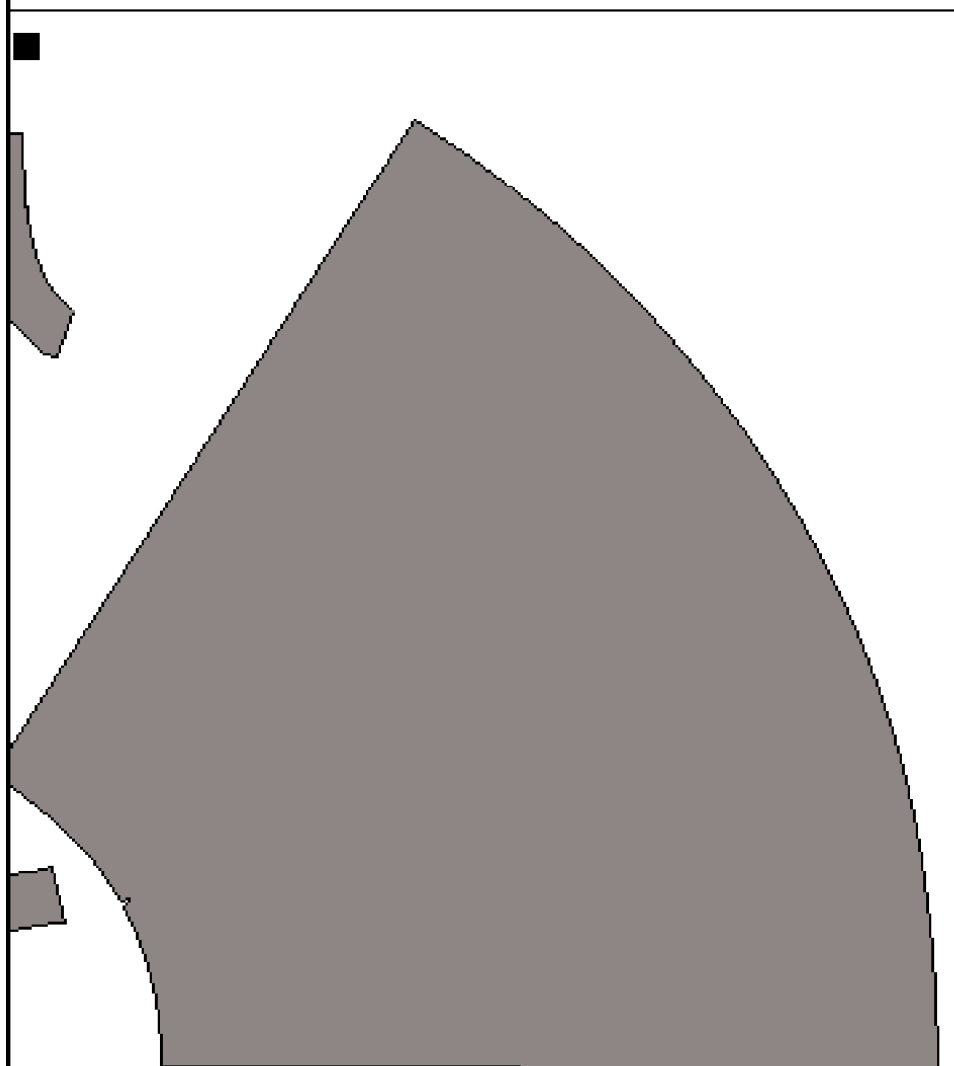

Cut through the front piece at the bust, 1/4" separating the pieces by the difference between your measurement and that of our table. The back piece is unchanged, while the armhole and the side pieces remain the same in size.

A pattern piecewise from the shoulder and through the waist, separate the pieces by 1/4" of the difference between your measurement and that of our table. The back piece is unchanged, while the armhole and the side pieces remain the same in size.
