An abstract geometric drawing on a white page. It features several black lines of varying thicknesses. On the left, two parallel lines slant downwards from top to bottom. To their right, another pair of parallel lines also slants downwards. Further right, a single line slants downwards, and then a thick line forms a large, irregular shape that extends towards the right edge. This shape has a horizontal segment at the top and a horizontal segment at the bottom. Two small grey dots are located on the right edge of the page, one near the top and one near the bottom, each with a short line segment extending from it towards the center of the page.

The image is a technical drawing or schematic of a page layout. It features several lines and shapes: a vertical dashed line near the top right; a horizontal line with a small circle and a line segment above it; a curved line across the top; a curved line across the middle; a thick black line forming a frame on the left side; a thick black line forming a frame at the bottom right; and a small 'H' shape at the bottom left. The text 'page 3 / 2' is centered in the middle of the page.

page 3 / 2

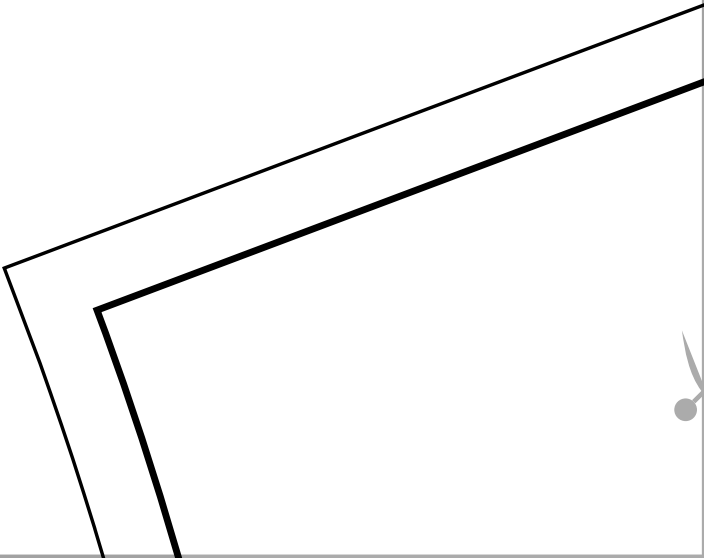

page 3 / 3

The image shows a technical drawing of a garment pattern piece, likely a skirt or a wide-leg pant. It features several lines: a solid outer line, a solid inner line, and a dashed line. There are notches at the top corners and a small circle at the bottom right corner. The word 'GRAIN' is written vertically near the bottom right corner.

This is a technical drawing of a mechanical part, likely a mold or a bracket. It features a central vertical slot that is wider at the top and tapers slightly towards the bottom. The top of the part has a curved, semi-circular profile. The bottom of the part is a flat horizontal base. The drawing is rendered in black lines on a white background. There are two small circular features, possibly holes or mounting points, located on the right side of the part. The text 'page 4 / 2' is centered in the middle of the drawing.
