This technical drawing shows a mechanical part with a curved profile on the left and a vertical section line on the right. The part is defined by a thick black outline. A curved line starts from the top left, curves downwards and to the right, and then continues as a vertical line. A horizontal line segment is attached to the top of the vertical line. A diagonal line runs from the top right towards the bottom right. A small 'H' symbol is located near the top left of the curved line, and another 'H' symbol is located near the bottom of the vertical line. The text 'page 2 / 2' is centered in the middle of the drawing.

A technical drawing of a garment pattern piece, likely a skirt or trousers, shown in a flat-lay view. The pattern is defined by several lines: a thick black line for the outer edge, a thinner black line for the inner edge, and a dashed line for a center fold or seam. The right side of the pattern features a curved hemline and a small notch at the top right corner. A small circle is located near the top right corner, and a small 'H' mark is visible near the bottom right corner. The text 'page 2 / 4' is centered on the page.
