The diagram consists of several nested, irregular shapes defined by different line styles: solid, dashed, and dotted. A large shape on the left is defined by a solid outer boundary and several inner boundaries in dashed and dotted styles. A long, narrow shape extends from the top center towards the right, also defined by multiple nested lines. On the right side, there is a smaller, more complex shape with multiple nested boundaries. The central area is mostly empty, containing only the text 'C4'.
