Cutting

(1) Skirt Piece

(1) waist size"+2" length 1 1/2" wide elastic band

Make the skirt

Picture 1

Draw the patterns directly onto the wrong side of the fabric following the cutting layout. Cut out the skirt panels. Then overlock all seams.*

Picture 2

Running stitch along the gather line of the skirt. Pull the thread between the gather line; pull until the skirt piece is the same length as the waist.

Picture 3

Overlap the ends of the elastic band together and stitch in a box shape 1" in.

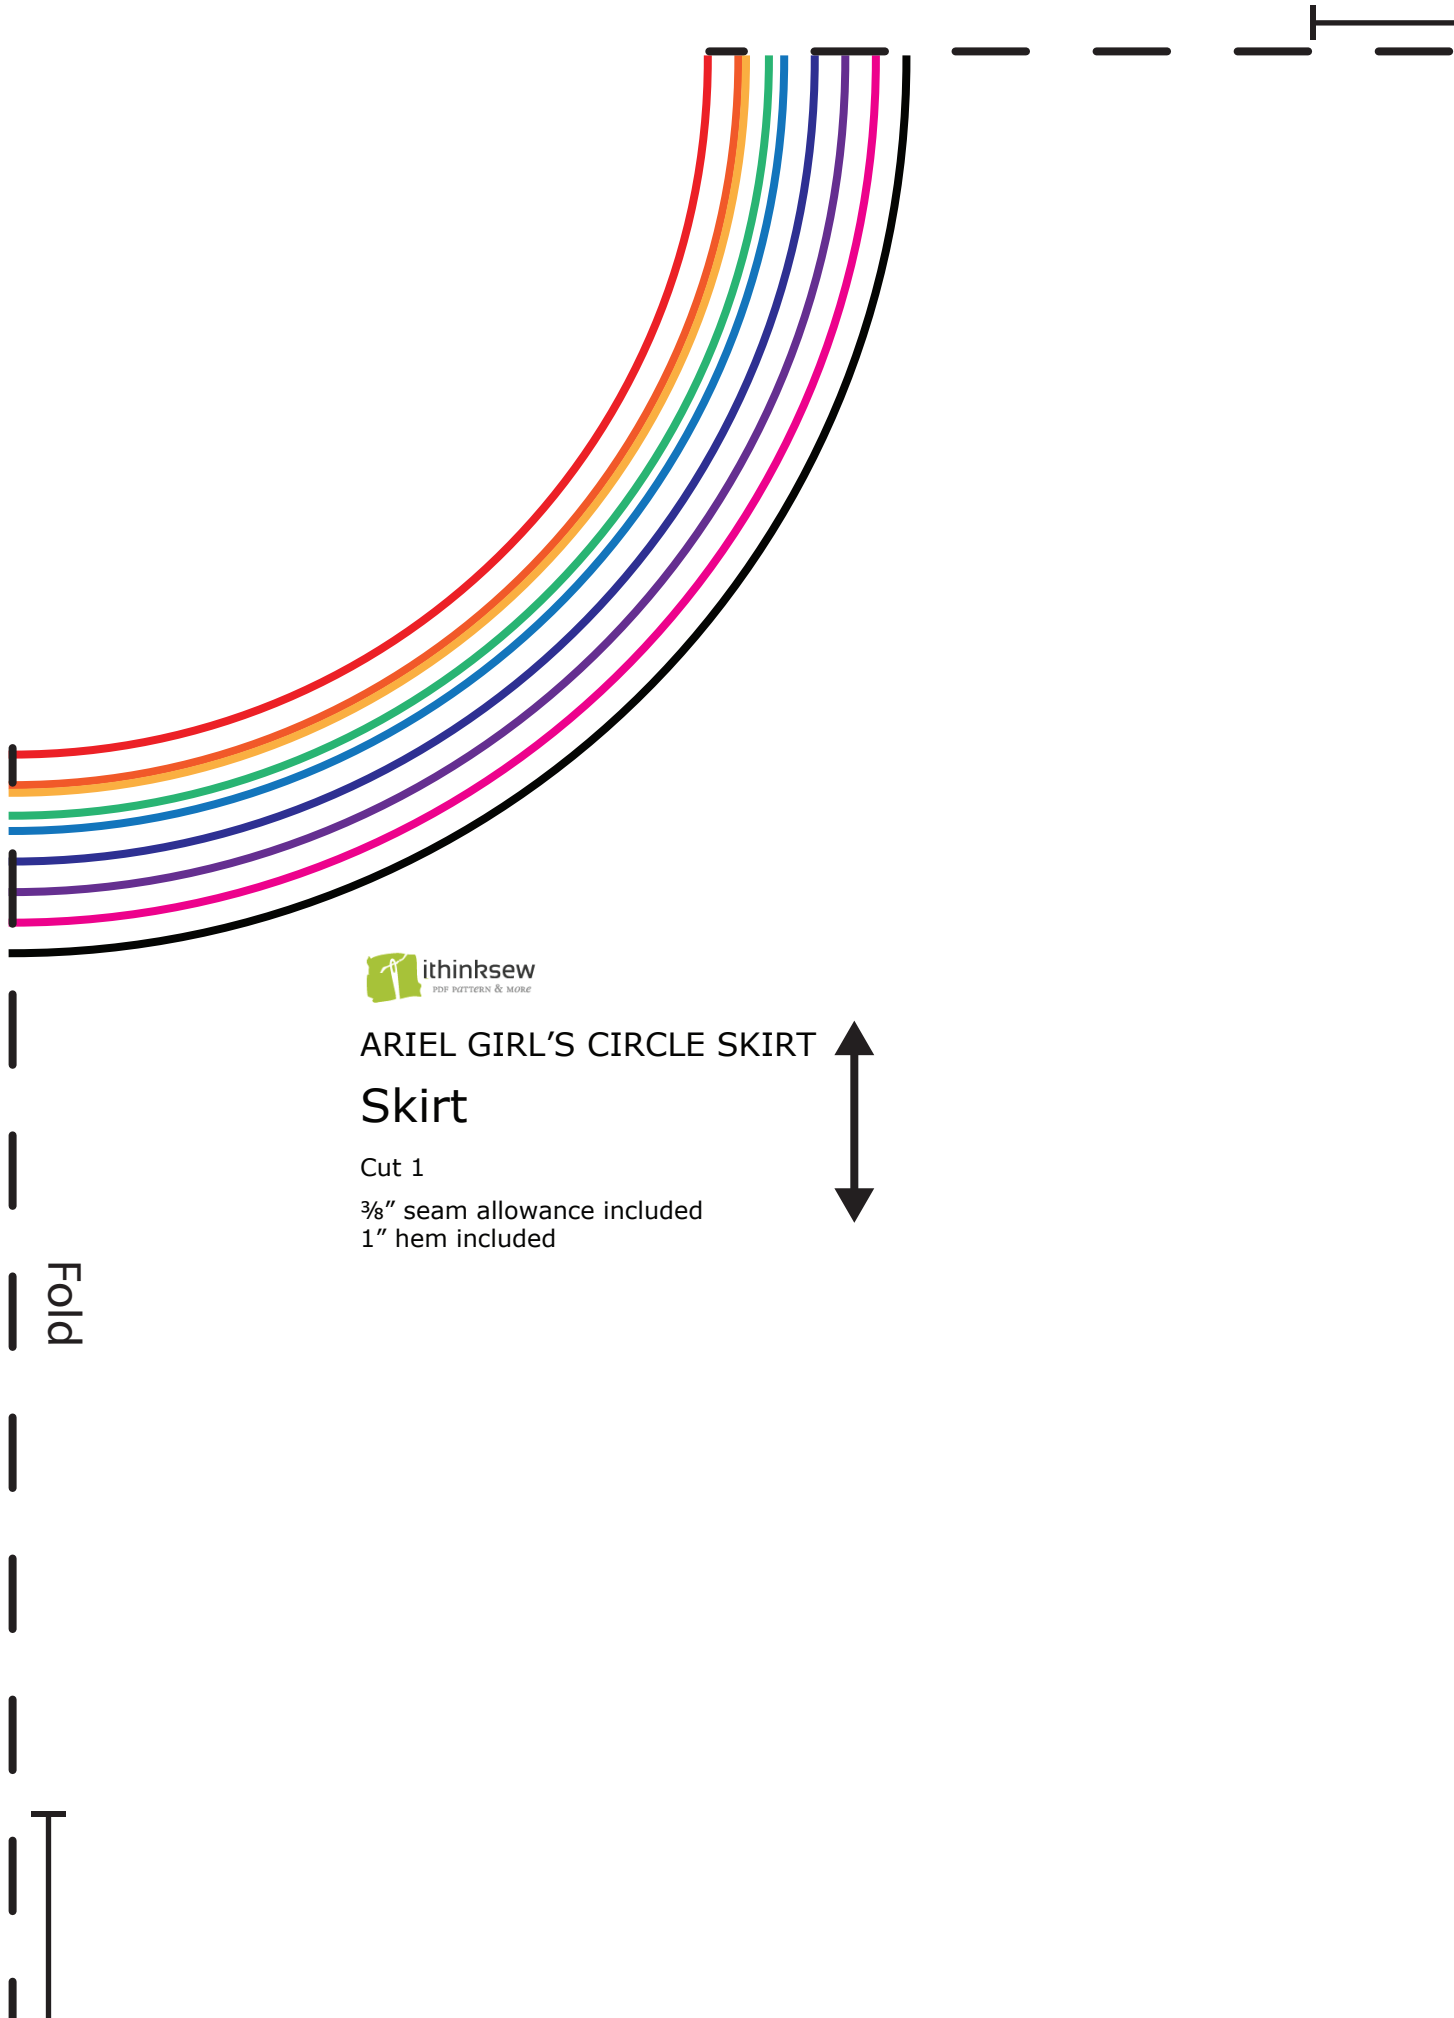

Picture 4

Sew the elastic band all around onto the skirt. Stretch the elastic between the pins so the skirt "gathers" naturally to the elastic.

Picture 5

Fold the leg hem 1/2" with wrong sides facing and press. Stitch the hem close to the folded hem edge. Stitch all the way around the skirt.
