

Cardigan Pattern for Many Occasions: Proteus

Proteus?eye roll here... what is she thinking?... Well, exactly what the title says. This is the cardigan pattern for many occasions. One pattern and many ways to use it.

I don't know about you but I need clothes that I can convert into many outfits. The same goes with the patterns. One pattern that I can alter to make many outfits, especially now with Halloween and the rest of the seasonal holidays just around the corner. There are plays, Thanksgiving meals, Christmas parties, birthdays, work meetings, all which will probably require slightly different dress. There are not enough hours in the day to accomplish all the things I need to get done. Including the million ideas I have for all the fabric, I have collected.

I know the name of the pattern, Proteus, sounds a bit "manly", but allow me to explain.

According to Greek mythology, Proteus was a sea god that could foretell the future, but would only do so for those that were strong enough. Proteus would change shape to avoid doing so and engage only with the deserving ones. He was often described as the god of "elusive sea change".

Like Proteus, this cardigan is versatile, adaptable and flexible.

To print your PDF pattern

Your pattern pieces come at the end of these instructions. For accurate printing, please make sure you are using the latest version of Adobe Reader. You can [download the latest version here](#) if you need to.

Select File → Print and the print dialogue box opens. Under Page Sizing and Handling, select ACTUAL SIZE . Check the preview in the right hand side illustration. Select the page numbers you want to print. You can print the whole document, or just the pattern pieces.

On the edge of the top left page is a box you can use to test your printing. This box should measure 2 inches square. If yours is wildly different you will need to check your printer options to make sure the pages are not being resized.

Use the grey guides on the overlap of the sheets to match up the pattern pieces, folding under or cutting off any overlaps, tape together and cut out your pattern pieces.

Help printing and assembling your pattern

You can find helpful tutorials on how to download, print and assemble PDF sewing patterns here:

A technical diagram of a sleeve pattern. It features four curved lines: a solid black outer line, a dashed purple line, a solid blue line, and a dashed orange line. The lines are labeled with horizontal tick marks and corresponding colors (purple, blue, orange). A large grey number '5' is positioned to the left of the purple line. A horizontal line crosses the pattern, and a vertical line is on the right side. The text 'Sleeve', 'So-Sew-Easy.com', 'Cut two', and 'рукав, 2 дет' are also present.

A series of four parallel, slightly curved lines on the left side of the page. From left to right, they are: a solid black line, a dashed purple line, a solid blue line, and a dashed orange line.

7

https://vk.com/sew_room

A solid black line curves from the bottom left towards the right. In the bottom right corner, there is a dashed orange line and a grey circular shape.

8

The background features several wavy, parallel lines in black, blue, orange, and purple. A large, light gray number '9' is centered on the page. The corners are decorated with gray circular shapes.

9

10

11

The background features several abstract geometric lines. A thick black line runs diagonally from the top left towards the bottom right. A solid blue line runs parallel to it, slightly above. A dashed orange line runs parallel to the blue line, further up. A dashed purple line runs parallel to the orange line, further up. In the bottom right corner, there is a small section of a black line, a solid blue line, and a dashed purple line, mirroring the pattern in the top right. A large, faint grey number '13' is centered in the middle of the page.

13

14

The background features several diagonal lines in black, blue, magenta, and orange, some solid and some dashed. Large gray circles are positioned at the corners of the frame.

15

https://vk.com/sew_room

A solid black line curves from the bottom left towards the top right. A dashed red line runs parallel to it, slightly above. In the top left corner, a blue line and a grey circle are partially visible. In the top right corner, a grey circle is partially visible. In the bottom left corner, a grey circle is partially visible. In the bottom right corner, a grey circle is partially visible.

16

Do not attempt this project unless you have worked successfully with knits. This pattern is part of a sew along. The instructions to sew this garment are on our website accompanied by the video tutorial and the instructions on how to grade this garment to your measurements.
