Technical drawing of a U-shaped structure, likely a mold or container, shown in a perspective view. The drawing is overlaid on a grid. Key dimensions and ratios are indicated:

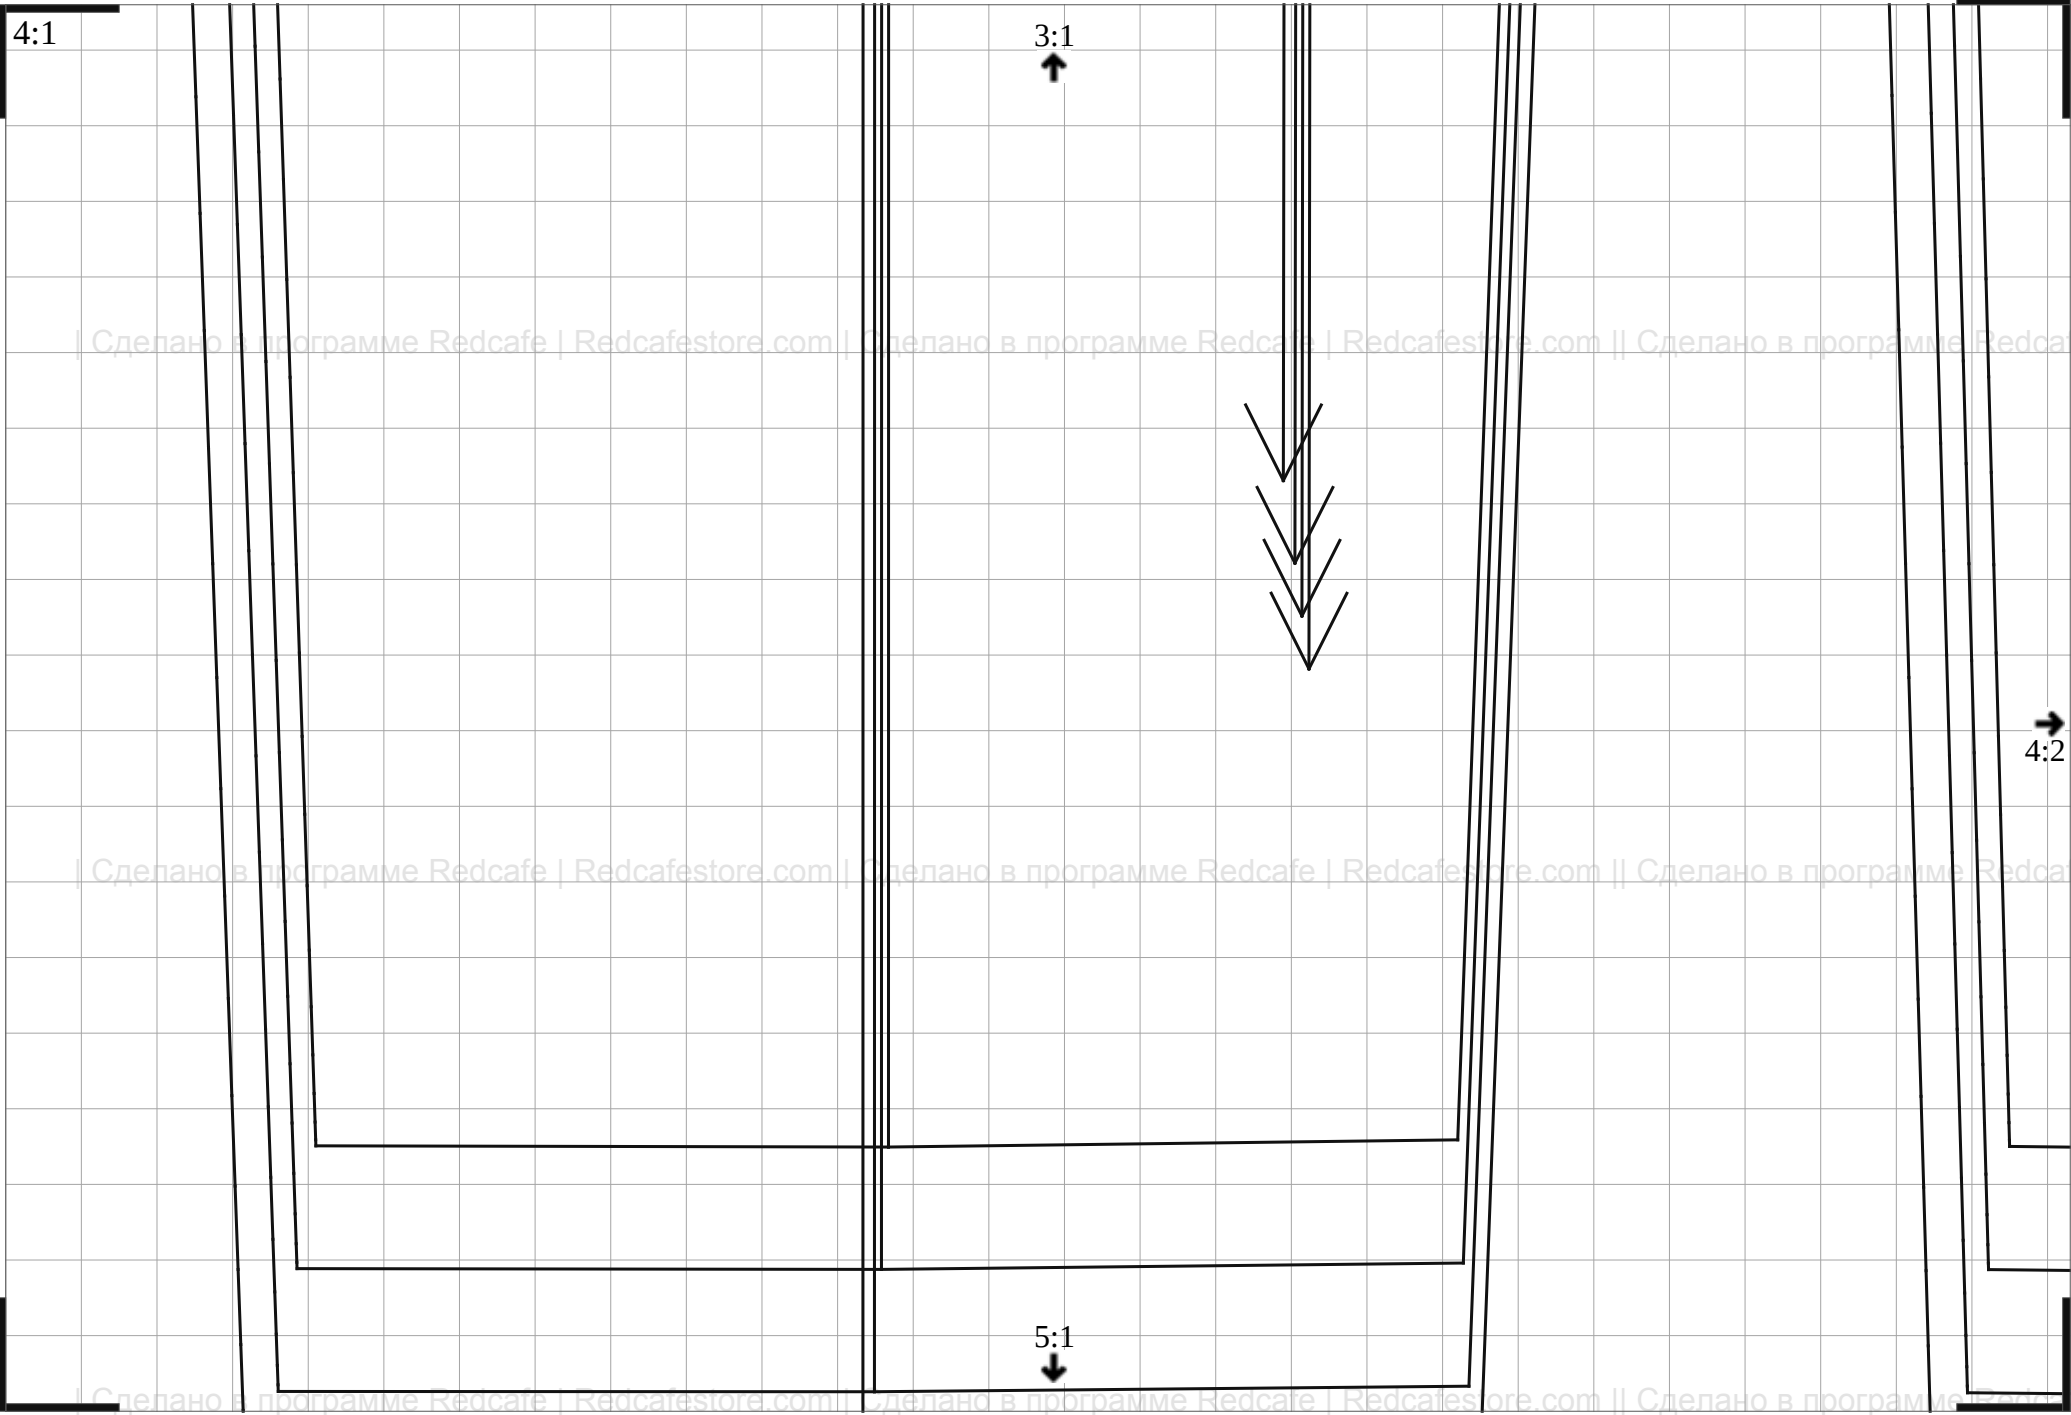

- Top Left:** Ratio $4:1$.
- Top Center:** Ratio $3:1$ with an upward arrow.
- Bottom Center:** Ratio $5:1$ with a downward arrow.
- Right Side:** Ratio $4:2$ with a rightward arrow.

The structure consists of a central rectangular body with a U-shaped cutout at the top. The drawing includes multiple parallel lines to represent the thickness of the walls and the depth of the cutout. A watermark "Сделано в программе Redcafe | Redcafe.store.com" is visible across the image.

Technical drawing of a U-shaped structure, likely a mold or container, shown in a perspective view. The drawing is overlaid on a grid. Key dimensions and ratios are indicated:

- Top Left:** Ratio 4:1.
- Top Center:** Ratio 3:1 with an upward arrow.
- Bottom Center:** Ratio 5:1 with a downward arrow.
- Right Side:** Ratio 4:2 with a rightward arrow.

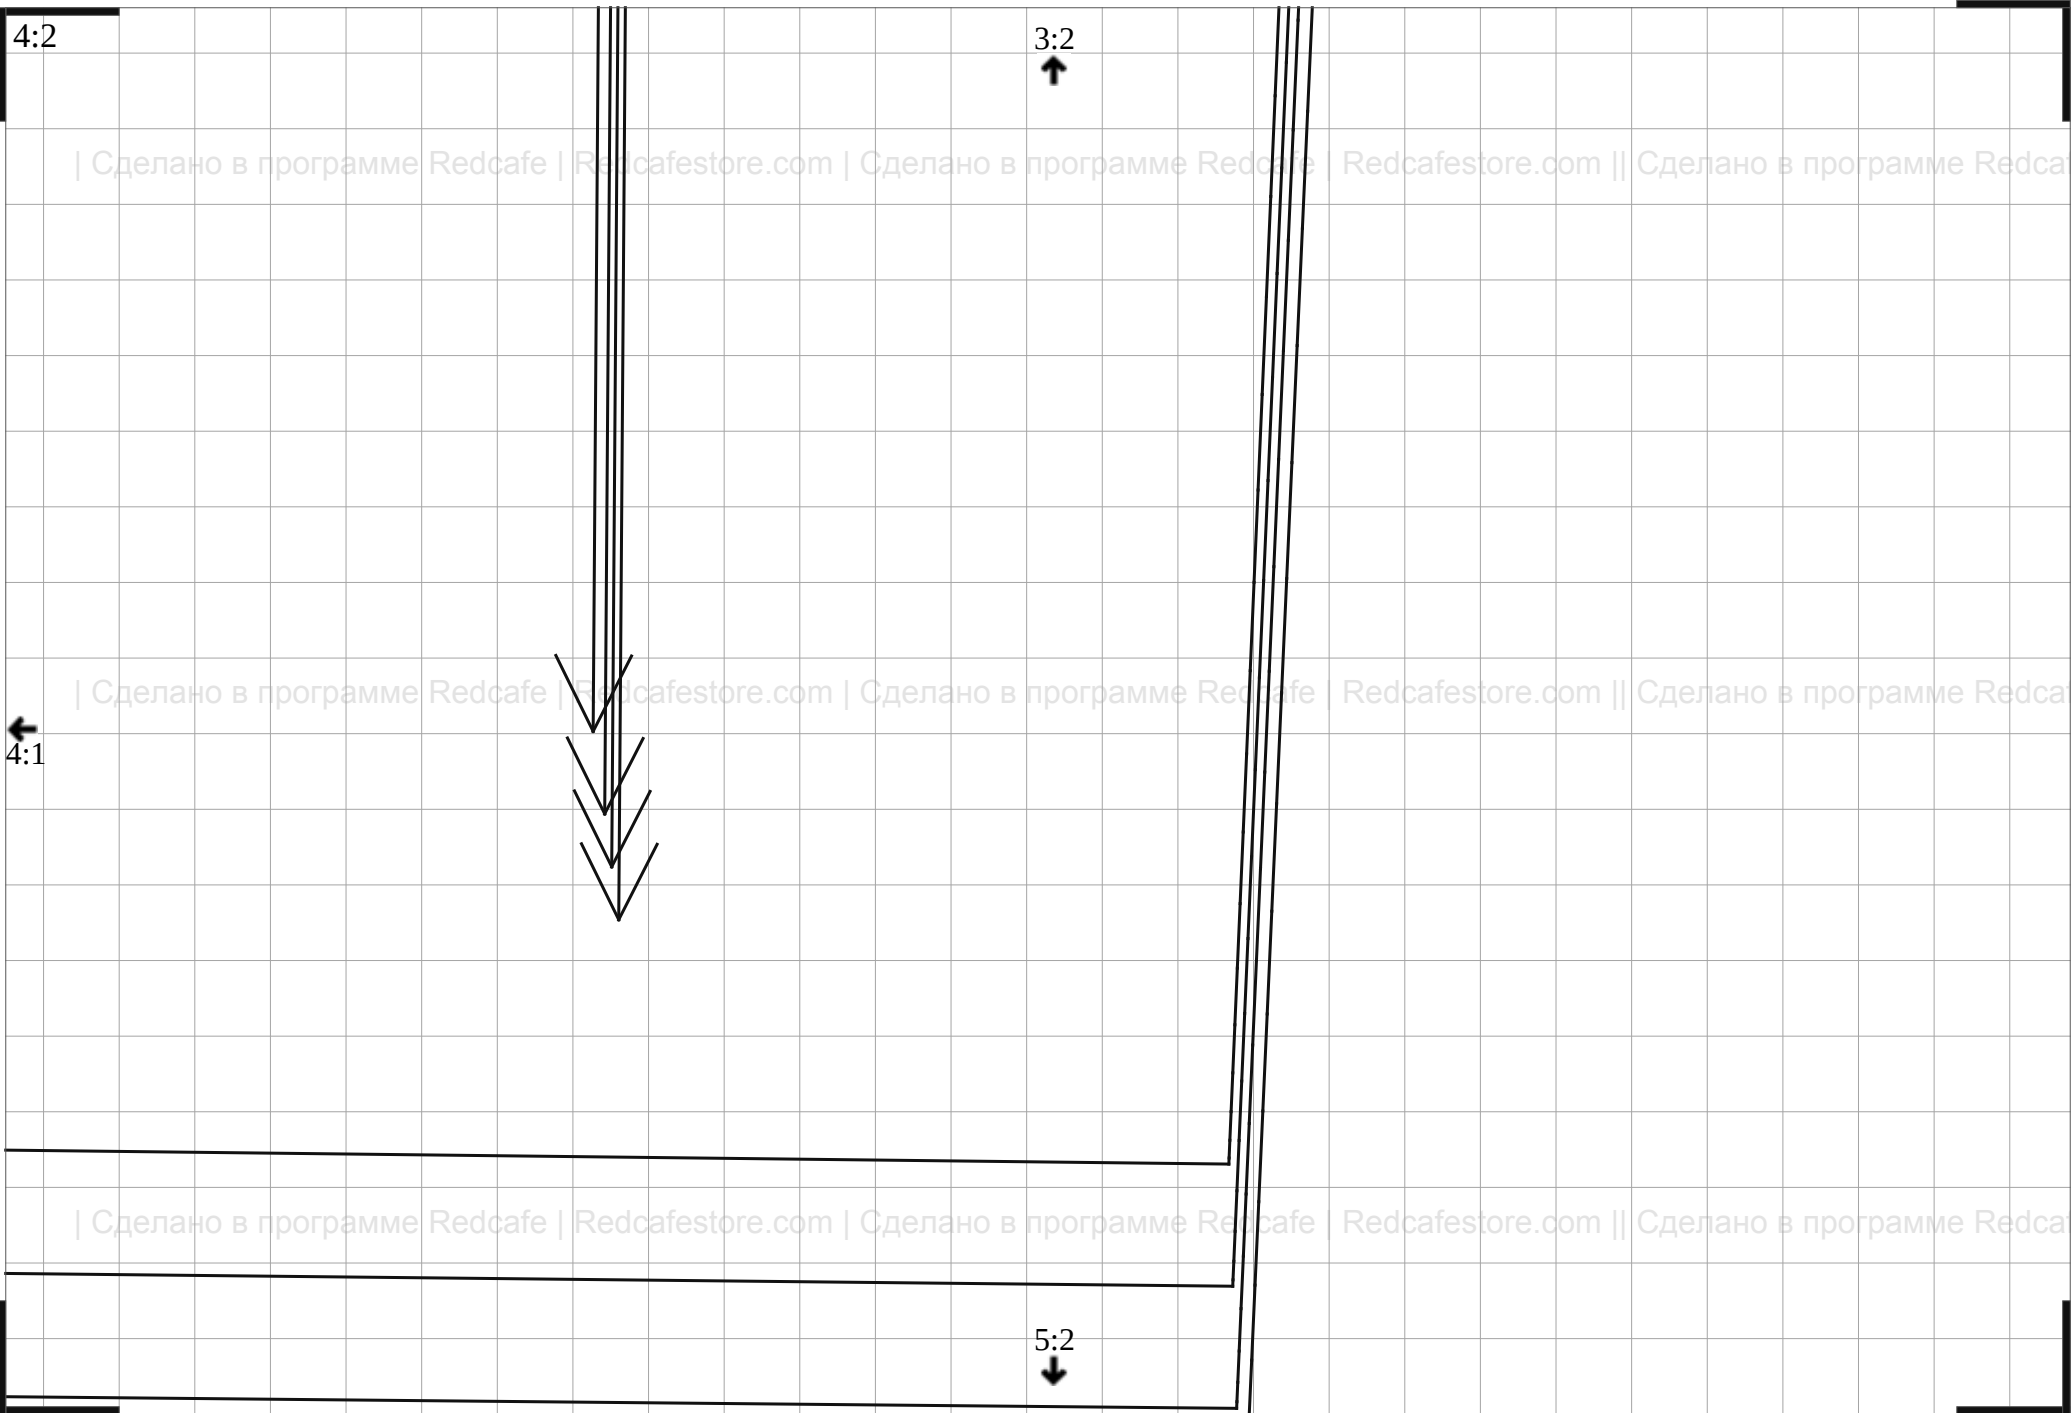

The structure consists of a central rectangular body with a U-shaped cutout on the right side. The drawing includes multiple parallel lines to represent the thickness of the walls and the depth of the structure. A watermark "Сделано в программе Redcafe | Redcafe.store.com" is visible across the image.

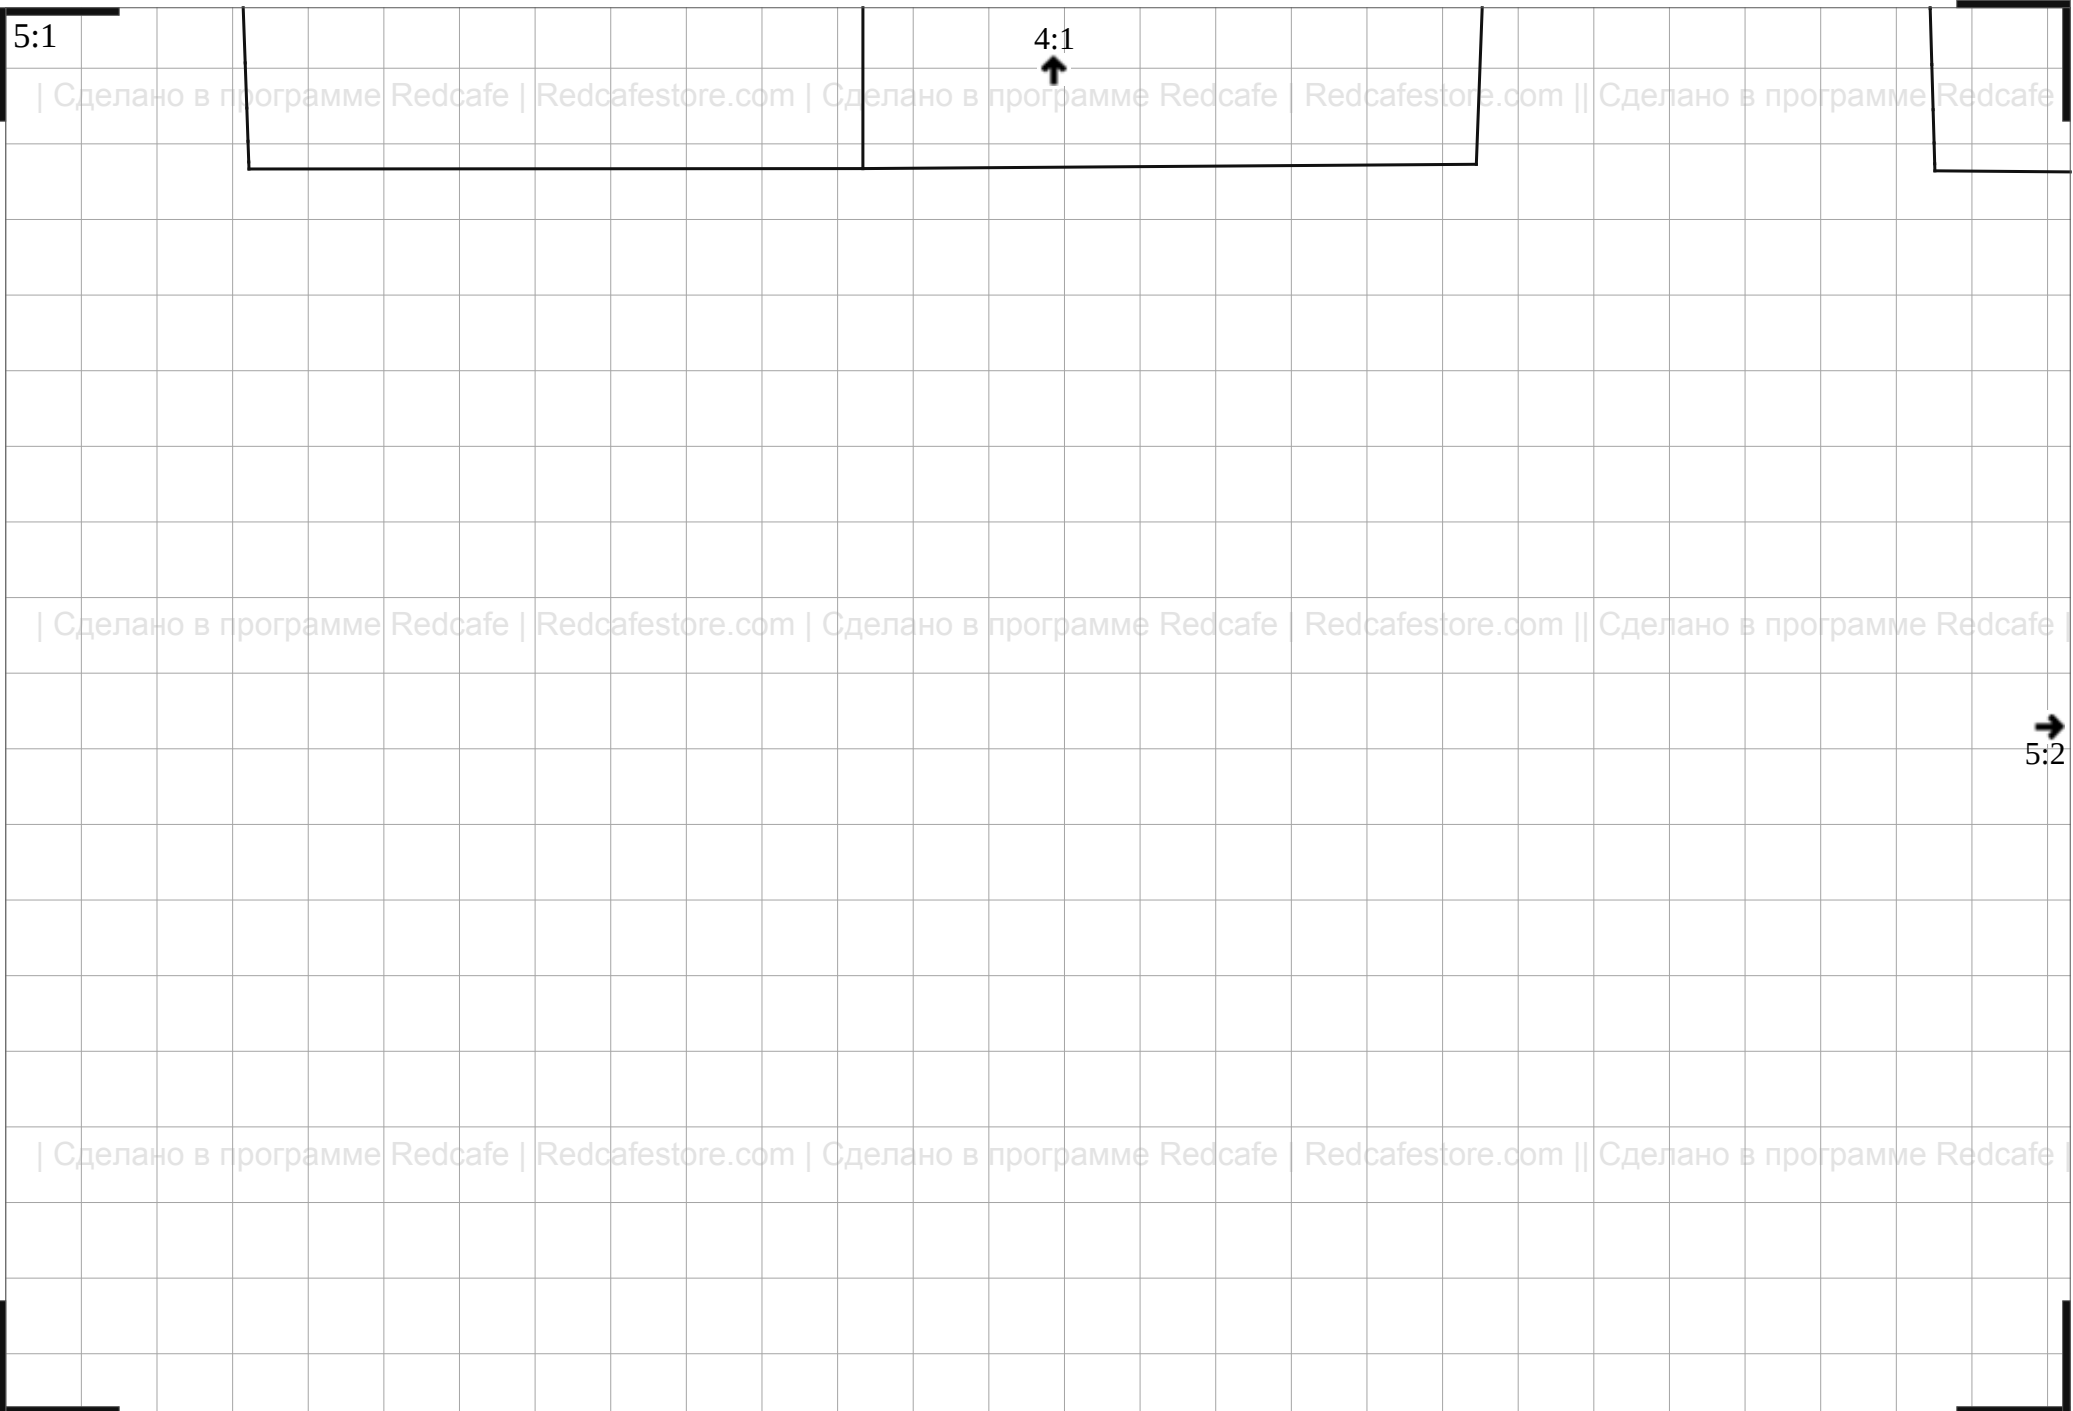

[illegible]
