PREPARING PATTERN

Indicates the Bustline, Waistline and Biceps. Measurements refer to circumference of Finished Garment (Body Measurement + Wearing Ease + Design Ease). Adjust pattern if necessary.

Lengthen or Shorten at adjustment lines () or where indicated on pattern. If substantial length is added, you may need to purchase additional fabric.

- To Lengthen - Slash between adjustment lines. Spread amount as needed, keep edges parallel.
- To Shorten - Crease along adjustment line. Make a fold half the amount needed.

Transfer all tissue markings to fabric before moving pattern. Markings needed on right of fabric should be thread traced.

Seamlines - 5/8" (15mm) from cut edge unless otherwise indicated.

Button Marking - Indicates button placement.

Buttonhole Marking - Indicates exact length and placement of buttonholes.

Symbols - For matching seams and construction details.

Centers, Foldlines, Placement lines, etc., clearly marked; thread trace if desired.

PREPARATION DU PATRON

Indique: pointe de poitrine, lignes de hanches et/ou avant-bras. Ces mesures sont basées sur la circonférence du vêtement (Mesures du corps + Aisance confort + Aisance mode). Ajuster le patron si nécessaire.

Rallonger ou raccourcir aux lignes de rectification () ou à l'endroit indiqué sur le patron. Si le rallongement est important, un excès de tissu peut s'avérer nécessaire.

- Rallonger - Couper entre les lignes de rectification. Espacer les bords (parallèlement) pour obtenir la longueur désirée.
- Raccourcir - Former un pli à une des lignes de rectification. Exemple: pli de 1cm pour raccourcir de 2cm.

Reporter tous les repères sur l'envers du patron avant d'enlever le patron. Les repères à reporter sur l'endroit seront marqués au fil.

Lignes de couture - à 15mm des bords coupés. Sauf contre-indication.

10	26 1/2"	(67 CM)
12	28"	(71 CM)
14	30"	(76 CM)

WAISTLINE

Repere-bouton - indique emplacement exact.

Repere-boutonniere - indique frandeur et emplacement.

Reperes - utilises pour faire correspondre coutures et details de construction.

Lignes des pliures, emplacements, et mili sont imprimees clairement; si desire, les marquer au fil.
