The image shows a technical drawing of a roof section. It features several parallel lines with different patterns: a solid line, a dashed line, a dotted line, and a dash-dot line. On the right side, there are four dimension lines with numerical values: 18, 20, 22, and 24. Below these, there are two more dimension lines with values 26 and 28. The drawing is oriented diagonally, with the lines sloping upwards from left to right. The numbers 18, 20, 22, and 24 are placed near the top right, while 26 and 28 are near the bottom left. The lines are drawn in black on a white background.
