A hand-drawn sketch of a bird's head and neck, rendered in black lines on a light gray grid background. The sketch is positioned in the upper left quadrant of the page. It shows the profile of a bird's head, including the beak, eye, and ear. The neck is drawn with a series of curved lines, suggesting a long, slender neck. The text "kolumna 2 wiersz 3" is written in a simple, sans-serif font, centered horizontally and partially overlapping the sketch of the bird's neck.
