

120-19 Blouse "Amy"

Sizes 36–48

Pieces 57–59 on pattern sheet B

Supplies

- 1.0–1.1 m linen, printed, 150 cm wide (Hofstetter)
- 1 button, 12 mm in diameter (Union Knopf)

Cutting

57 1 × front part on the fold

58 1 × back part on the fold

58 2 × rear yoke on the fold

59 2 × sleeve

Bias tape 40 up to 50 × 3.5 cm, final width 1 cm. Button loop 5 × 2.5 cm, final width 6 mm. Tie band 140 up to 160 × 4 cm, final width 1 cm. **Tip:** If necessary, adjust the width to an existing Binder attachment 88 for pre-folded or unfolded bias tape.

Instructions

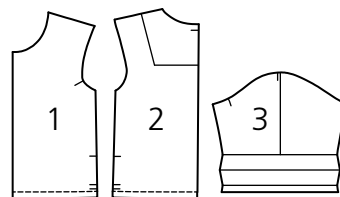

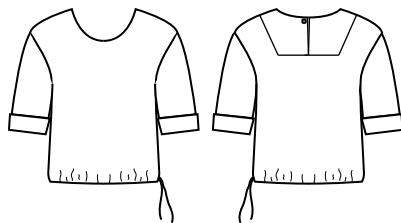

1. Sew the bias tape along the front neckline right side on right. Clip the allowances on the front part. Turn the tape inwards, fold the open edge back and fix it with pins. Topstitch it from the right at a width of almost 1 cm.
2. Sew the button loop and sew it on the inner side of the right yoke, as marked, directly on the fold. Place the yokes right side on right side together and sew them along the edges of the neckline. Clip the allowances and turn it over. Pin the open yoke edges on top of each other. Sew the lower edge of yoke right side on right side on the back part. Clip the back part in the corner. Sew the yoke sides in. Narrow-topstitch the back part along the yoke seam.
3. Close the shoulder seams. Place the allowances to the back and topstitch them. Close the right side seam completely, the left one only above and beneath the marking for the drawstring. Hem the blouse. Sew the tie band with the binder attachment, if available, or iron the long edges with a bias tape folder and then sew it. Insert the tape through the opening.
4. Close the sleeve seams. Iron the fold. Sew on the facing and iron the flap.
