GRAINLINE. Cut parallel to selvedge

This is a technical pattern piece for a garment. It is a large, light gray rectangle. At the top edge, there are several horizontal lines: a solid line, a dashed line, and a dotted line. On the right side, there is a vertical dashed line. The number '19' is printed in a large, light gray font in the center. Below the number, the text 'GRAINLINE. Cut parallel to selvedge' is printed in a smaller, black font. A horizontal solid line runs across the middle of the piece, just below the text. There are four black triangular markers at the corners: top-left, top-right, bottom-left, and bottom-right.
