

SWEETIE JACKET

Sewing Pattern

Girl (3 to 10 years)

©Puperita model 1098

Dress up your Girl like a doll with this precious SWEETIE Jacket!!

The jacket has a romantic touch and a whimsical feel. It is adequate for both cold or midseason days.

The beautiful princess shape is very easy to sew.

The sleeve edges are folded. Three big buttons have sew on snaps inside (no buttonholes). Two optional in-seam pockets are hidden at sides.

A great way to show off your sewing technique to your friends and make your little girl feel really special!

INSTRUCTIONS

Stitch 5/8” (1.5cm) seams unless otherwise stated.

5/8” (1.5cm) seam allowance is included in the pattern diagrams.

For a better understanding, this sewing pattern has the

- Sizes 3YRS-4YRS-5YRS-6YRS in the **first table**
- Sizes 7YRS-8YRS-9YRS-10YRS in the following **second table**

You can print out only the table you need.

JACKET SEWING STEPS

1. With RIGHT sides together, fold one side of bodice back (piece 2) matching the solid dots near the bottom of curved edges.

FOLD ONE SIDE OF BODICE BACK MATCHING THE SOLID DOTS

2. Pin the curved edges (even if curves have different shapes). Stitch in a 5/8" (1.5cm) until dot.

PIN THE CURVED EDGES

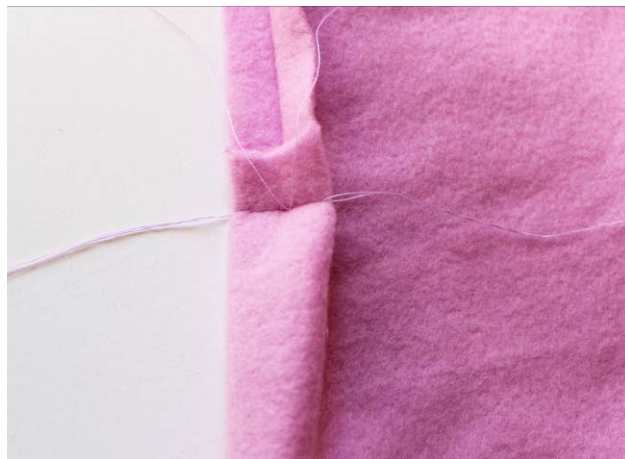

STITCH UNTIL DOT

3. Press open.

BODICE INSIDE VIEW

4. Stitch across the pleat from one side (on crease) towards dot without stitching on the bodice. Repeat on the other side of pleat. Make a knot with loose threads on center dot.

5. Repeat for the other side of bodice back. Repeat steps 1 to 4 for each bodice front (piece 1) and for bodice back and bodice front of lining.

OUTER BODICE FRONT

LINING BODICE BACK

LINING BODICE FRONT

6. **OPTIONAL Pocket** (piece 5): For each outer bodice front side and for each bodice back side: with RIGHT sides together, place the pocket along the pocket application line and stitch pocket side and bodice in a $5/8$ " (1.5cm) seam.

7. With RIGHT sides together, stitch outer bodice front (piece 1) and outer bodice back (piece 2) shoulders in a $5/8$ " (1.5cm) seam, matching intersecting seam. Cut exceeding fabric corners. Press open. Repeat for lining sections.

8. For each sleeve (piece 3): With RIGHT sides together, pin and stitch the sleeve to the bodice armhole in a 5/8" (1cm) seam, matching empty dots and matching the sleeve top with the shoulder seam. Press towards sleeve. Repeat for lining sections.

9. Keep out front and back pockets. With RIGHT sides together, stitch bodice and sleeve side seams matching all intersecting seams in a 5/8" (1.5cm) seam. On the outer fabric, do not stitch on the pocket seams, just overlap seams on the higher and lower side of pocket seam. Reinforce seam at underarm. Repeat for lining sections without pockets.

STITCH SIDES OF OUTER FABRIC. DO NOT STITCH ON POCKET SEAMS (BETWEEN PINS)

10. For each side: press seam open and fold both front and back pocket sections towards front. Stitch curved pocket edges in a 1/4" (5mm) seam, catching the margin. Do not stitch on the bodice.

11. With RIGHT sides together, pin and stitch the outer hood sections (piece 4) on the back curved edge in a 5/8" (1.5cm) seam. Press open. Repeat for lining sections.

12. With RIGHT sides together, insert the lining hood INSIDE the outer hood. Stitch front openings in a 5/8" (1.5cm) seam. Turn OUTSIDE the hoods and topstitch about 1/4" (5mm) from the edge.

13. With RIGHT sides together, pin and stitch the hood base to the outer neckline, with hood dots matching the bodice front dot of the corresponding size on front center lines.

14. With RIGHT sides together, pin the lining jacket to the outer jacket, enclosing the hood. Starting from the lower back edge, stitch in a 5/8" (1.5cm) seam all the raw outer edges (hem, front openings and neckline), leaving an unstitched space in the lower back edge (about 8" (20cm)) to easily turn the jacket OUTSIDE. Clip corners and trim all bulking excess margins.

LEAVE AN UNSTITCHED SPACE IN THE LOWER BACK EDGE

15. Turn the entire jacket on the RIGHT side from the unstitched space in the lower back edge. For each sleeve: temporarily pin the inner and the outer sleeve edges only at sides seam.

16. Pull the sleeve INSIDE the jacket from the lower back edge: the outer sleeve and the lining sleeve will result with the WRONG side out and separated, but still pinned.

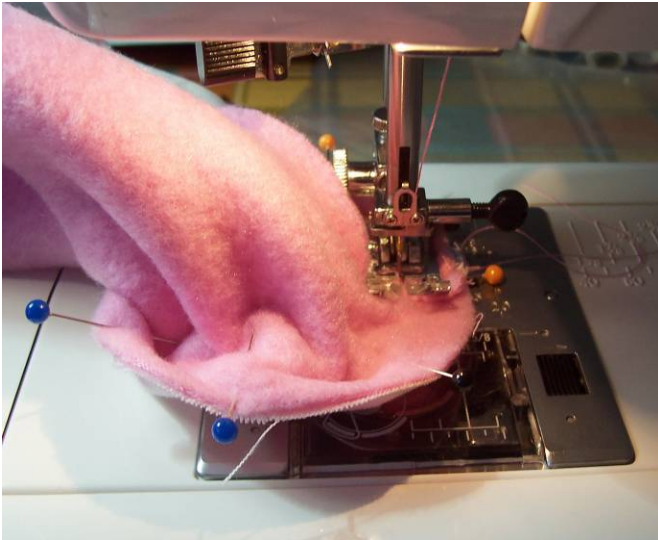

SLEEVE DETAIL

17. Remove the pin. Place the outer sleeve raw edge in front of the lining sleeve raw edge. Pin the raw edges together.

18. Stitch the pinned sleeve raw edges in a 5/8" (1.5cm) seam.

19. Turn again the sleeve OUTSIDE the jacket from the armhole: the outer sleeve and the lining sleeve will result with the RIGHT side out and one inside the other. Press.

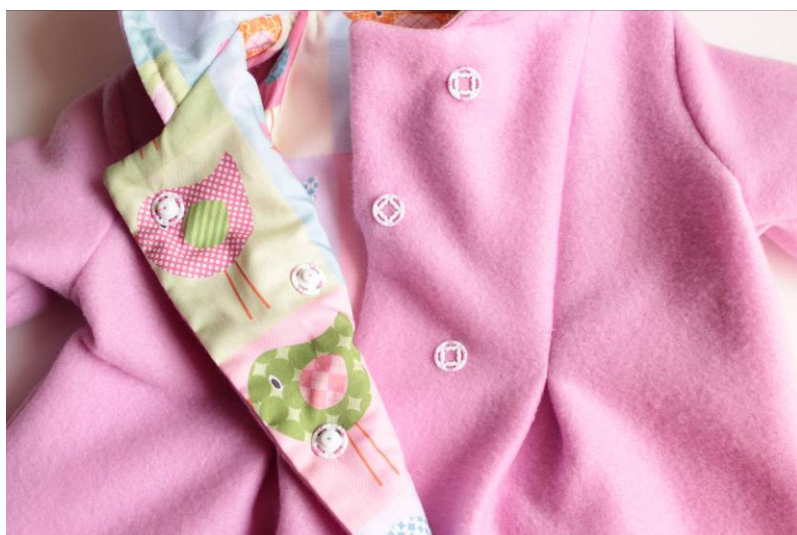

20. Topstitch each sleeve edge about 1/4" (5mm) from the edge. (**NOTE:** to topstitch the sleeve edge: turn the sleeve WRONG side out as in the following picture)

21. Fold 5/8" (1.5cm) **INSIDE** the margins of the unstitched space in the lower back edge and close it with invisible stitches. **OPTIONAL:** on **OUTSIDE**, topstitch 1/4" (5mm) from the outer edges of hem and front openings.

22. On **INSIDE**, attach three sew on snaps on the bodice front openings. On **OUTSIDE**, attach three decorative buttons.

ENJOY!
