## PREPARING PATTERN

Indicates the Bustline, Waistline and/or Biceps. Measurements refer to circumference of Finished Garment (Body Measurement + Wearing Ease + Design Ease). Adjust pattern if necessary.

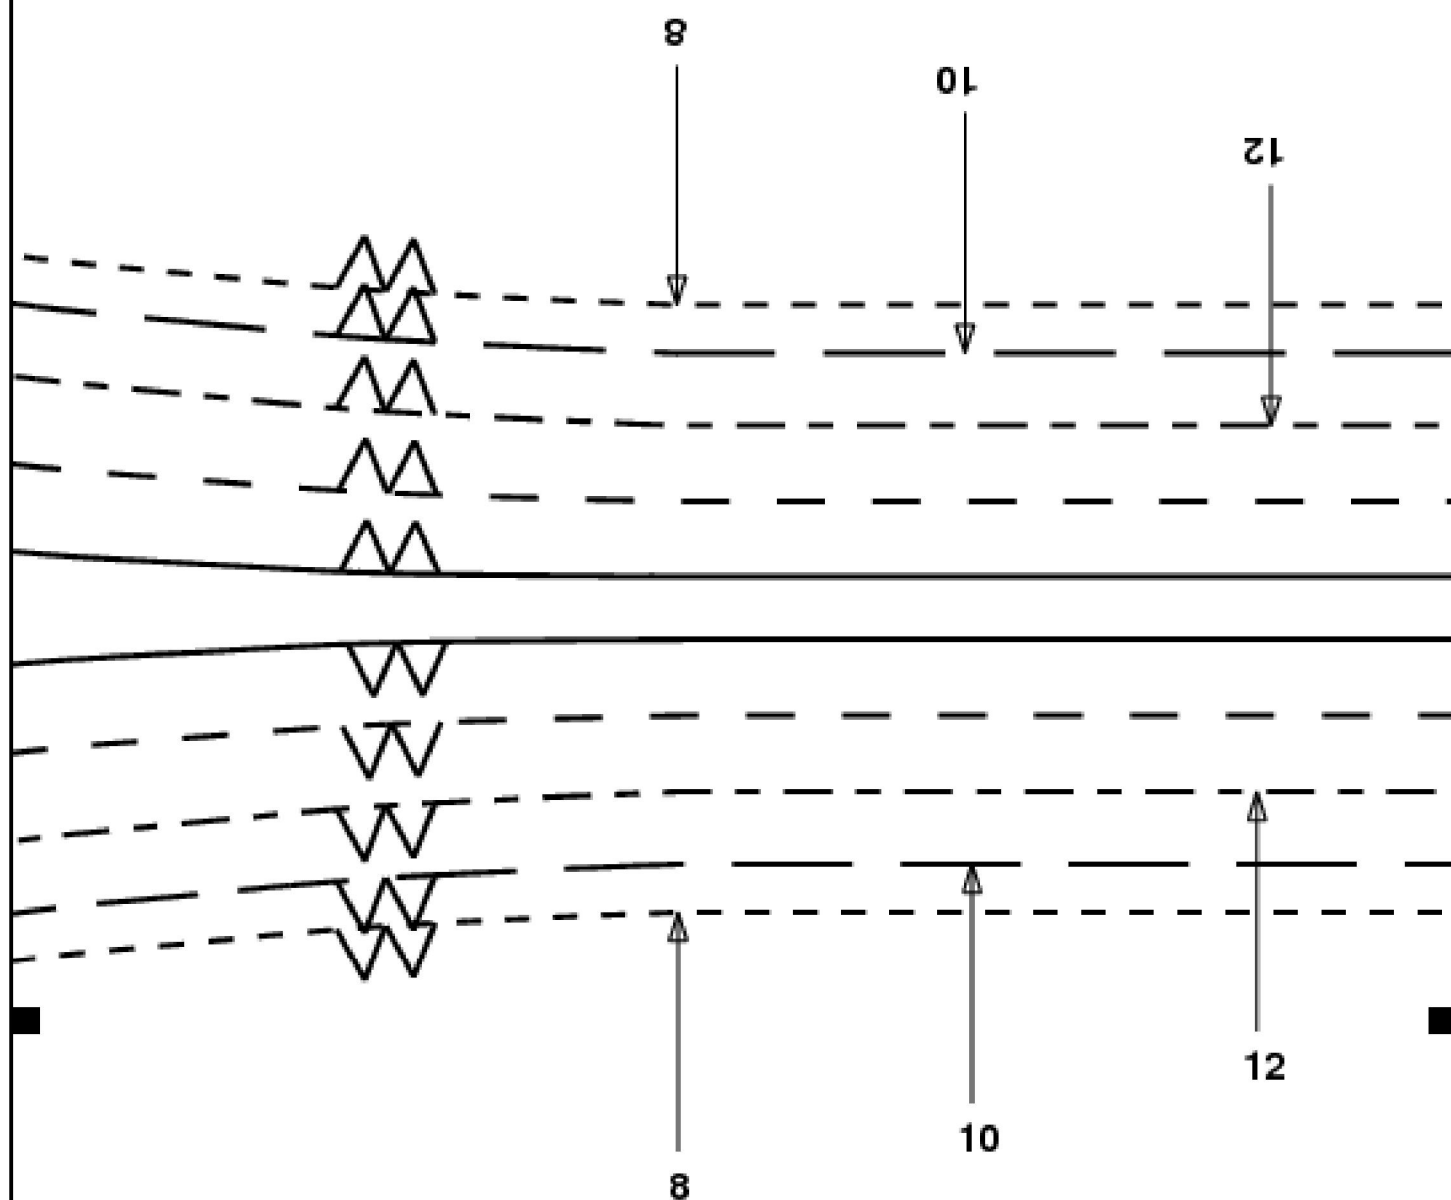

Lengthen or Shorten at adjustment lines (==) or where indicated on pattern. If substantial length is added, you may need to purchase additional fabric.

- To Lengthen - Slash between adjustment lines. Spread amount as needed, keeping edges parallel.
- To Shorten - Crease along adjustment line. Make a fold half the amount needed.

Transfer all tissue markings to fabric before re-moving pattern. Markings needed on right side of fabric should be thread traced.

BACK

## Row A, Column 3

Butterick 5982 Size:8-16 Part:1 [www.printsew.com](http://www.printsew.com)

Seamlines - 5/8" (15mm) from cut edge unless otherwise indicated.  -

Button Marking - Indicates button placement. 

Buttonhole Marking - Indicates exact length and placement of buttonholes. 

Symbols - For matching seams   

Centers, Foldlines, Placement lines, etc., are clearly marked; thread trace if desired.

## PREPARATION DU PATRON

 Indique: pointe de poitrine, lignes de taille, de hanches et/ou avant-bras. Ces mesures sont basées sur la circonférence du vêtement fini (Mesures du corps + Aisance confort + Aisance mode). Ajuster le patron si nécessaire.

Rallonger ou raccourcir aux lignes de rectification (  ) ou à l'endroit indiqué sur le patron. Si le rallongement est important, un excès de tissu peut s'avérer nécessaire.

- Rallonger - Couper entre les lignes de rectification. Espacer les bords (parallèlement) pour obtenir la longueur désirée.
- Raccourcir - Former un pli à une des lignes de rectification. Exemple: pli de 1cm pour raccourcir de 2cm.

Reporter tous les repères sur l'envers du tissu avant d'enlever le patron. Les repères à reporter sur l'endroit seront marqués au fil.

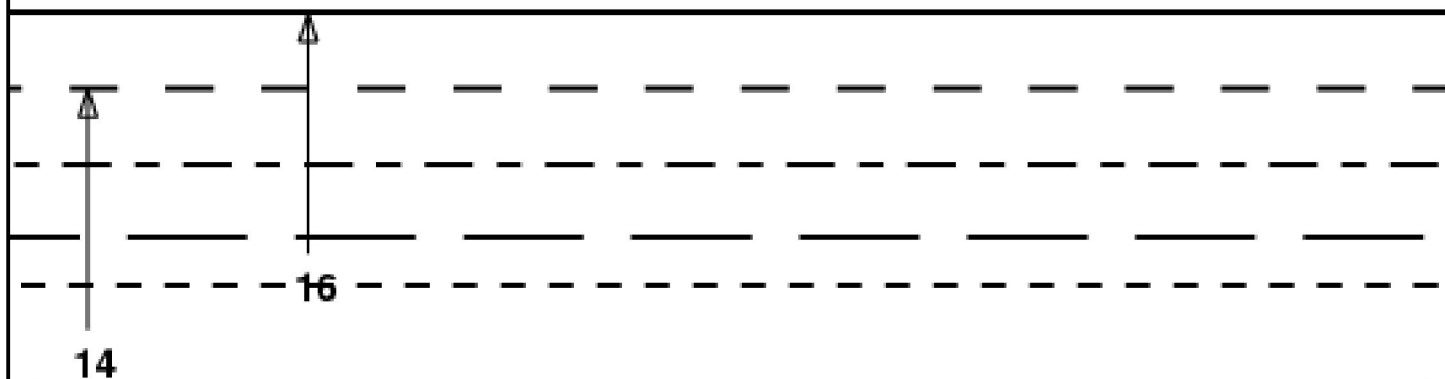

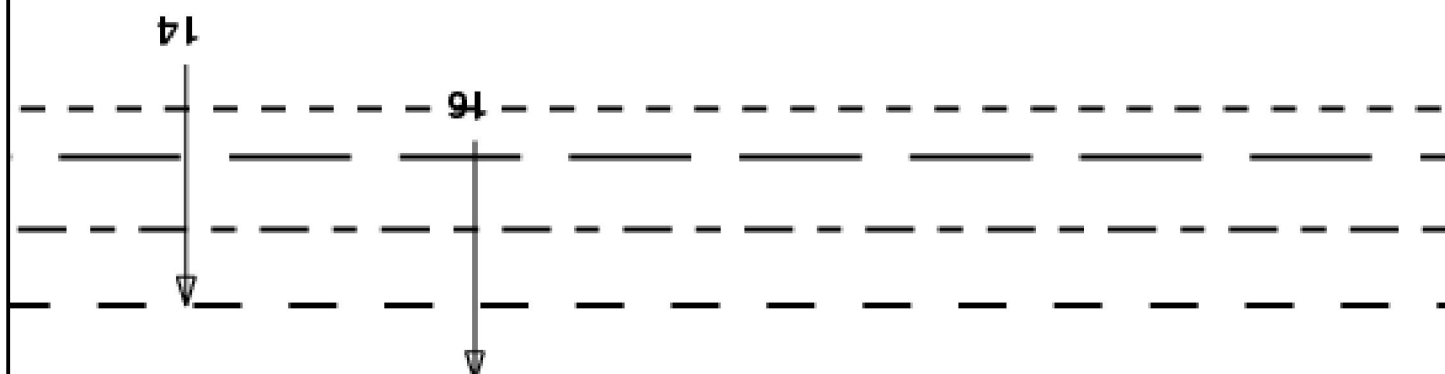

Lignes de couture - à 15mm des bords coupes, sauf contre indiquer.  -

Repère-bouton - indique emplacement exact. 

Repère-boutonnière - indique trandeur et emplacement.

CENTER FRONT ON FOLD

The diagram shows a rectangular pattern piece for a skirt. A horizontal line near the top edge indicates the center front fold. Below this line, the text 'CENTER FRONT ON FOLD' is written with arrows pointing to the fold line. The bottom edge of the piece is marked with a dashed line and a solid line, indicating the waistband. The right side of the piece is marked with a dashed line and a solid line, indicating the side seam. There are four black squares at the corners of the pattern piece: top-left, top-right, bottom-left, and bottom-right.

CENTER FRONT ON FOLD

The image shows a sewing pattern piece for a garment. It features a curved neckline on the left side, defined by a solid line. A dashed line runs diagonally from the neckline towards the bottom right, likely indicating a seam or fold. A vertical line on the right side is labeled "CENTER FRONT ON FOLD" with an arrow pointing to it. The pattern is set against a white background with a black border.
