The diagram shows a technical drawing of a sleeve cuff pattern. It features a large rectangular piece with a 3x3 grid pattern. To the right of this piece is a smaller, more complex shape with a 1x1 grid pattern. A vertical arrow points downwards from the top right corner of the 3x3 grid towards the 1x1 grid. There are also some curved lines and a small 'V' mark near the arrow. Scissors icons are located at the top right and bottom right corners of the page, indicating where to cut.
