The image shows a technical drawing of a child's leg pattern piece. It includes a central text block and two partial pattern pieces on the left and right sides. The pattern pieces are defined by solid, dashed, and dotted lines, representing different layers and seam allowances. The central text specifies the piece is for a child's ensemble, is the front leg piece (JAMBE DEVANT 2), and requires two layers of fabric (X 2 TISSU) and two layers of lining (X 2 DOUBLURE). A vertical dashed line in the center is labeled 'DROIT FIL' (straight grain).
