Женские трусы 44 р-р
Ластовица

The diagram consists of a large rectangular area on the left and a smaller area on the right. A horizontal line extends from the left edge of the right area to the right edge. A curved line starts from the top of the right area and curves downwards and to the right. Below the horizontal line, there are two more horizontal lines, one above the other, both extending from the left edge of the right area to the right edge. The text "#tn_sew" is located in the center of the right area, between the horizontal line and the curved line.
