Stop!

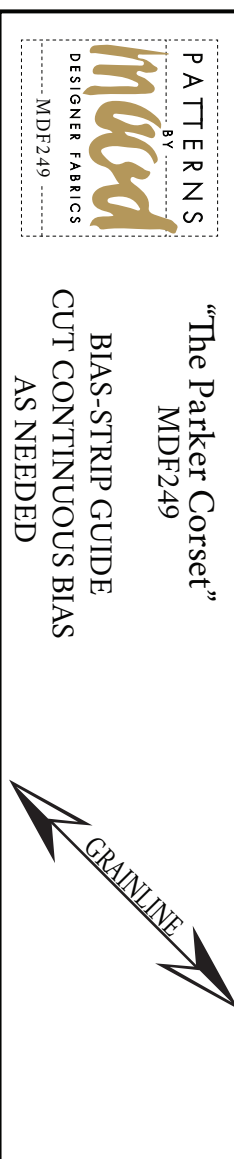

Print just this page first to check accuracy.
The Mood square to the left should measure
2 inches. Print “actual size” (no scaling).

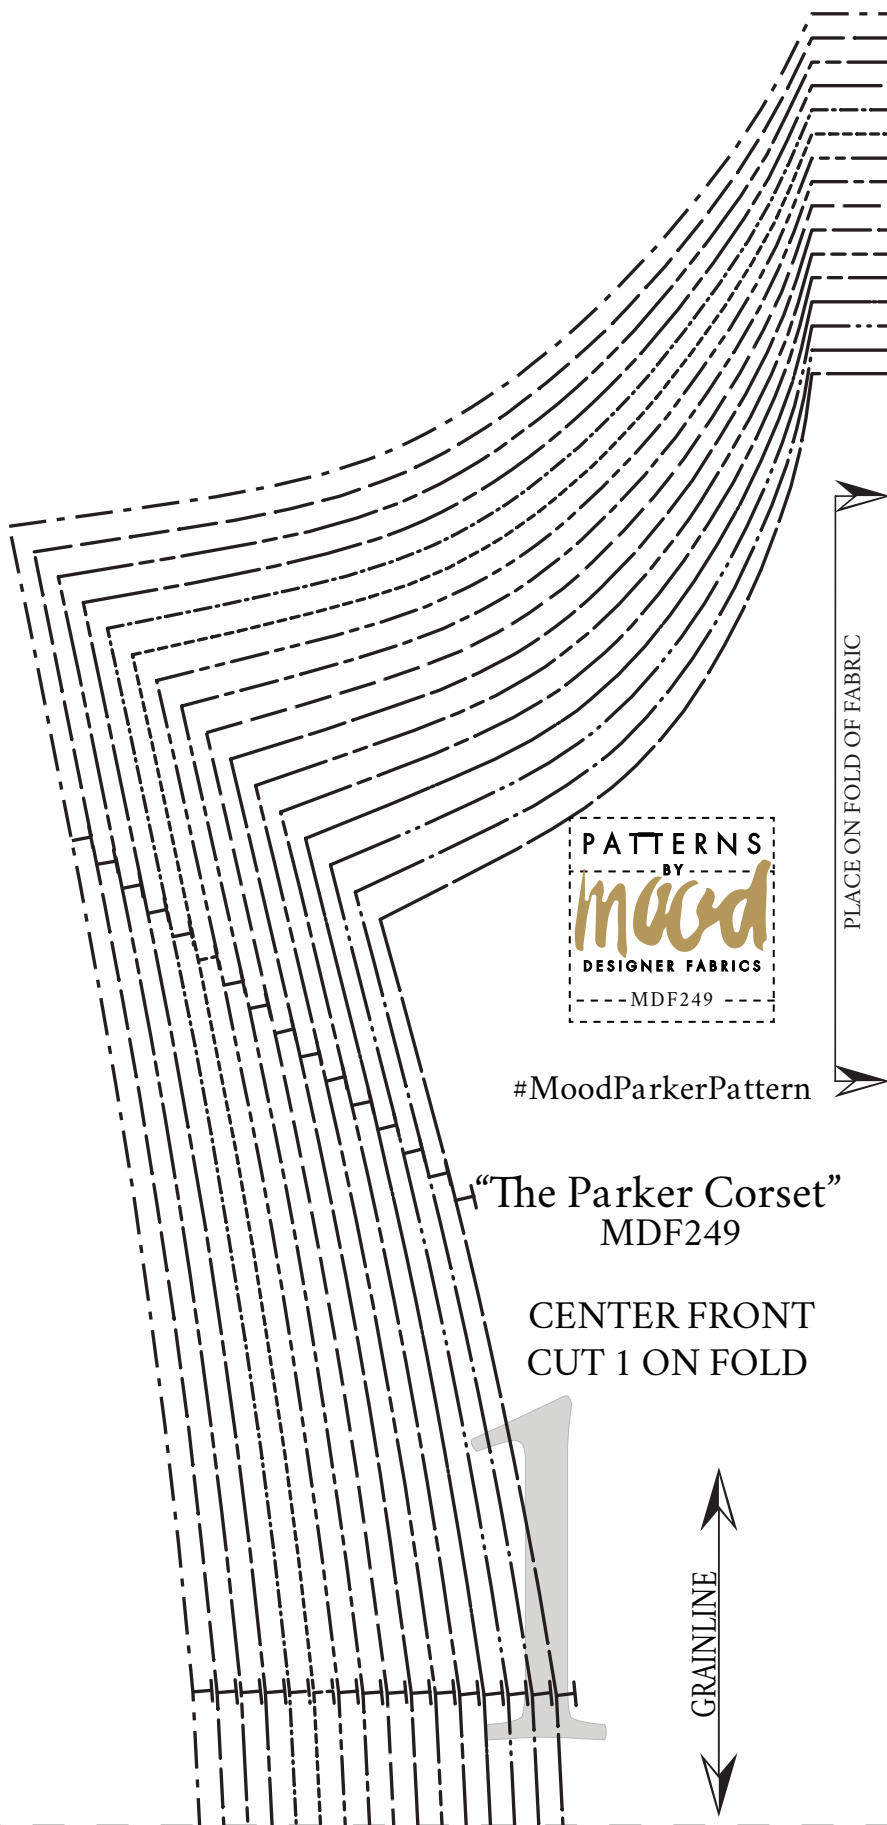

Please note that you will need
several yards of 1.25”-width
bias strips for this project.

For the upper and lower
edges, measure your upper
bust and hip measurement
for the approximate amount
needed.

For the vertical seams, you
will need approximately 2.5
yards in addition to the
above quantity.
