

Unisex Pajama Bottom

This is the second part of the [unisex pajama pattern](#). These are the pajama bottoms to match the top that we did last week. I am using the rest of my flannel which is already washed and preshrunk in the dryer.

I have added pockets to the pants, for whatever reason I cannot explain I prefer pockets on my pajama bottom even though I hardly use them.

The elastic waistband on this pajama bottom is made differently than you are probably used to seeing. The reason is that I hate a wide elastic in my pajamas, the three rows of thin elastic make it a lot more comfortable for sleeping.

For the gentleman, there is a fly front for an easy escape. The fly front closes with a buttonhole on the outside and a button in the inside away from the skin.

To print your PDF pattern

Your pattern pieces come at the end of these instructions. For accurate printing, please make sure you are using the latest version of Adobe Reader. You can [download the latest version here](#) if you need to.

Select File → Print and the print dialogue box opens. Under Page Sizing and Handling, select ACTUAL SIZE . Check the preview in the right hand side illustration. Select the page numbers you want to print. You can print the whole document, or just the pattern pieces.

On the edge of the top left page is a box you can use to test your printing. This box should measure 2 inches square. If yours is wildly different you will need to check your printer options to make sure the pages are not being resized.

Use the grey guides on the overlap of the sheets to match up the pattern pieces, folding under or cutting off any overlaps, tape together and cut out your pattern pieces.

Help printing and assembling your pattern

You can find helpful tutorials on how to download, print and assemble PDF sewing patterns here:

The image features a decorative header at the top with a solid green line, a dashed blue line, and a solid pink line, all sloping downwards from left to right. A large, light gray number '19' is centered in the upper half of the page. A horizontal blue arrow points from the left edge to the right edge, positioned in the lower half of the page. The entire page is framed by a dashed gray border, with gray squares at the corners.
