The diagram shows a technical drawing of a lampshade template. It consists of a large outer curve and a smaller inner curve, both starting from a common point on the left and ending at a point on the right. A vertical line on the right side connects the ends of these two curves. A dotted line is drawn between the two curves, starting from the left and ending at the right. A small vertical line segment is drawn at the top right corner of the template. A large blue watermark 'С ДИЗАЙНА' is oriented diagonally across the page.
