The diagram features a light gray shaded region. The left boundary is a thick black line sloping downwards from the top left. The right boundary is a thin gray line that is nearly vertical at the top and then curves to the right towards the bottom. A label 'B01' is positioned in the center of the shaded area. There are four small square markers: one at the top left corner of the shaded region, one at the top right corner, one at the bottom left corner, and one at the bottom right corner. A short horizontal line segment is drawn from the top left marker to the left edge of the shaded region.

A technical drawing of a trapezoidal shape. The top edge is a horizontal line. The left edge is a vertical line. The right edge is a vertical line. The bottom edge is a horizontal line. A vertical line segment is drawn from the top-left corner to the bottom edge. A horizontal line segment is drawn from the top-left corner to the vertical line segment. The label 'C01' is located in the center of the drawing.
