C10

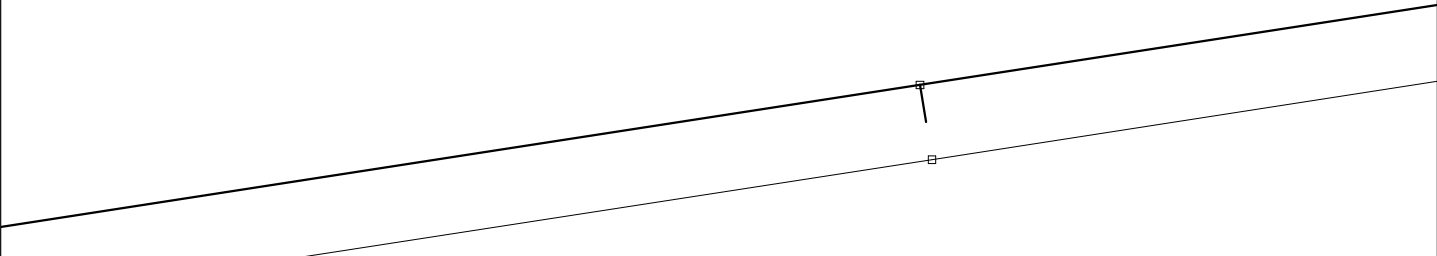

C12

A geometric diagram on a white background. It features a horizontal line segment at the top left. From its right endpoint, a line segment extends downwards and to the right. A second line segment is drawn from the left endpoint of the horizontal segment, extending downwards and to the right, parallel to the first segment. A third line segment is drawn from the right endpoint of the horizontal segment, extending downwards and to the left, perpendicular to the second segment. A fourth line segment is drawn from the left endpoint of the horizontal segment, extending downwards and to the left, perpendicular to the third segment. The label 'C13' is placed near the intersection of the third and fourth segments.
