

REBECCA PAGE

Please follow the below instructions to print your pattern pieces. The instructions are in a separate file available from your My Account area.

Print at **100%**.

On the second page, you will find a **1-inch** and a **3-inch square test box**. Print this page first, on its own, and measure these squares.

Once you are happy that the test box is accurate, print the rest of the pattern pages.

Please follow [this video](#) for information and assistance on assembling this pattern.
