Abstract geometric lines in black on a white background. A curved line starts from the left edge, dips down, and then rises towards the right. Another curved line starts from the top center, curves down and to the right, and then turns upwards. A straight line starts from the bottom left, goes up and to the right, and then turns sharply down and to the right. Another straight line starts from the top right, goes down and to the left, and then turns upwards.
