

This pattern should be printed in portrait on A4 paper at 100% scaling.
Step 1: Print out this first page only, make sure the box below measures
1 inch x 1 inch.

If it does print out the rest of the pages.

1" x 1"

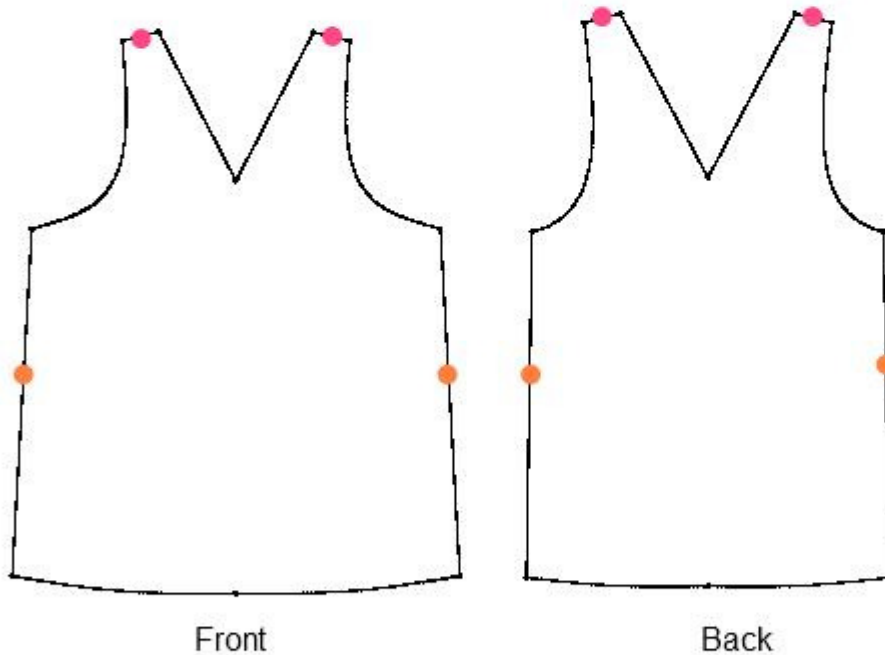

Step 2: Arrange the pages along a grid with A's across from A1 till the last A.
The next row will be B's across, followed by C's across, and so on.

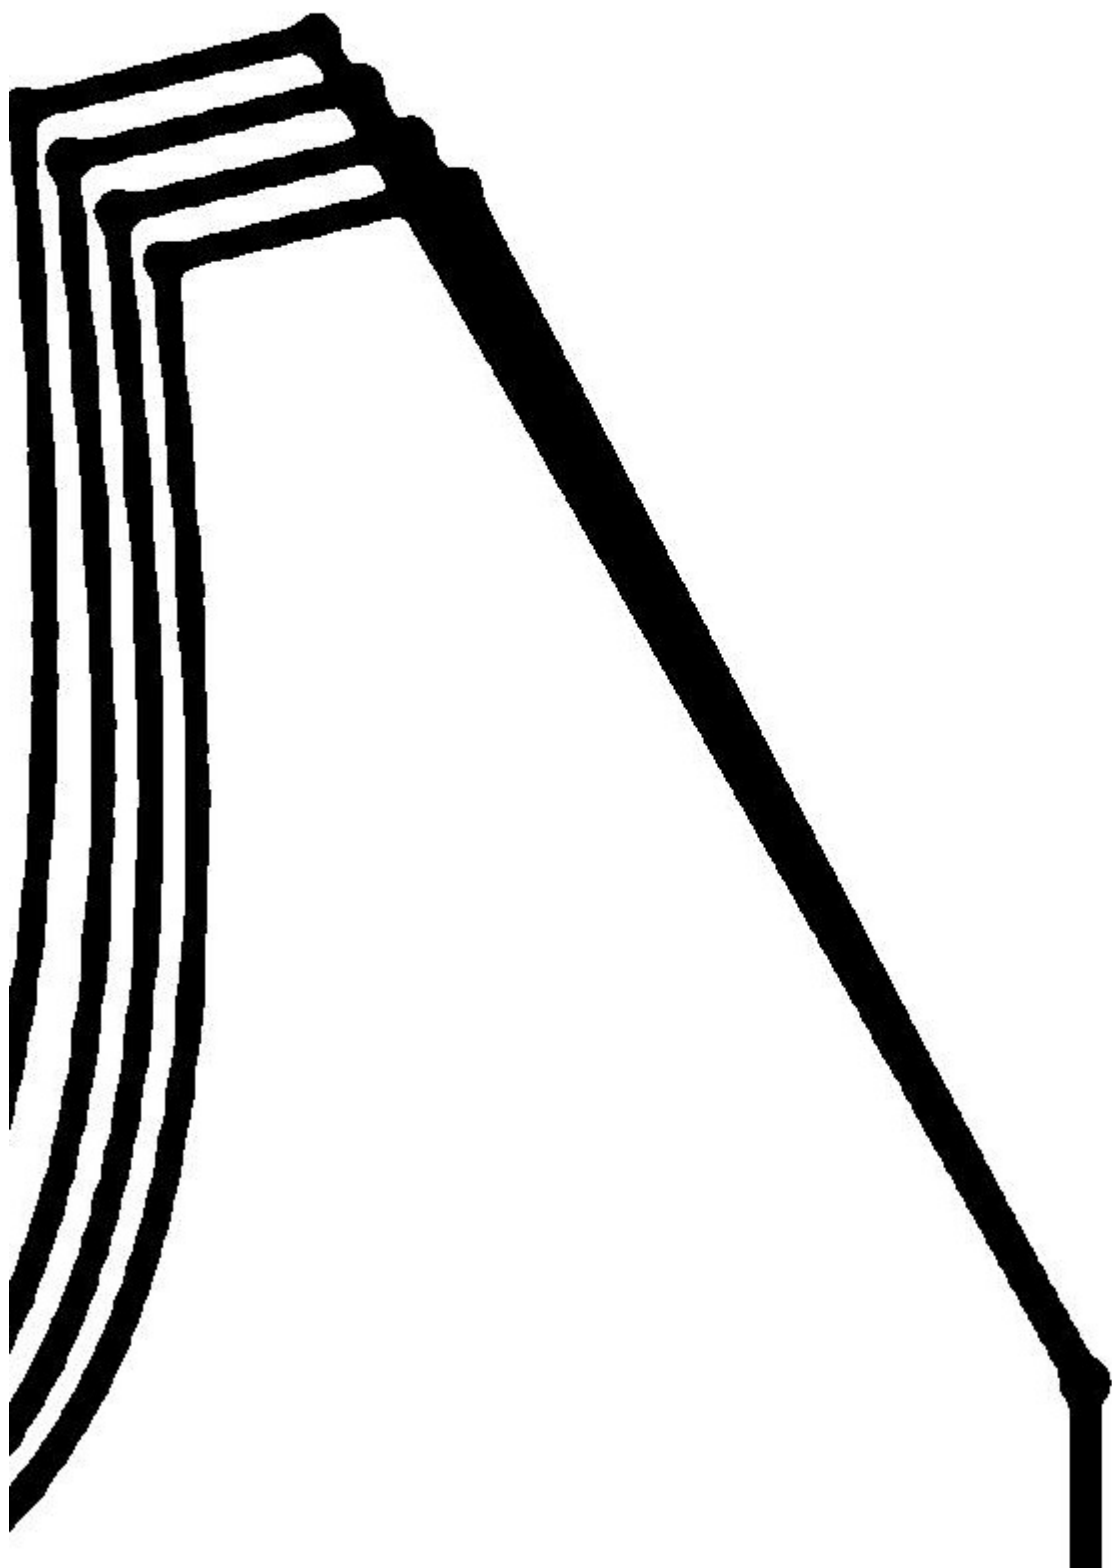

Note: No seam allowance is included.

Make sure you verify your size fits the measurements mentioned when you bought
this pattern pack.
