“The Roselle Romper”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

STOP!

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print “actual size” in “portrait” mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

* Measured with elastic stretched

Drafted for woven, drapery fabrics. The bust is semi-fitted with an elastic back, and a full-elastic waist to cinch to preference. The hip area has about an extra 3-inch "pinch" of fabric on each side. Choose size according to desired finished garment measurements, blending between sizes as needed. However, keep in mind that the garment bust & waist must be ample enough to pull-on over the hips.
