FABRIC SUGGESTIONS

Stretch fabrics like jersey and rib knit. Something with at least 5% elastane will work perfectly.

Fabrics with 40% stretch are ideal.

PRINTING AND ASSEMBLING

This pattern is available in A4 and Letter.

PRINTING:

Download and save your pattern.

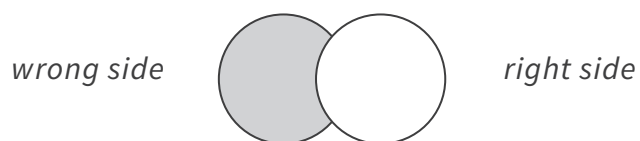

Open using a PDF reader.

Before printing make sure your size option is set to "actual size". This way you'll print the pattern with its accurate measurements.

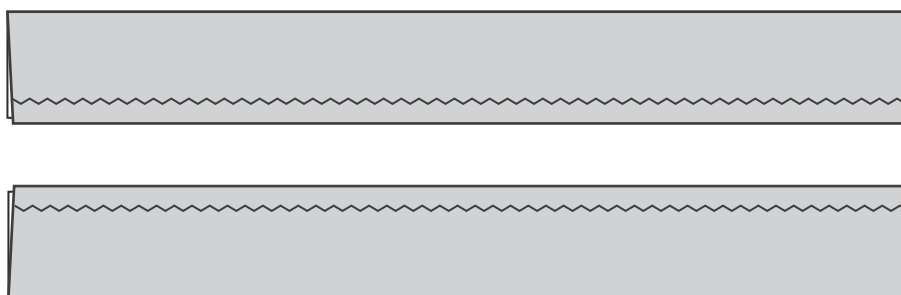

To check if the pattern is being printed to scale print just the first page and measure the Test Square. If the sizes correspond you're good to go.

INSTRUCTIONS

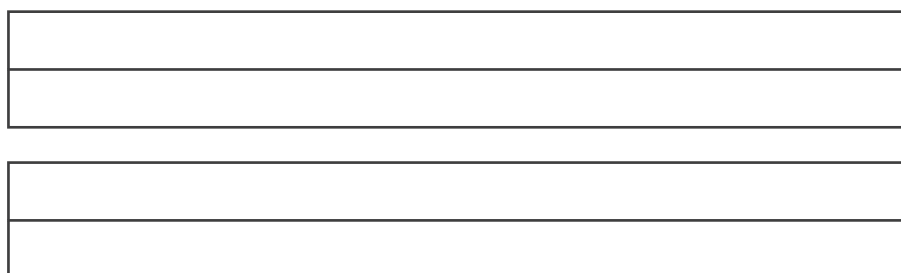

The seam allowance on this pattern is of 1 cm/3/8" and it's already included in the pattern pieces.

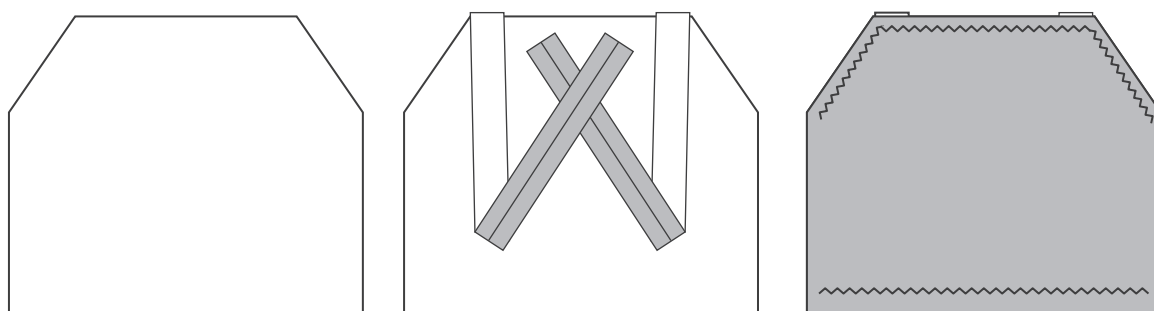

- 1** Fold the strap along the center fold right sides facing and sew along the raw edge using either a zig zag stitch or an overlocker.

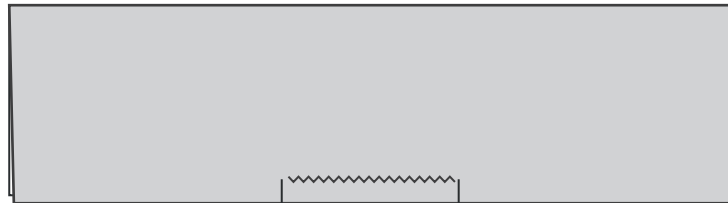

- 2** Turn the straps inside out and press making the seam go down the middle.

- 3** Lay one of the front pieces right side up. Then lay the straps on top of the front piece aligning the edge of the strap with the edge of the front where it starts tilting downwards. Lay the remaining front piece on top with the right side down. Sew the top and bottom using either a zig zag stitch or an overlocker leaving the sides open. Turn everything inside out.

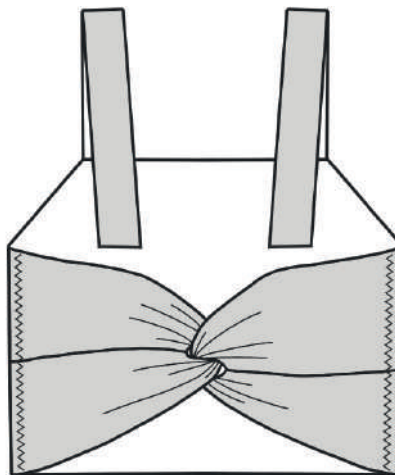

- 4** Fold the back piece along the center fold line. Sew between the two notches using either a zig zag stitch or an overlocker. Repeat the step for the remaining back piece.

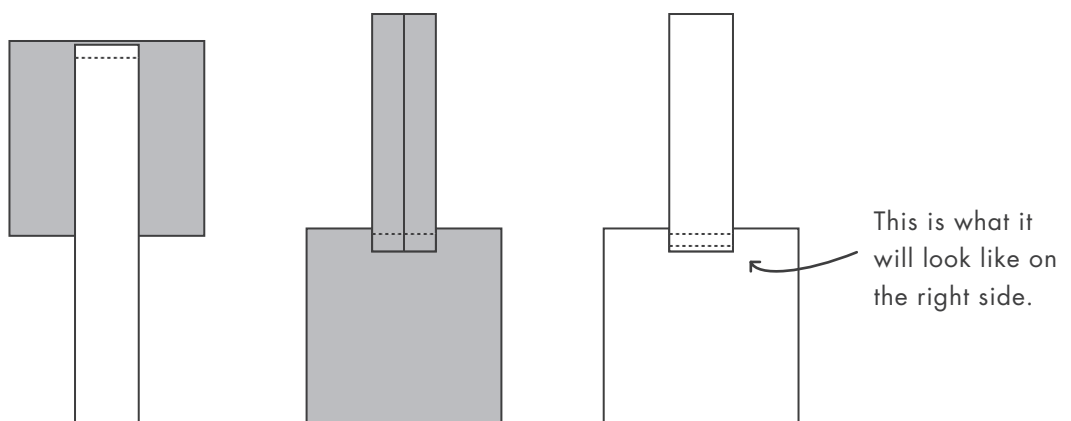

- 5** Refer to the video on this link to complete the rest of the back piece.

- 6** Lay the front and back right sides facing and sew the side seams using either a zig zag stitch or an overlocker.

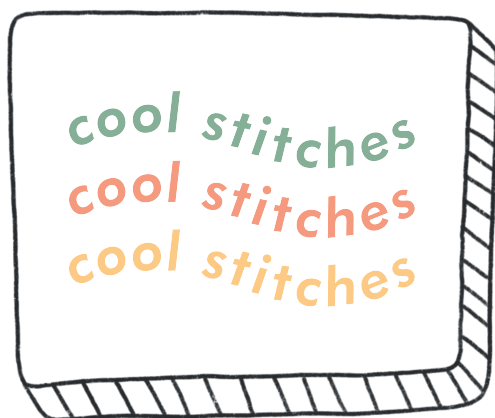

- 7** Lay the strap wrong sides facing with the back piece aligning with the notches. Sew using a straight stitch. Press the seam upwards and topstitch 0.5 cm away from the edge.
