

Little Black Dress Pattern

This is the Boho-chic little black dress pattern to make a great casual look for Fridays. This dress is easy to make and even easier to wear.

Notice the gathered sleeves, the invisible zipper, and two tiers of ruffles (so you do not spend hours and hours gathering fabric). And more importantly, it makes a youthful, but appropriately short dress.

It's perfect for the office, for a get together with the girls, to pick up the kids or carry a baby bump and go trick or treating.

I would team this little black dress with booties, stockings and a short leather jacket.

Experience level: Intermediate

To print your PDF pattern

Your pattern pieces come at the end of these instructions. For accurate printing, please make sure you are using the latest version of Adobe Reader. You can [download the latest version here](#) if you need to.

Select File → Print and the print dialogue box opens. Under Page Sizing and Handling, select ACTUAL SIZE. Check the preview in the right hand side illustration. Select the page numbers you want to print. You can print the whole document, or just the pattern pieces.

On the edge of the top left page is a box you can use to test your printing. This box should measure 2 inches square. If yours is wildly different you will need to check your printer options to make sure the pages are not being resized.

Use the grey guides on the overlap of the sheets to match up the pattern pieces, folding under or cutting off any overlaps, tape together and cut out your pattern pieces.
