HOW TO MAKE:

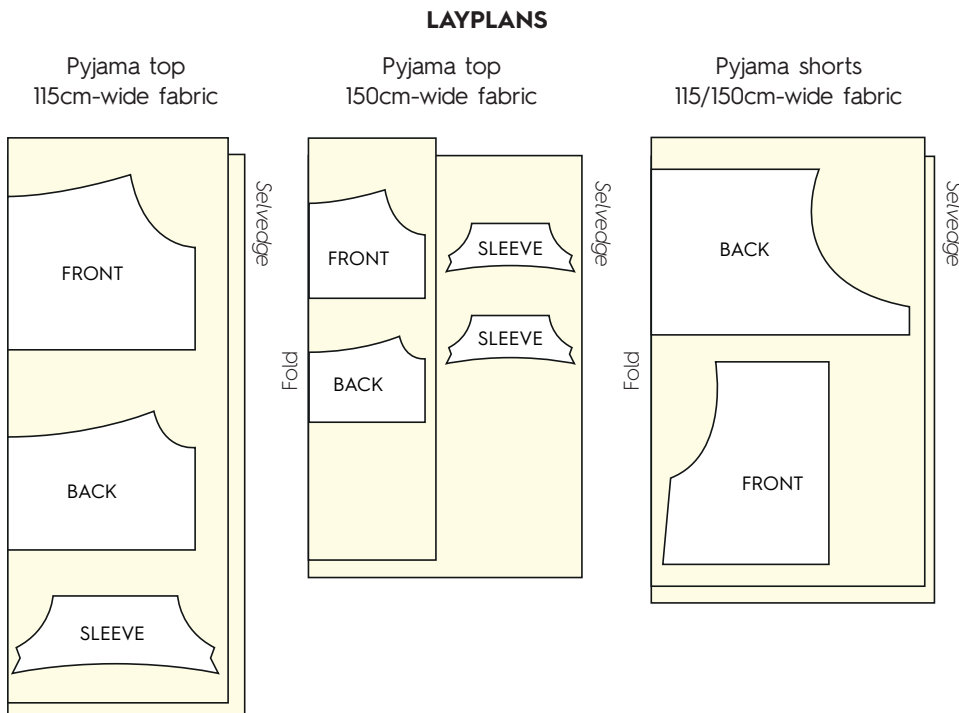

PYJAMA TOP

1 Pin and stitch the front to the back at the sides, finishing at the dot. Press the seams open. (See Pic A.)

2 Stitch the sleeve seams. (See Pic B.)

3 With right sides together, pin the sleeve into the armhole, matching notches and seams. Stitch. Trim the seam and press towards the sleeve. (See Pic C.)

4 To make the neck casing for the elastic, turn 1.5cm to the inside on the top edge. Turn under 6mm on the raw edge. Press. Stitch and leave an opening to insert the elastic. (See Pic D.)

5 Cut a piece of elastic using the guide. Attach the elastic to a safety pin and insert through the casing. Lap the ends and stitch together. Stitch the opening closed.

6 Make the casing at the bottom of the sleeves in the same way. Cut two pieces of elastic the measurement of your upper arm plus 1.5cm. Insert the elastic in the same way as for the neckline and finish in the same way.

"These pyjamas are perfect for lightweight cotton lawn, broderie anglais or even satin for more advanced sewists, where French seams would work well. Simply pin the fabric wrong sides together and stitch a 1cm seam, trim to 3mm, press and pin right sides together. Stitch a 5mm seam to give a neat finish"
