Diagram illustrating a 16x16 grid structure, likely representing a memory layout or a data table. The grid is divided into four quadrants by a horizontal black line and a vertical black line. The 4x4 subgrid is highlighted in cyan and contains the following values:

110. / 116.	128. / 128.
134. / 140.	146. / 152.

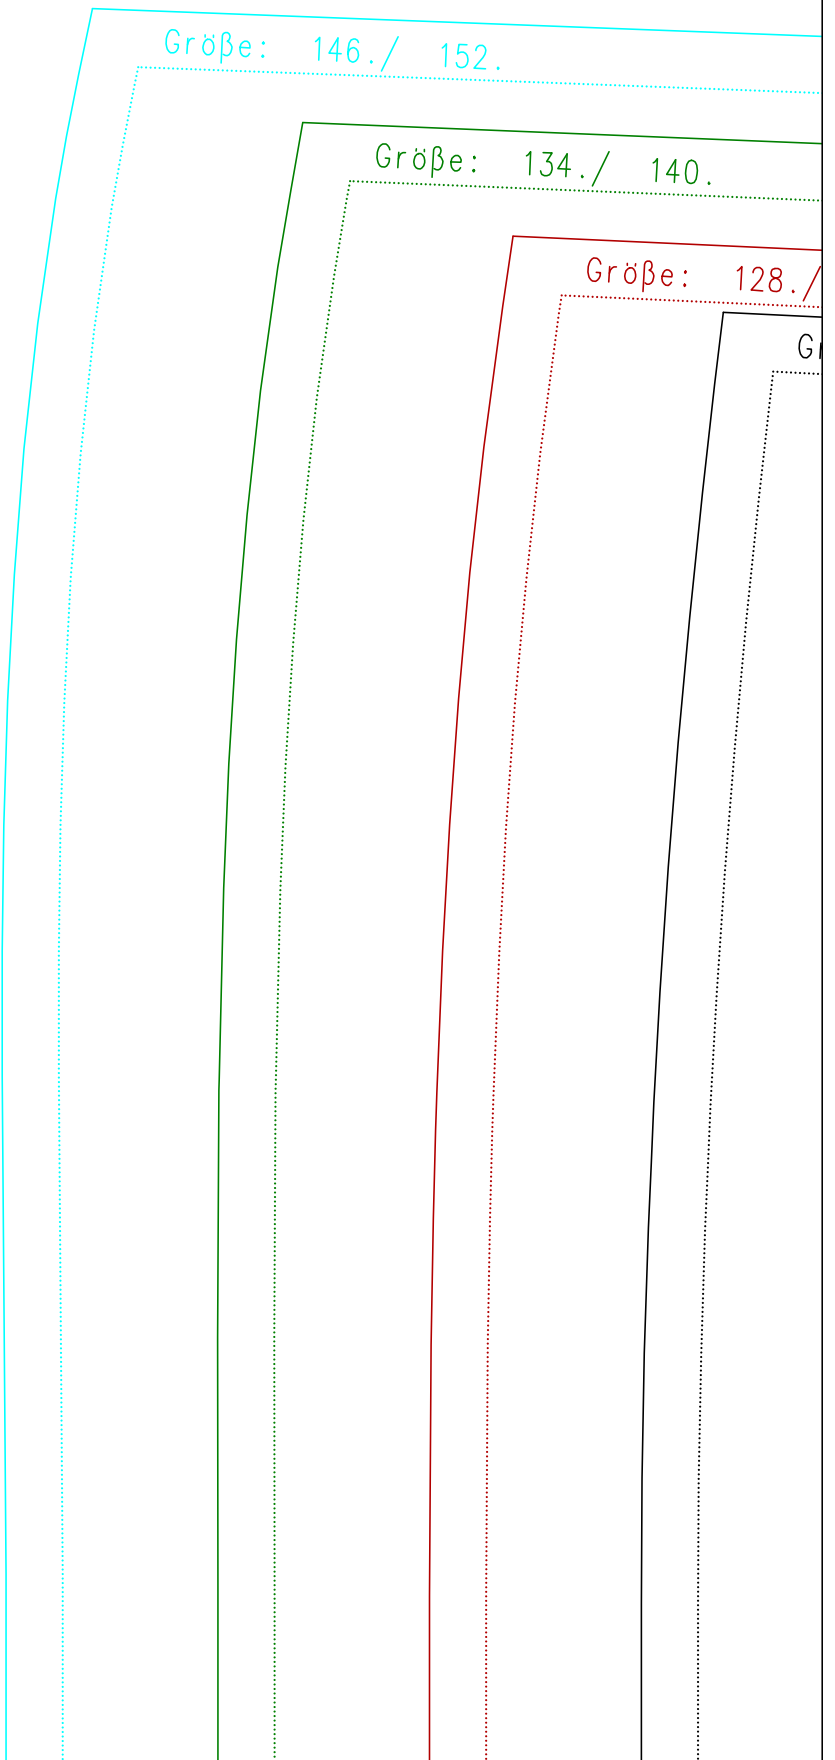

Arrows indicate a flow or relationship from the top-right and bottom-right cells of the subgrid towards the right edge of the grid.
