4. Align the two pumpkins.
5. Thread three strands of orange embroidery floss onto a large-eye or embroidery needle. Knot the thread ends and use a blanket stitch to secure the perimeter.
6. When there is about 3" remaining to stitch, stuff the pumpkin with fiberfill, then stitch the remainder.

Ghost

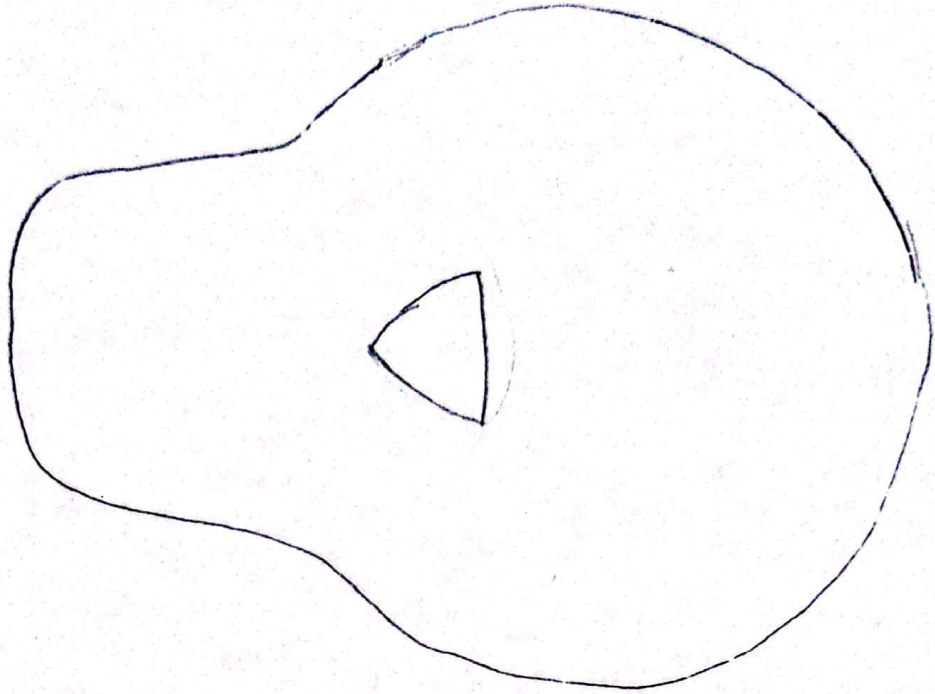

1. From white felt, cut two ghosts.
2. Using two strands of black embroidery floss, stitch X's for the ghost eyes using a backstitch.
3. Stitch a button for the ghost's mouth.
4. Repeat above instructions to attach ribbon and blanket stitch the ghost layers together, using white embroidery floss.

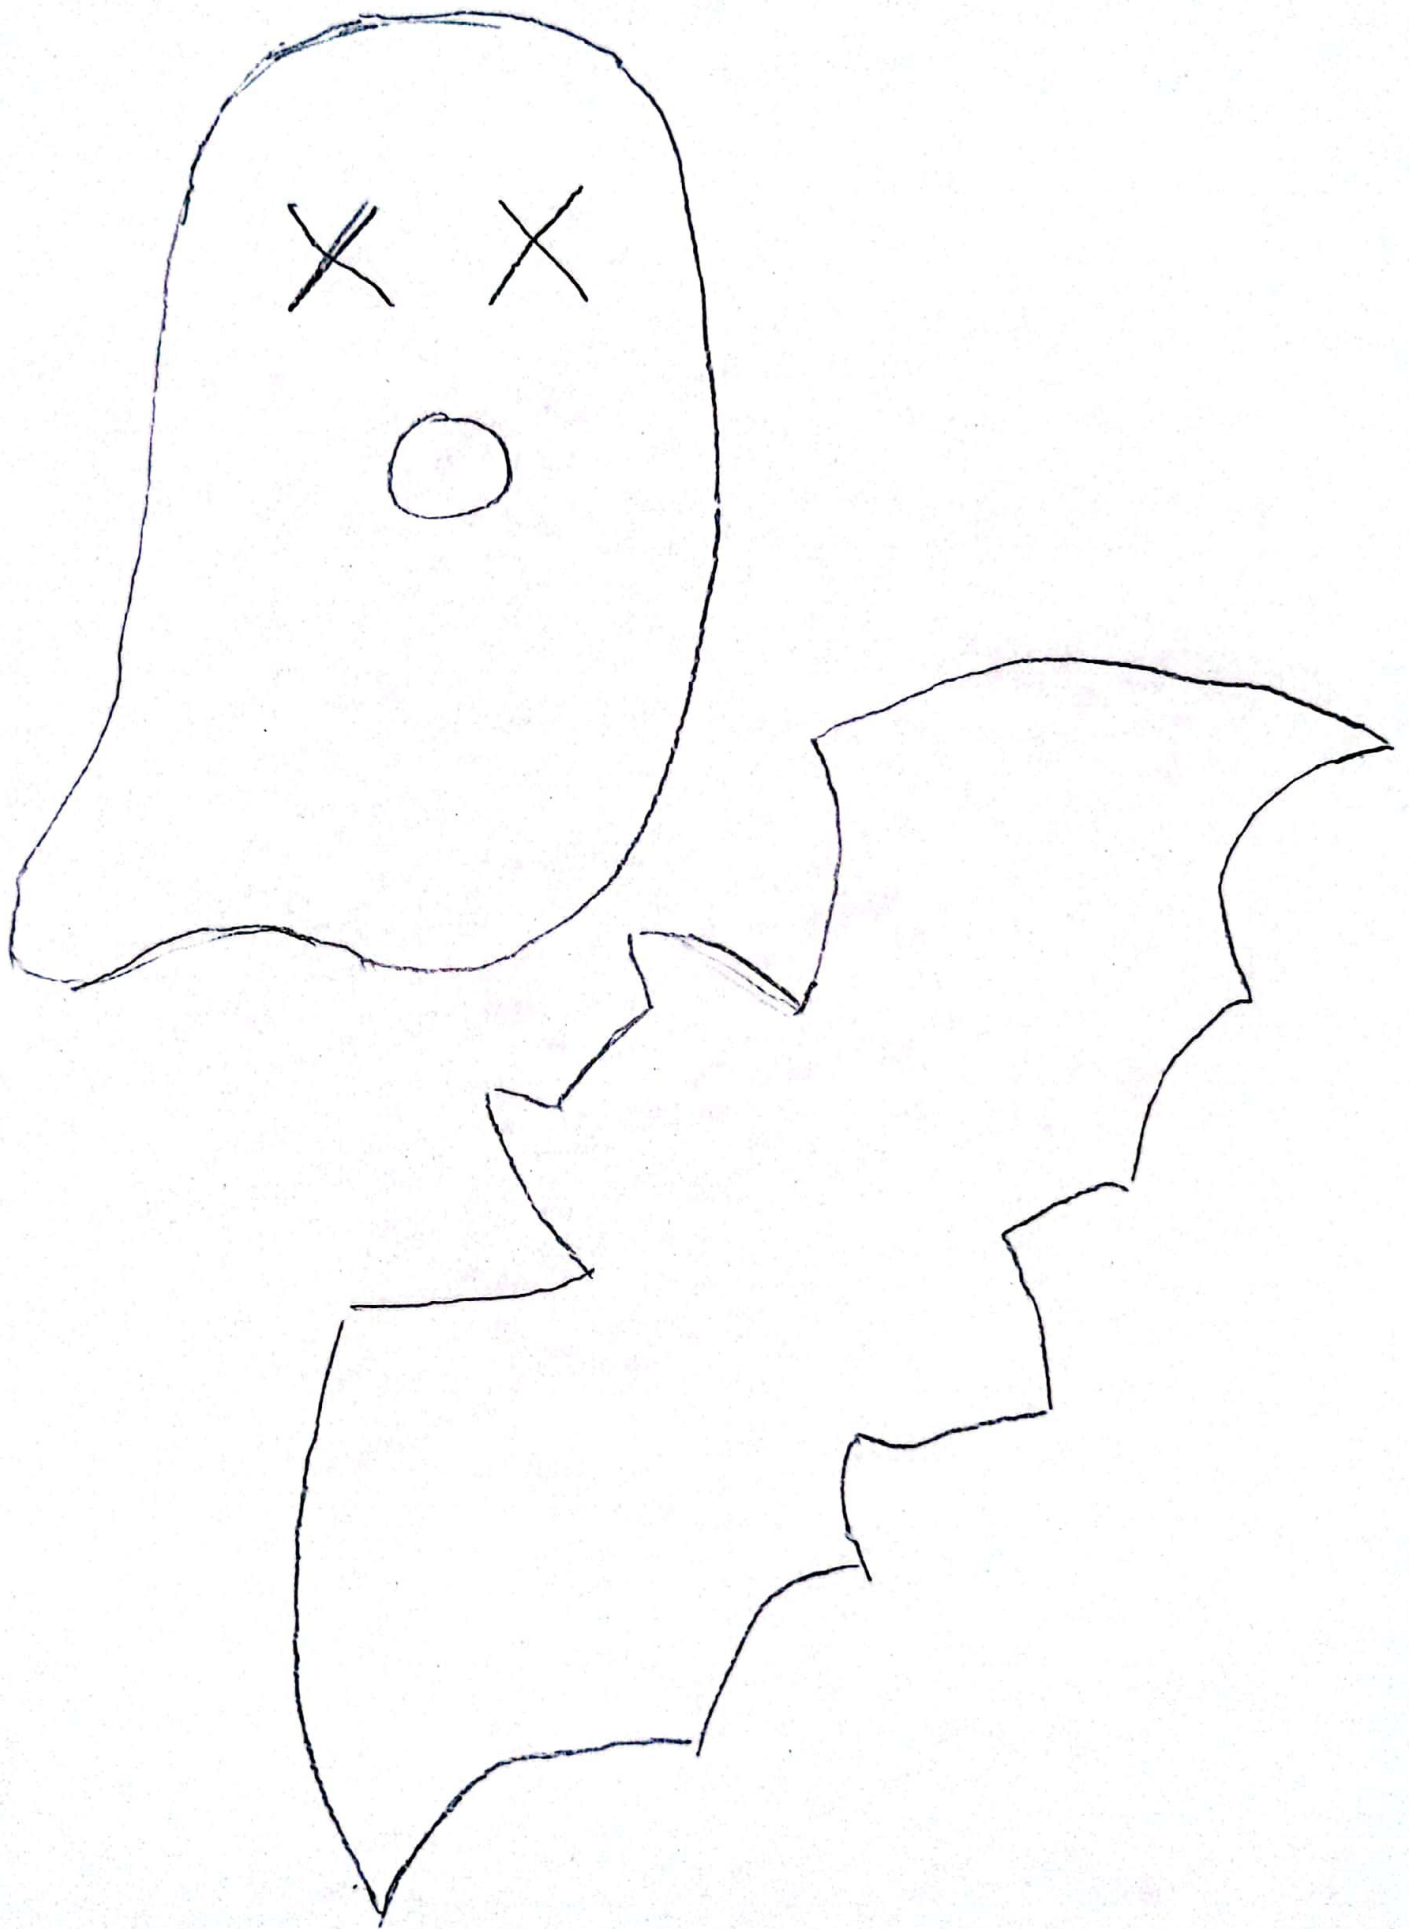

Skull

1. From white felt, cut two skulls. From black felt, cut the nose triangle.
2. Attach buttons or felt circles for the eyes. Attach the nose triangle using a running stitch.
3. Using black embroidery floss and a backstitch, stitch the mouth.
4. Finish per the previous instructions.

Bat

1. From black felt, cut two bats.
2. Using white embroidery floss and a backstitch, stitch the mouth and fangs.
