“The Opal Dress”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

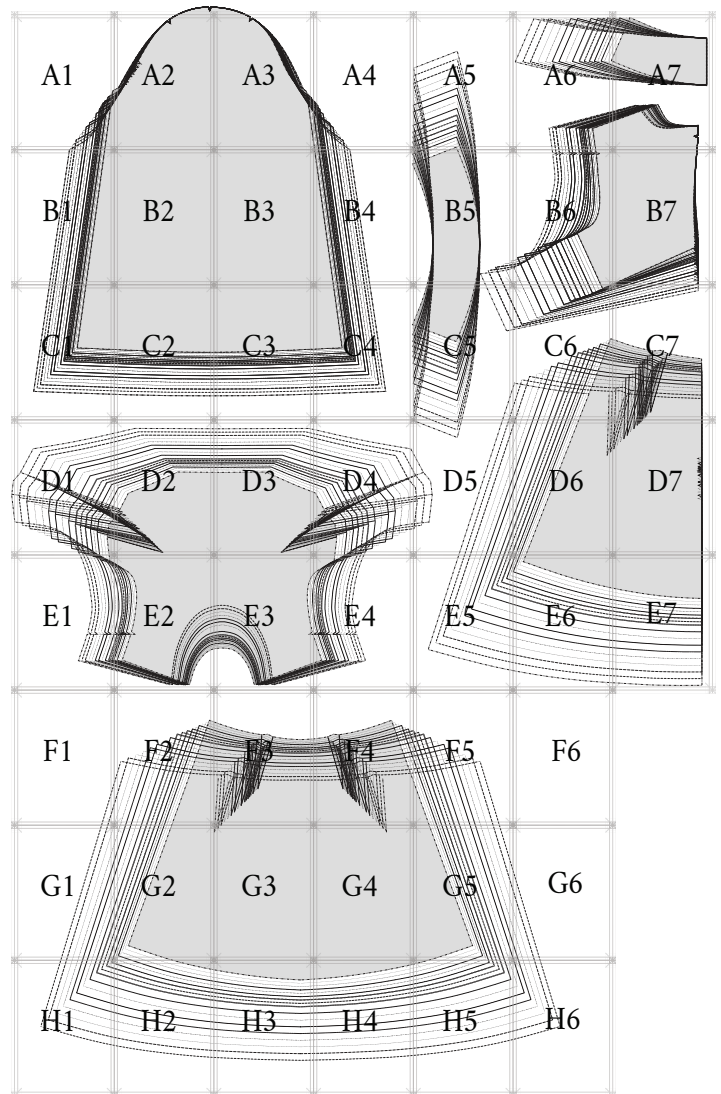

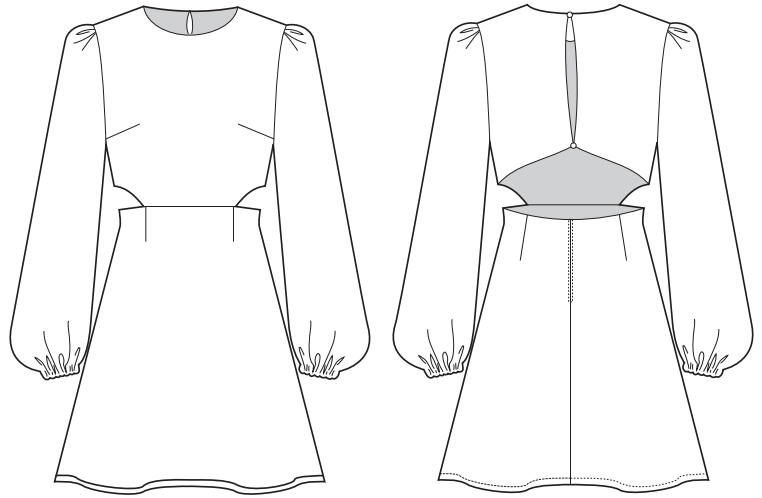

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

STOP!

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print “actual size” in “portrait” mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

Designed for woven fabrics. Size guide is based on the suggested design & wearing ease for this style. You can also choose the size according to your desired finished garment measurements, blending between sizes as needed. For best results, sew a test garment in a similar fabric to adjust your pattern.

FRONT WAIST DART

The image shows a technical drawing of a front waist dart pattern piece. The pattern is composed of several lines: a solid line for the outer edge, a dashed line for the inner edge, and a dotted line for the dart's fold. The dart is located at the top center of the piece. The pattern is set against a light gray background with a faint grid. In the corners, there are decorative elements consisting of a circle with a crosshair and a square with a crosshair.
