"The Perth Dress"

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

STOP!

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print "actual size" in "portrait" mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

* Measured with the garment flat, not including the extra room due to the nature of the back drawstring closure.

** Measured flat from side seam to side of bodice at the waist. *** Measured with the back elastic extended.

Drafted for light to mediumweight woven fabrics with a fluid drape. The bust and waist are generous and fit-friendly due to the open, drawstring back and elastic-back waist. Choose size according to desired finished garment measurements, blending between sizes as needed. However, keep in mind that the garment waist must be ample enough to pull over your head.
