General Instructions

1. Carefully read through all instructions before you begin.
2. Wash, dry, and iron your fabric before starting.
3. Seam Allowances are included in the pattern and are $\frac{1}{2}$ " unless otherwise noted.
4. Press seams open as you progress. (I like to set seams first by pressing them flat. Then press seams open.)
5. Clip or grade seam allowances where necessary. Clip curves or when multiple layers join, and grade seams to reduce bulkiness.
6. Make sure to back stitch at beginning and end of seam to prevent seam from coming loose unless otherwise instructed.

Fabric and Cutting Layout

1. Lay pieces as shown above and cut. (Skirt pieces will have multiple pieces)
2. Cut two strips of interfacing 1" wide for the zipper. Length should coordinate with length of zipper.
3. For placement of ruffle, mark or notch pieces 1,2,3,4 where ruffle will start and end.
4. End of Zipper is Approx 2" below waist line.
5. **NOTE:** There is **NO** pattern piece for the neck bias, Cut a 2"x25 this will be longer enough for all pieces and will need to be shortened.
6. **For Lining Layout, overlap bodice seams at ½" and either trace or tape.**

Bodice Construction:

Ruffle (Bodice and Arm Opening)

1. Serger: Serge around outer edge of each Ruffle pieces, roll under and topstitch.
2. Rolled Hem: Edgestitch 1/16 – 1/8 " from outer edge of each ruffle pieces. Using the stitch as a guide, fold over and press, easing the curved areas by pulling thread making the larger curved edge smaller. Topstitch 1/16" – 1/8" to catch folded hem.
3. Repeat step 1 or 2 for each Ruffle piece.
