

Sexy Comfortable Panties Pattern

Sexy Comfortable Panties is it a myth or a legend? Let's explore...

A myth is a widely held, but false belief or idea, and a legend is a story passed down from generations and accepted as a historical recount. So, can sexy and comfortable be used in the same sentence when regards to underwear? According to my grandmother's lingerie chest, this myth may in fact be a legend.

This is the second garment of my series on my "grandmother's wardrobe". It is my tribute to the beautiful, strong woman who was left a widow and successfully ran the family farm and raised her eight children.

One thing for sure is that she was both strong and an amazing tailor. I will call this underwear Lana in her memory.

They are high waisted to flatten your belly, stretchable lace on the sides for maximum movement and sex appeal, and a floating cotton jersey gusset for hygiene. This pattern makes a pair of sexy, comfortable panties that you can make in many different colors to your taste.
